This Article is brought to you for free and open access by the USDA National Wildlife Research Center Symposia at DigitalCommons@University of Nebraska - Lincoln. It has been accepted for inclusion in National Wildlife Research Center Repellents Conference 1995 by an authorized administrator of DigitalCommons@University of Nebraska - Lincoln.

Repellents in Wildlife Management: Proceedings

Acknowledgments

Committee Members

- Diana L. Dwyer - Conference Chair
- Kathleen A. Fagerstone - Program Chair
- Michael Avery
- J. Russell Mason
- Larry Clark
- Clay Mitchell
- Dale Nolte

Acknowledgements

Many people worked behind the scenes to make the conference a success. The committee members would especially like to thank Laura Greiner, Linda Sanchez, Ernie Magana, Beth Farrell, Jim Armer, Carol Schafer for their assistance. A special thank you to Barbara Knopf and Marilyn Harris for their hard work in preparing the Proceedings for publication.

Copies of the Repellents in Wildlife Management Symposium Proceedings are available from the USDA/APHIS/ADC, National Wildlife Research Center. Contact the NWRC Library at 1201 Oakridge Dr., Fort Collins, CO 80525, (970) 223-1588 or e-mail nwrc@aphis.usda.gov

The U.S. Department of Agriculture (USDA) prohibits discrimination in its programs on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, and marital or familial status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (braille, large print, audiotape, etc.) should contact the USDA Office of Communication at (202) 720-2791.

To file a complaint, write the Secretary of Agriculture, U.S. Department of Agriculture, Washington, DC 20250, or call (202) 720-7327 (voice) or (202) 720-1127 (TDD). USDA is an equal employment opportunity employer.

Mention of companies or commercial products does not imply recommendation or endorsement by USDA over others not mentioned. USDA neither guarantees nor warrants the standard of any product mentioned.

Product names are mentioned solely to report factually on available data and to provide specific information.

This publication reports research involving pesticides. All use of pesticides must be registered by appropriate State and/or Federal agencies before they can be recommended.

CAUTION: Pesticides can be injurious to humans, domestic animals, desirable plants, and fish or other wildlife if they are not handled or applied properly. Use all pesticides selectively and carefully. Follow recommended practices for the disposal of surplus pesticides and pesticide containers.

Issued August 1997
