GENERAL NOTES

Publications are listed by type, not subject matter. This Departmental Publication List is also available at the Department of Agricultural Economics' Website: <http://agecon.unl.edu/> and publications are linked to their site. In most cases, the direct Internet address is listed after the citation, if it is available on-line. You are also welcome to check the University of Nebraska's Institute of Agriculture and Natural Resources Website, <http://www.ianr.unl.edu/>. If appropriate, (see instructions below), your request for hard copies of the publications should be addressed to the author.

In all cases "UNL" stands for University of Nebraska-Lincoln. All requests for publications should contain complete information, i.e., author(s), title, dates, numbers, etc. Including all pertinent information will speed the response to your request.

INSTRUCTIONS FOR ORDERING PUBLICATIONS

Articles in Professional Journals

The author usually has reprints of his/her articles that have appeared in journals. Inquiries should be addressed to the **author**, Department of Agricultural Economics, University of Nebraska-Lincoln, Lincoln, NE 68583-0922. Articles can also be accessed by obtaining the appropriate journal at your local university or public library.

Books and Book Chapters

Inquiries concerning books or chapters in books should be addressed to the publishers of the books.
