Dear Members:

Today I send my sincere congratulations as you celebrate your 50th anniversary at Windsor Stables in Lincoln. The Nebraska Educational Office Professionals Association serves many towns and cities across Nebraska in an outstanding manner and 50 years of service is a terrific milestone!

Your association illustrates very clearly what can be accomplished when people work together to accomplish a common goal. I am very proud of your members and applaud their enthusiastic approach to contributing to the good of Nebraska. Thank you for making a difference by providing opportunities for personal and professional growth.

I believe one of Nebraska’s greatest assets is our people and I hope that your 50th anniversary will serve as a reminder of the importance of working together to achieve goals and to foster great friendships along the way.

Again, best wishes on your 50th anniversary!

Sincerely,

Dave Heineman
Governor
