President’s Message:

We thank the seminar panelists and the seminar committee for an outstanding seminar. We are most appreciative of the efforts of the Gamma Sigma Delta seminar panelists: Shirley Niemeyer, Ron Yoder, and Don Weeks for presenting such an interesting and informative seminar entitled: “How Far Can Energy Conservation and Novel Biofuels Go Towards Reducing Reliance on Fossil Fuels.” We thank Ken Cassman, Shirley Niemeyer, and Dennis Brink for planning the highly successful event and Dennis for serving as seminar moderator.

New Outstanding Graduate Student Award

Gifts from members will be appreciated to support the new Outstanding Graduate Students Award. Establishment of the award was approved at our annual business meeting this year. The new graduate student award fund was initiated with an International Gamma Sigma Delta Chapter Enrichment Grant and with a gift from a member of our Chapter. Additional funding is needed to sustain this award. Please consider supporting this effort by completing and submitting the enclosed pledge sheet on page 6.

**Gamma Sigma Delta Outstanding Graduate Student Award Fund**

Your Nebraska Chapter of Gamma Sigma Delta has established a new fund at the University of Nebraska Foundation to allow us to expand our recognition of high standards of scholarship to the graduate student ranks. The *Gamma Sigma Delta Outstanding Graduate Student Award Fund* was initiated with a $750 grant from the international Gamma Sigma Delta organization. The fund is an expendable fund at this time, however, our goal is to raise $25,000 to endow it permanently. Your contributions will assist us in reaching this goal.

A Gamma Sigma Delta Outstanding Graduate Student Award Selection Committee will organize the application and selection process. Graduate students in Human Sciences, Agriculture, and related sciences who have demonstrated outstanding accomplishment in their teaching, research, or extension endeavors, and great promise for future academic contributions in their field of expertise are eligible.

Please send your donations to the University of Nebraska Foundation at 1010 Lincoln Mall, Suite 300, Lincoln, NE 68508 with the attached pledge sheet. Questions? Contact Kevin Meyer at kmeyer@nufoundation.org.

RICK RASBY joined the staff at the University of Nebraska in 1986 as Extension Beef Specialist with primary responsibilities on cow/calf management, reproduction, and nutrition. He received a B.S. from UNL and M.S. and Ph.D. from Oklahoma State University.

Since arriving in Nebraska, his extension programs have focused on economical feeding programs for beef cows and evaluation of reproductive performance of the cow herd. He has been instrumental in development of the beef website: [http://beef.unl.edu](http://beef.unl.edu). His research has been to characterize performance and economics of cow/calf production systems. More recently, his research has focused on the use of grain by-products as supplements for cows and their use in heifer development diets.

Awards received include:

- **1989** Excellence in Team Programming Award, “Quality Feeds For Quality Feeding Programs,” Nebraska Cooperative Extension Association
- **1989** Team Programming Award, “Quality Feeds for Quality Feeding Programs,” Epsilon Sigma Phi
- **2001** Certificate of Recognition for Contribution to Students – Presented by UNL Parents Association
- **2008** University of Nebraska Distinguished Educational Service Award
- **2008** Award for Excellence in Extension, National Association of State University and Land-Grant Colleges
- **2008** Gamma Sigma Delta Extension Award of Merit
- **2009** Wendell Burgher Beef Industry Award

It is neat to be part of a University organization with objective to advance of all phases of the agriculture industry. The people in this organization are outstanding. I look forward to the opportunity to contribute to the Nebraska Chapter.
