King will contact John Malin about Advisory Council members' input on the Action Plans. The Action plans are scheduled to be finalized by the November staff meeting.

Barrett reported for the Graduate Education and Faculty Research Committee. Students are getting mixed messages from advisors on what is expected of them. Faculty are encouraged to read the Graduate Student Handbook for information and correct procedures to discuss with graduate students.

Fairchild distributed minutes from the Outreach Committee. Philip Simpson is now the recorder for the Outreach Committee.

Rockwell presented information from the Promotion and Tenure Committee on courtesy appointments for Janet Fox and Gary Meers. Discussion. Fritz received an e-mail message from Waller that faculty positions will not be released until next spring. Consequently, our ag leadership faculty position is currently on hold.

Faculty discussed security and safety issues on East Campus. A student was recently hit by a car near Ag Hall. Barrett moved that AgLEC write a letter to Vice Chancellor Owens and the Deans with a copy to Dale Vanderholm to recommend that pedestrian crosswalks be painted or repainted on East Campus streets, speed bumps be added in certain pedestrian traffic areas, new signs be added to alert drivers to the on-campus speed limit and heavy volume of pedestrian traffic, enforcement of campus speed limits by Campus Security, and request that the speed on Holdrege be reduced near East Campus. Parsons seconded. Motion passed.
