JULY 9–12, 1980

Sixth International Conference, Improving University Teaching

Location: Ecublens Campus
Ecole Polytechnique Federale de Lausanne
(Located on Switzerland's Lake Geneva)
Lausanne, Switzerland

This conference will address the question: How can postsecondary teaching and learning be improved? Continuing the international dialogues initiated at the five previous IUT Conferences, the Sixth Conference will afford an opportunity for participants to discuss ongoing research and training programs, present research or project outcomes and program evaluations, and report on developments in their respective countries relevant to postsecondary teaching-learning improvement.
