My dear Mr. Hoover,

I am enclosing you herewith the photograph of the supposed Jesse James, the noted bandit.

No doubt, you have read the recent stories in the newspapers of this man. I was called in on this case and was asked if I could identify this man. They know that I am a fingerprint expert, but they tied my hands right on the start. They will not let this man's fingerprints be taken, that
is, his Chief Counsel, a criminal lawyer here and the city manager, who is
of the Elma Hotel. This man resides at the Elma Hotel. You know it is
difficult to identify a man without his fingerprints. This man was
supposed to have served a term at the
the penitentiary at Chester, Ill., for murder,
but it is my understanding that he was
paroled about the year of 1926; however,
I have no positive proof of this.
It occurs to me that if this man
has a recent criminal record, probably
you will have his fingerprints. He
states that he entered the prison under
the name of William Jesse James.
I am enclosing these photographs because of your experience and knowledge along this line, you will probably render your opinion as to the likeness of these photographs. I am aware of the fact that no one can positively identify a person by photographs for the fact that so many people look alike.

Trusting that I am asking nothing out of the ordinary and that I will hear from you in the near future,

yours very truly,

Excelsior Springs, 7/6
MEMORANDUM FOR THE DIRECTOR:

Please refer to the letter I have prepared addressed to Excelsior Springs, Missouri, concerning the claims of an individual now residing in that city, to the effect that he is the original Jesse James.

Of course, Jesse James' fingerprints never were taken. It follows that any identification would have to be made upon the basis of physical characteristics and photographs. The photograph of the younger person transmitted by the woodcut of the original Jesse James. After examining this photo, or cut, it is the opinion of , who has specialized somewhat in Portrait Parle, and the undersigned, that the person now claiming to be Jesse James is an imposter. It is realized, of course, that the woodcut may not have been a perfect likeness. It is realized further that the facial appearance of any individual changes with age, but we base our conclusion upon the following:

There is a marked dis-similarity in the appearance of the ears, particularly in the outer depression. In the case of the original Jesse James, this is very wide at the top, with the result that the inner depression is narrow. In the case of the person claiming to be James, both depressions are elongated. Other dis-similarities are that the original Jesse James seems to have an elevation over the eyes not noticeable in the photographs of the later James; that the nose of the individual claiming to be James is elongated and inclined to be humped, whereas the nose of the original James seems to be somewhat short and uplifted on the end giving a retousse aspect; that the jaw of the original James is much squarer than that of the present claimant and that the bald spot on the head of the original Jesse James recedes to a point now covered by the hair of the present claimant. It is noticed also, that the claimant's eyes are crossed.
I am attaching a photostatic copy of the fingerprints and photograph of John James, alias John J. James, alias Jesse James, showing his receipt at the Southern Illinois Penitentiary, at Menard, Illinois, on June 9, 1926, to serve a term of one year to life for the crime of manslaughter. It will be observed that he gave his age as 83, and his birthplace as Missouri.

This memorandum is being sent you merely for completion of the file, and possibly for future reference in connection with this case.

Respectfully,

L. C. Schilder

I am writing you in regards to an affair that came to my attention some time ago and my brother was in from Little Rock, Ark. and he said the same affair was there. It is this a party of three or believe with a sleeping trailer to their car seem to be touring the state of ark claiming to be Jesse James and cause quite a confusion while in town and people put me up a lot of argument about it when I told them that it was not the original Jesse James. So please let me hear from you.

Dear sirs:

Several days ago an aged man was in this locality who said that he was Jesse James. He said that he had recently reported to one of the U.S. law enforcement agencies and had been given a full pardon.

Now I have no personal interest in this case except that this man says he is getting theatre booking thru this territory, and I believe that he is a full-fledged liar as to his identity. Some friends have asked me to write you and see if you could give us some information as to whether this man is on the level.

Yours truly
