What is your favorite time of day/day of the week/month of the year?
Wednesday nights.

If you were reincarnated as an animal/drink/ice cream flavor, what would it be?
A cat.

What do you want to be when you grow up?
I want to be a lawyer when I get older.

What was the last movie, TV show or book that made you cry or tear up?
The last movie that made me tear up was Remember the Titans.

Where is Waldo?
Hidden.

What advice would you give to your NCPA class?
If I could give any advice to NCPA, in particular the underclassmen, it is this: always try your hardest and give 100%. I am very disappointed in the effort I gave freshman and sophomore year and my grades reflected the lack of effort. Always strive for an A. Go hard or go home!

Emma Newman, Freshman
Emma Newman has done a tremendous job balancing the rigors of a full course load (that includes honors and AP coursework), the adaptation of being a freshman scholar in a new environment, and the time demand from being involved within her school (dance team, science club, and band) and church. While excelling Knowledge, Character, and Commitment requirements, Emma is always smiling! Congratulations to this month’s Spotlight Scholar.
