PROFESSIONAL AND ORGANIZATIONAL DEVELOPMENT NETWORK IN HIGHER EDUCATION

January 22, 1985

Dear Core Committee Members,

I just wanted to get a quick letter off to remind you of the Core Committee meeting scheduled in conjunction with the AAHE Conference in Chicago. We will be meeting on Saturday, March 16, 3:00p.m. until 8:00 p.m. with a dinner to follow and on Sunday, March 17, 8:30 a.m. until 3:00 p.m. The meetings will be held at The Palmer House in the Private Dining Room 16, Fifth floor.

Bette and I are working on the agenda and invite you to submit any issues for discussion to one of us within the next several weeks. I am sure that we will find plenty to keep us busy for the scheduled time. You might also wish to remain for the POD session and reception scheduled for Monday, March 18, 6:00 - 7:30 p.m.

The election of new Core members has just been completed and I am happy to announce the results to you before I even get letters off to the "winners." The following new members will be joining us:

Winnie Anderson
Tony Catanese
Sheryl Riechmann Hruska
Glenn Ross Johnson
Roderick J. W. Michell

Three of our retiring members will also be renewing:

Linc Fisch (of course, we expect more cheese)
Julie Jeffrey
Joanne Kurfiss

I have also asked Judy Aubrecht to rejoin us for 1985-1986 to fill out Joe Clark's term. I asked him to resign after missing the last two meetings. Although I have not heard from him, he has failed to renew his membership in POD so I assume that is a resignation. We will miss his contributions to the Core. As Membership Chair, Judy's input will continue to be valuable to the Committee. Thank you, Judy, for agreeing to extend your time with us. And Congratulations! to all of you who will be rejoining us.

I hope to see all of you in March. Please mark your calendars and start now to look for the airfare bargains that will bring you to Chicago. I can recommend some cheaper hotels if the Palmer House is too steep for your budget. Be sure to say that you are with AAHE to get the conference rate there.

Sincerely,

Dr. LuAnn Wilkerson
