Dear Local Leaders

Why not have your Club Awards Committee underline the numbers in which your club can qualify. Have your reports (form 0-10-2) and record books in the County Agent's office on time so that they may be considered for county and state awards. Your club will not want to miss any possible 4-H awards.

Sincerely,

Your County Extension Agents
and State Club Leaders.

Awards listed in this circular are offered by friends of 4-H Clubs, to promote growth and interest. Club members, local leaders and extension workers of Nebraska appreciate this encouragement. OCTOBER 15, 1951
2. Number of Awards

(1) A club member may not receive as a state or county award more than one scholarship announced in this circular with a value of $100 or more. However, this does not prevent a club member from competing for sectional or national scholarships. In any one club year, a club member may not receive more than one scholarship of any kind.

(2) No individual may be given the same award twice. A member who has won a county championship may compete for higher awards of that project on state level even though he has been awarded the county honor.

(3) A member may attend National 4-H Club Congress Only once as a winner of a state trip. More than once as a winner of a sectional trip, but not in the same project.

More than once as a winner of a National trip, but not in the same project.

3. Number of Years of Club Work

State winners in contests arranged by the National Committee on Boys and Girls Club Work must have completed at least three years of 4-H club work including the current year.

4. Certain Sectional and National Awards have other eligibility requirements. See National Awards Handbook, 1951, for these rules.

WHAT IS REQUIRED?

4-H club members competing for any awards described in this circular must file with their county extension agents a separate set of material as described below, for each contest that they enter:

1. Achievement Report (form 0-10-2).
2. Written Report (story) of all the member's 4-H club work. This should be approximately 500 to 1000 words in length. Include "human interest" material about the value of doing club work and approved practices learned.

3. Project records of the project in which the member is competing. In case a member competes in more than one contest where the same project records are required, duplicate project record books need not be made. Make a notation on envelope (form 0-09-2) as to which envelope contains the project record books.

4. Special information as requested in some contests.

Each contest is designated by a separate number, such as 3a or 7b.

Candidates will not be considered unless all requirements are met, packaged in envelope (form 0-09-2), and the contents checked on the outside of the envelope.

SCHOLARSHIP CONDITIONS

All scholarships announced in this circular are subject to these conditions:

In exceptional cases, a scholarship may be applied toward a course at an approved educational institution other than a State Agricultural College, provided: (1) the winner makes such request in writing to the County Extension Agent; (2) the County Extension Agent and State Club Leader recommend favorable action on the request; and, (3) the request is approved by the National Committee on Boys and Girls Club Work.

2. At the time the winners are chosen, alternates will be selected on a descending basis. If, for any reason, the winner of a scholarship fails to avail himself or herself of the money involved, said award shall be offered to the first alternate in line.
3. A scholarship shall be used within a year of the date of the award except in cases where the winner has not completed the necessary non-collegiate school work. In such case it may be used the following year or at the next college session.

4. One-half of each scholarship will be paid at the time of matriculation and one-half at the middle of the first collegiate year upon receipt by the State Club Leader of a report of satisfactory progress from the winner.
