Nebraska Chapter Gamma Sigma Delta Newsletter

ISSUE #38, September 2009

President's Message

Our Chapter continues to function effectively due to the tireless efforts of dedicated individuals and the good work of committees. The outstanding scholarly achievements of 145 sophomore and junior undergraduate students as well as the outstanding senior and the outstanding underclassman were recognized as 2008-2009 Gamma Sigma Delta Scholars by the Scholarship Committee.

Energy conservation and biofuels to reduce dependence on fossil fuels will be the focus of the Fall Seminar planned by the Seminar Committee for September 22 in Hardin Hall. Don't miss this seminar on this highly important topic.

A new award to recognize outstanding graduate students will be proposed for adoption at our annual business meeting immediately following the seminar and reception on September 22. Start up funds for the new graduate student award stem from an International Gamma Sigma Delta Chapter Enrichment Grant and from a gift from a member of our Chapter. Additional support such as from additional gifts from Gamma Sigma Delta members will be needed to grow the fund to provide the award on an annual basis. Mark your calendars for September 22 and plan now to attend the seminar and annual business meeting.

It is time to submit nominations for membership and for awards. Nomination forms previously distributed electronically by the Membership Committee are also included in this issue of the Newsletter. The deadline for submission of membership nominations is September 18. Nominations for awards should be submitted to the appropriate award committee chair by October 21. Also, plan to encourage eligible undergraduate students to accept invitation to membership by sharing your insights with them regarding the benefits derived from membership in Gamma Sigma Delta. The list of undergraduate students eligible for membership will be presented at the Annual Business Meeting.

Initiation and Awards Banquet
January 24, 2010

*In Memoriam

*Gamma Sigma Delta Membership
Renewal Form

This year the Initiation and Awards banquet is planned for early Spring Semester at a new location. The new venue will provide an opportunity to try different banquet options with the intent of boosting attendance. The later banquet date will allow time to recruit eligible undergraduate students for membership. It will also avoid year end time constraints. Stay tuned for updates from the Initiation and Awards Banquet Committee regarding the location for the banquet.

Remember to vote for one of the members nominated for Chapter Office of Treasurer by The Officer Nominating Committee.

Thanks for supporting Gamma Sigma Delta. I look forward to seeing you at the seminar and at the business meeting next month and at the banquet later.

Clayton Kelling
President

The Gamma Sigma Delta Seminar Committee invites everyone to attend the annual Gamma Sigma Delta Seminar on September 22, 2009 at 3:00 PM in the Hardin Hall Auditorium.

How Far Can Energy Conservation and Novel Biofuels Go Towards Reducing Reliance on Fossil Fuels?

A panel of IANR faculty will lead a discussion of renewable energy and energy conservation opportunities in Nebraska. Each of the following panelists will give a short 10 minute opening statement, followed by a moderated 30 minute question and answer discussion with the audience. Our goal is to focus the discussion on how much potential for fossil fuel replacement can be obtained from implementing these opportunities?

Shirley Niemeyer - Opportunities in Residential and Built Environment Energy Efficiency

Ron Yoder - Opportunities in Crop Agriculture Production Systems

Don Weeks - The Promise of Algal Biofuel Systems

The Gamma Sigma Delta 2009 Seminar

3:00 p.m.

Tuesday, September 22
Hardin Hall Auditorium

How Far Can Energy Conservation and Novel Biofuels Go Towards Reducing Reliance on Fossil Fuels?

- Shirley Niemeyer - Opportunities in Residential and Built Environment Energy Efficiency
- Ron Yoder - Opportunities in Crop Agriculture Production Systems
- Don Weeks - The Promise of Algal Biofuel Systems

Reception and Gamma Sigma Delta Annual Meeting will be held at 4:00 p.m. in Hardin Hall Auditorium after the seminar. All Gamma Sigma Delta members are encouraged to attend.

**NOMINATIONS FOR
GAMMA SIGMA DELTA
September 2009**

The Membership Nominating Committee solicits your nomination of graduate students, faculty, managerial/professional staff, and alumni for membership in Gamma Sigma Delta.

We rely on your help to ensure that Gamma Sigma Delta recognizes worthy co-workers and graduate students for their contributions in agricultural sciences, natural resources, nutrition and health sciences, textiles, clothing and design or family and consumer sciences. A little reflection and a few minutes of your time to complete a form is all we ask. Nominations are requested for graduate students, faculty, managerial/professional staff, and alumni. Membership guidelines follow:

- A. Graduate students who meet all the following requirements:
 - 1. Show superior ability to carry on research and/or advanced study in agricultural sciences, natural resources, nutrition and health sciences, textiles, clothing and design or family and consumer sciences or in other sciences where the individual student's area of study or research is directly related to those areas,
 - 2. Show promise of making worthwhile contributions in these fields,
 - 3. Completed 2/5 of the required hours for the advanced degree being sought, either at the Masters or PhD level, and
 - 4. Attained a grade average of B or equivalent or better for graduate work toward an advanced degree.

- B. Faculty and managerial/professional staff who meet all the following requirements:
 - 1. University of Nebraska employee for at least three years, and
 - 2. Engaged in work in the professional areas of agricultural sciences, natural resources, nutrition and health sciences, textiles, clothing and design or family and consumer sciences for a period of at least three years.

- C. Alumni who meet all of the following requirements:
 - 1. Shown outstanding work in or service to agricultural sciences, natural resources, nutrition and health sciences, textiles, clothing and design or family and consumer sciences.
 - 2. Graduated from the University of Nebraska or an institution with a Gamma Sigma Delta chapter.
 - 3. Graduated at least five years prior to election to membership.

Please use the following membership nomination form to provide the necessary information. Nominations must be received by **September 18, 2009** to be considered. Send the completed forms to:

Gamma Sigma Delta Award of Merit

OBJECTIVE

The Award of Merit is to further recognize those who have rendered outstanding service in research, extension, teaching, administration, and leadership in the field of agriculture, natural resources, and human sciences.

REQUIREMENTS

The recipient of the Award of Merit must meet the following requirements:

1. Qualify under the objectives as stated above.
2. Be a member of Gamma Sigma Delta.
3. Minimum age – 30 years.

PROCEDURES

The President shall appoint an Award of Merit Committee annually. The committee shall be composed of three members of which at least one member is from the previous year's committee.

The committee will canvass the membership of GSD for nominations for the Award of Merit. Nominations, as submitted to the committee, must be accompanied by supporting information. No nominations may be made from the floor at any meeting of GSD.

From the nominations received, the committee shall select not more than three candidates. The names of these candidates shall be presented to the membership in ballot form for mail vote. A brief statement of the qualifications of each candidate shall accompany the ballots.

A maximum of two Awards of Merit may be made each year. This does not preclude the making of one award or no award in any particular year.

The award(s) shall be presented at the annual banquet; and except under unusual circumstances, the recipient will be expected to be present to receive the award.

Gamma Sigma Delta Extension Award

SELECTION CRITERIA

1. Demonstrated leadership in development and implementation of effective extension programs as an individual, team member, or coordinator.
2. Evidence of productivity and visibility of extension programs.
3. Evidence of impact of extension activity.
4. Evidence of clientele and peer recognition of excellence of extension programs.
5. Membership in Gamma Sigma Delta; membership in the Nebraska Chapter is desirable but not mandatory.
6. Emphasis may be placed on one thrust or program area as well as the overall program.
7. Persons who have previously received national or international Gamma Sigma Delta extension awards are not eligible.
8. An award application remains active for three years unless the individual submitting the application asks that it be withdrawn.

FORMAT FOR NOMINATION

1. Name of nominee
2. Educational background
3. Current position
4. Major extension thrusts, program accomplishments or impact including programs planned and conducted extension publications, audiovisual productions and other materials developed for extension program.
5. Three letters of recommendation from persons in a position to evaluate the nominee's extension accomplishments including at least one from the nominee's clientele.

Gamma Sigma Delta Teaching Award

SELECTION CRITERIA

Outstanding teaching and advising record as evidenced by:

1. Student and peer evaluations of courses and instructor.
2. Commitment to teaching improvement activities.
3. Formal and informal interaction with students as academic and/or student organization advisor.
4. Membership in Gamma Sigma Delta.
5. An award application remains active for three years unless the individual submitting the application asks that it be withdrawn.

FORMAT FOR NOMINATION

- Name of nominee
- Educational background
- Current position
- Responsibilities (courses taught and enrollment for past five semesters, fall semester 2006 through spring semester 2009)
- Academic advising responsibilities for past five semesters
- Documentation of scholarly activity such as invited/peer reviewed presentations, publications in teaching such as articles, textbooks, etc.
- Participation in teaching improvement program
- Student involvement (out-of-classroom interaction, advising of student organization etc.)
- Impact of nominee as teacher and advisor
- Student course evaluations which shall consist of a copy of the Results of the Objective Items. On the current CASNR evaluation form (CIEQ), this is the front summary page.
- Four letters of recommendation in addition to the nominator's letter are required. One letter of recommendation from a colleague, present student, former student, and an administrator should be submitted with the nomination.

In Memoriam

The Nebraska Chapter of Gamma Sigma Delta recognizes the lifetime achievement of the following individuals who have been members or associated with the Nebraska Chapter.

Willard F. Jones died March 6, 2009. Willard was born in 1911 in Dixon County, Nebraska and graduated from the University of Nebraska in 1940 with a degree in Agricultural Management. He was initiated into Gamma Sigma Delta as an agronomy student on May 7, 1940. He served in the U.S. Army Air Corps during World War II. He taught vocational agriculture at St. Edward and worked for the Federal Land Bank System in York prior to joining the Soil Conservation Service (Natural Resources Conservation Service) in 1946. Willard retired from the Soil Conservation Service in 1977.

R. Burt Maxcy died June 27, 2009. Burt was born in 1921 in Mississippi and graduated from Mississippi State University in 1943. Following service with the U.S. Navy during World War II he received his Ph.D. in Dairy Science from the University of Wisconsin-Madison in 1950. Burt taught for two years at Kansas State University before returning to Wisconsin. Burt joined the University of Nebraska-Lincoln in 1958 where he taught and did research on food safety, including pioneering work using irradiation for food preservation. He retired from UNL in 1989. He was initiated into Gamma Sigma Delta as a faculty member at Kansas State University on April 2, 1951.

Earle S. Raun died July 6, 2009. Earle was born in 1924 in Sioux City, Iowa and obtained B.S., M.S., and Ph.D. degrees in entomology from Iowa State University. He was initiated into Gamma Sigma Delta as a graduate student at Iowa State on May 2, 1951. Earle was currently the owner and operator of Pest Management Company in Lincoln. He had previously been associated with DELPHI, Inc. and Pest Management Consultants, Inc. He also had served as Associate Director of the Nebraska Cooperative Extension Service, Chair of the University of Nebraska Entomology Department, as an entomologist with USDA, and as a faculty member in entomology at Iowa State University. Earle was active in the National Alliance of Independent Crop Consultants and was inducted into the Nebraska Hall of Agricultural Achievement.

James G. Emal died July 9, 2009. Jim was born in 1947 in Minden, Nebraska. He received his B.S. and M.S. degrees from the University of Nebraska and was initiated into Gamma Sigma Delta as an agronomy student on November 23, 1969. Jim began his career with University of Nebraska Extension in Saline County. He was active in the adoption of microcomputers in Extension and helped farmers and ranchers across the state learn how to use computers in their businesses. Jim was one of the first microcomputer specialists for Extension and then worked with University of Nebraska Central Administration including helping to lead Technologies Across Nebraska an Extension coalition to help communities and businesses make decisions about their future in information technology. He finished his career at the University of Nebraska as the Director of Strategic Technologies for the Computer Services Network and retired in 2007. Jim received the Chancellor's Distinguished Educational Service along with many other awards.

Paul J. Mattern died July 16, 2009. Paul was born in 1922 in Winnetoon, Nebraska. He attended Yankton College for two years, then taught junior high school for a year before serving in the U.S. Navy during World War II. He received a B.A. at the University of Northern Iowa and a M.S. in analytical and general chemistry from the University of Wisconsin-Madison. Paul taught high school chemistry for a short time and then worked for Gooch Milling and Elevator in Lincoln from 1951 to 1953. He then joined the University of Nebraska as an assistant professor of Biochemistry and Nutrition doing research on cereal protein and starches. In 1959 he established and managed the Wheat Quality Laboratory for UNL's Department of Agronomy until his retirement in 1989. As a part of the Nebraska Wheat Breeding Team, he was responsible for identifying milling and baking quality of 30 hard red winter wheat varieties selected for release for Nebraska and U.S. growers. Following retirement Paul had his own company, Cereal Consultants, providing services to wheat processing and seed companies and presenting crop quality seminars. He was a Fellow in American Society of Cereal Chemists. Paul was initiated into Gamma Sigma Delta as a faculty member at UNL on May 2, 1963.
