This Article is brought to you for free and open access by the SciComm - Effective Science Communication at DigitalCommons@University of Nebraska - Lincoln. It has been accepted for inclusion in SciComm 2016 - Lincoln, Nebraska, September 23-24, 2016 by an authorized administrator of DigitalCommons@University of Nebraska - Lincoln.
Museum Mission:

Promote discovery in natural science through:
• Research
• Scientific Collections
• Learner-Centered Education
• Public Exhibitions

Collect and preserve organisms, fossils and artifacts

Enhance stewardship of the natural and cultural heritage of Nebraska

Recruit and mentor future scientists and educators:
• Promote science literacy
• Stimulate curiosity and discovery of our natural world and heritage of diverse cultures
