This Article is brought to you for free and open access by the Animal Science Department at DigitalCommons@University of Nebraska - Lincoln. It has been accepted for inclusion in Block & Bridle Student Organization by an authorized administrator of DigitalCommons@University of Nebraska - Lincoln.
"THANKS TO YOU"

The Block and Bridle Club would like to express its gratitude to the following people and firms. Their interest and contributions made 1978-79 a memorable year for the club.

Dr. Dwane Zimmerman, advisor
Dr. Jim Gosey, advisor
Dr. Ted Doane, advisor
Dr. Roger Mandigo, ham sales & pork roast
Coach R. B. Warren
Coach Dwight Loveday
Dr. Irv Omtvedt, chairman Animal Science
Jim Todd, club photographer
Darrell Gerdes, horse barn manager
Horse Barn Crew
Bob DeVoogd, Kid’s Day livestock
Stan Farlin, Kid’s Day livestock
Bob Moser, Kid’s Day livestock
Terri Krivohlavek, Kid’s Day livestock
Kathy Glover, Kid’s Day livestock
Janet Deuel, Kid’s Day livestock
Lisa Siefkes, Kid’s Day livestock
Marvin Copple, trophy saddle donor
Barr Angus Farm, Beef Show halter donor

Nebraska Angus Association, Beef Show halter donor
Fort Western, Beef Show trophy donor
UNL Animal Science Faculty, trophy donor
Knights of Ak-Sar-Ben, trophy donor
American Stores, trophy donor
Omaha Stockyards, trophy donor
American Quarter Horse Association, trophy donor
Bob Volk, trophy donor
Dick Dodds, photographer
Cindy Hilsabeck, secretary
Diane Shannon, Little Ak-sar-ben judge
Bruce Robinson, Little Ak-sar-ben judge
John Nelson, Little Ak-sar-ben judge
Leon Wilson, Little Ak-sar-ben judge
Robert Engle, Little Ak-sar-ben judge
Carl Fisher, Little Ak-sar-ben donkeys
Bruce Wendorff
Annual Advertisers
We, the 1978-79 staff, are proud to present the tenth Block and Bridle Annual. It is a summation of the past year, highlighting many activities and experiences we hope you will find interesting and informative.

This annual is more than just a collection of pictures and narrative to promote our club. The events reported represent long hours and hard work put forth by Block and Bridle Club members, initiates, advisors, and others who are interested in the promotion and advancement of the Animal Science Industry.

As a staff, we wish to thank all the members and initiates who sold ads. We would also like to thank all those who placed their confidence in the club and purchased ads. Your financial assistance made this annual possible.

We are also grateful to the committee chairmen who helped with the event pages.

Many hours were spent collecting pictures, writing reports, and editing in an effort to give you an annual of factual information that will also serve as a "Memory Book".

WITH PRIDE IN B&B ACCOMPLISHMENTS, WE PRESENT THE 1978-79 ANNUAL.

STAFF: Gerri Monahan, Steve Vinton, Scott Wiens, Mary Bargman, and Jane Pauley

THE EMBLEM

The Block and Bridle Emblem is significant to club members. It represents the principles on which this club is built. Character, sincerity, and a moral life are asked of members when they join and are depicted in the straight perpendicular of the "B." The distinct curves of the "B" are symbolic of the social pleasure, mental energy and determination of members.

The meat block represents the material aspects of our life. The bridle stands for the behavior of B & B members, the control over ourselves that we try to maintain, the mannerisms and respect we show toward others, and the way which we treat animals.

OUR CLUB'S PURPOSE

On December 2, 1919 student representatives from four animal husbandry clubs met in Chicago, Illinois, and formed the National Block and Bridle Club, the local clubs becoming chapters in the new national organization. Nebraska was a charter chapter along with Iowa, Kansas, and Missouri. During this meeting, the chapters formed a constitution which included a statement of the clubs objectives. They are (1) To promote a higher scholastic standard among students of Animal Husbandry, (2) To promote animal husbandry, especially all phases, of student animal husbandry work in colleges and universities, (3) To bring about a closer relationship among the men pursuing some phase of animal husbandry as a profession.

The Nebraska Chapter of the Block and Bridle Club has experienced a year of meaningful and enjoyable activities in the interest of Animal Science. This Annual is a reflection of our growing in the developing of leadership, integrity, scholarship, fellowship, cooperation, and participation. Through these activities we will grow and be better able to serve the Animal Science Industry.

Membership in the Block and Bridle Club is open to any student of agriculture, on the college level, who has a sincere interest in Animal Science.
Dear Block and Bridle Members:

Our Animal Science faculty joins me in congratulating you in publishing this tenth Block and Bridle Annual. We are extremely proud of your club activities and the recognition you have brought to the Animal Science Department, the Institute of Agriculture and Natural Resources, the University of Nebraska, and the State of Nebraska.

The Block and Bridle Club sponsorship of the Agriculture Symposium last November clearly indicates your willingness to get involved and to assume new responsibility for directing the outcome of important issues currently facing our industry. We have seen many changes take place in our livestock industry during the past decade. The non-agriculture sector has become more and more influential in dictating production, marketing and processing decisions for animal products. We sincerely hope that your educational experiences and the personal contacts you made while attending the University will provide you with the foundation to meet the challenges ahead and for a successful career in the livestock industry. Animal agriculture has a bright future and the demand for well-qualified animal science graduates is at an all-time high. We are counting on you to provide our industry with aggressive leadership.

Congratulations on a job well done and we wish you much success in your chosen career.

Dr. Irvin T. Omtvedt
Department Head
Thanks again. We wish the very best of luck to the Club next year and in all the years ahead. It will be an experience for us to have made the efforts we have made and will always be with us.

Just as your continued support is essential to the success and confidence in us, the enthusiasm and cooperation that you gave us, and your interest in what we do, are a very strong part of the club that you are a part of. You bring to the club your own ideas and your own experiences, and your support is essential to our success.

Thanks also to our committee chairman, Jane Fuehrer, and all our committee members who are so deeply involved in the Club's activities.

This Club has meant a lot to us. It has meant a lot to many of us, and it is only because of the hard work of all of you that we have been able to meet our goals.

The experience is not only because of the learning experiences, but also because of the hard work and support of all of you. It is evident that the Club is growing and that the future looks bright.

Looking back at the years we have been Club members, it is evident that the Club is growing and that the future looks bright.

If this has been an enjoyable experience for us to serve as the first and second semester block and bridge presidents, we feel the year has been a great success. This success can only be attributed to the hard work and enthusiasm of our committee chairman and members.

Front Row (Left to Right) Cindy Hilsabeck, Vicky Kobes, Beth Thompson, Norma Orr, Margaret Erickson.
The Block and Bridle advisors for 1978-79 are from the left: Dr. Jim Gosey, Dr. Dwane Zimmerman, and Dr. Ted Doane.

Dr. Jim Gosey is an assistant professor in Beef Breeding. His undergraduate work was done at Oklahoma State, his masters at New Mexico State, and he received his doctorate from Nebraska.

Dr. Dwane Zimmerman is a Swine Physiologist. He did his undergraduate work at Oklahoma State and received his masters and doctorate at Wisconsin.

Dr. Ted Doane, who teaches sheep production, did his undergraduate work at Oklahoma State and received his masters and doctorate at Kansas State.

These three men have worked very hard for Block and Bridle. They are always there when we need guidance. For their time and assistance, we say a sincere "THANK YOU".

1978-79

BLOCK AND BRIDLE CLUB MEMBERSHIP

1978-79

BLOCK & BRIDLE INITIATES

To promote better communications between the Block and Bridle Club and the Animal Science Department, the Block and Bridle/Animal Science Liaison Committee was formed. With Dr. Omtvedt, the Dept. Chairman, the club’s executive committee picked a representative from each class with Dr. Omtvedt, Dr. Zimmerman (Senior Advisor), and the club president to form the committee.

The purpose of the committee is to meet as a group to freely discuss ideas, activities, and questions which come up between students and the department. It has turned out to be a good opportunity for Dr. Omtvedt to get to know Block and Bridle members and vice versa.

To start the year off, Dr. and Mrs. Omtvedt treated the committee to a delicious dinner at their home. Throughout the year, the 7:00 a.m. monthly meetings produced many interesting ideas and suggestions (even though it was an early hour).
A TRIBUTE TO THE 1979 GRADUATES

You'll soon be graduating from UNL armed with knowledge and a degree in your chosen field. We hope you'll take with you a sense of pride in the University, its faculty, and the student body.

We, the members of Block and Bridle, wish to thank you for your leadership and unselfish efforts on behalf of our club. Because of you, 1978-79 was an outstanding year.

It is our sincere wish each of you may find your future crowned with happiness and success.

TONY ANDERSON—Elwood, Nebraska

LIVESTOCK JUDGING CONTEST
SR. DIVISION
Doug Malone—1st
George Cooksley—2nd

JR. DIVISION
Dave Olson—1st
Dan Magill—2nd

M. A. Alexander presents Janet Deuel, Mark Iodence, and Linda Johnson a plaque for top team in the Livestock Judging Contest.

Dana Hanson presents Dave Olson with a plaque for finishing first in the Jr. Division of the Livestock Judging Contest.

Doug Malone receives a plaque from Dana Hanson for top senior judge in the Livestock Judging Contest.

Tracy Grasz was awarded his trophy by Tom Socha for top Jr. in the Meats Judging Contest.

A surprised coach, R. B. Warren, is presented with a surprised pony from his Varsity Livestock Judging Team.
Senior scholarship winner Curt Graham is presenting the award.

Block A's track member Karen Schultz receives the gold watch in recognition for being the top female scorer.

Diana Plus awards Marilyn Barr a plaque for finishing second in the division of the Meet Judging contest.

Hahla Barr made the presentation.

Jeffery Barr was awarded the Junior AC award.

Curt Monahan was awarded the Junior AC award.

Linda Johnson is presented with a plaque for her outstanding senior award from the B Queen Group.

Jean Cook is presented with a pen set for her outstanding senior award from the B Queen Group.
Douglas R. Winz was chosen as the 1977-78 Block and Bridle Outstanding Senior.

During his four years in Block and Bridle, Doug served as club treasurer for the 1976-1977 year and president for the 1977-78 year. Doug served on numerous committees—Beef Show, Quarter Horse Show, Livestock Judging, Little Ak-Sar-Ben, Ham Sales, Planning and Budgeting, and Kid’s Day. In addition, Doug attended and helped with other B & B activities—Steak Fry, Christmas Coffee, Honors Banquet, Spring Picnic, Queen Coronation, Alumni Dance, Ag Symposium, Spring Tour, Summer Meetings, National Meetings, Regional Meetings, Meats Judging Contest, M.A.E.C., and Liaison Committee. He was also chosen as Block and Bridle Junior Activities Award Winner.

Doug’s outstanding accomplishments do not end with Block and Bridle. He has been very active in the Nebraska Junior Charolais Association, serving as president; and the American International Junior Charolais Association. He was named as National Director-at-Large for the western half of the United States for the American International Association.

As a member of the UN Junior Livestock and Meat Evaluation Team, Doug participated on the 10th place team overall at the National Western Contest in Denver and judged on the carload team. As a member of the Senior Livestock Team, Doug judged at the National Barrow Show in Austin, Minnesota; Kansas State (11th place individual overall); All-American Quarter Horse Congress in Columbus, Ohio; and at the North American Livestock Exposition in Louisville, Kentucky. Doug had attended numerous legislative hearings on bills pertaining to agricultural legislation. He has applied his legislative knowledge to give presentations on various acts.

The Block and Bridle Club would like to take this opportunity to extend our sincere appreciation to Doug for his friendships and fine leadership efforts in Block and Bridle and wish him the best of luck in future years.
Marilyn M. Barr received the 1978-79 Junior Scholarship Award.

Marilyn's leadership and involvement began early. As a first semester initiate, Marilyn was chairman of the Alumni Dance, in charge of refreshments for each meeting, and fourth place ham salesman. She worked at the Quarter Horse Show, Beef Show, and Little Ak-Sar-Ben, and attended Spring Picnic, Honors Banquet, and Queen Coronation. Spring Tour and participating in the Livestock Judging Contest rounded out her first year.

As a sophomore, Marilyn was chairman of the Beef Show. She planned and ran the largest beef progress show ever held by the club. In addition to selling hams and ads, she was involved with the annual, Fall Steak Fry, Quarter Horse Show, Kid's Day, and Little Ak-Sar-Ben.

A busy junior year included being secretary for the club and representing us as the Block and Bridle Queen. Marilyn participated in the Meat Animal Evaluation Contest in Omaha, and Block and Bridle Meats and Livestock Judging Contests. Besides aiding with every club activity held, she encouraged the recruitment of new members by sending out letters, helped select committee chairpersons for the next year, aided with the scrapbook and annual, and attended Regional Meetings.

Utilizing experience gained, Marilyn served as President of Block and Bridle the first semester of her senior year. The climax of a dedicated four years came when Marilyn was named the National Junior Scholarship winner.

In addition to Block and Bridle activities, Marilyn excelled as a member of both the UNL Meats and Livestock Judging Teams. She was a member of the Nebraska Junior Angus Association, worked at State Fair and Ak-Sar-Ben collecting data for the beef carcass contests, and helped with many judging workshops. Marilyn has willingly devoted many hours of her time to benefit Block and Bridle. A sincere thank you, Marilyn, and the best of luck to you.
The 1978 Block and Bridle Honoree was Mr. W. Eugene Flynn of Blair. He attended the Blair Public Schools and Dana College before graduating from the University of Nebraska, where he received a B.S. degree in agriculture in 1949.

Mr. Flynn is now manager and partner with two brothers of the Flynn Field Farms, a 400-head Holstein dairy herd. The herd annually produces more than three million pounds of milk, 60 to 70 breeding bulls that are sold throughout Nebraska and Iowa, and about 125 steers.

The family owns a farrow-to-finish hog operation that produces about 1000 market hogs each year, and farms 1500 acres of wheat, soybeans, and feed crops. About 20 family members are involved in the operation, including eight full-time employees.

The most recent addition to the farmstead is Mid-America Farms Inc., a small retail store specializing in cheese and several manufactured dairy products.

Mr. Flynn has served as a vice president of United Dairy Industries, which directs national research, education, promotion, and advertisement programs of dairy products as a combined effort of the American Dairy Association, the National Dairy Council, and Dairy Research Inc.

Serving as president and district secretary of the Nebraska Holstein Association, he has represented Nebraska in the association's convention, and was elected chairman of the National Holstein Convention in 1959. He also has been president of the state Interbreed Council, and a board member of the Nebraska branch of the American Dairy Association.

He served several years as a member of the board of the General States Division of Mid-American Dairymen Inc., and has been director of Mid-America Dairymen's corporate board, which is one of the nation's largest farmer-owned cooperatives.
Eugene displays one of his top-producing hog farms.

Eugene's picture will be in the Hall of Fame where Mr. members visited with the Fyrns.

Animal Science Faculty and club members and Eugene proudly display honors.

Eugene proud of his hog farm.

Their home in Blair.

Block and Bridle members with the Fyrns at the Fyrn farm.

Meetings:
September 7, 1978—Pork Roast—a short business meeting was held and the Animal Science professors were introduced.
September 21, 1978—Dr. Robert Spare showed a film and gave a talk on scabies.
October 5, 1978—Numbers for animals for Little Ak-sar-ben were drawn. Demonstrations on fitting and showing were also given.
October 19, 1978—The speaker was Max Waldo of Waldo farms who spoke on their S.P.F. hog operation.
November 2, 1978—Galen Franzen, a UNL alumnus, spoke to the club.
November 16, 1978—A hayrack ride was planned, but was cancelled due to bad weather.
December 14, 1978—Election of second semester officers.
February 1, 1979—Micky Stewart, Nebraska Director of Agriculture, was the speaker.
February 15, 1979—A film was shown called “There’s Genius in the Average Man.” Dr. Omtvedt also spoke to the club on the Animal Science II plans.
March 8, 1979—A short business meeting was held followed by a leadership program by Sam Brownback of Kansas State University. Pictures of the club were taken.
April 12, 1979—Discussion of Quarter Horse and Beef Shows.
April 19, 1979—Initiation of second semester initiates, nomination of officers.
May 3, 1979—Election of officers.
SPRING PICNIC

The annual Spring Picnic was held on April 22, at Antelope Park. Approximately 80 people attended to make the event a success. A special thanks goes to Dr. Mandigo who prepared the meal which was served by B & B members. Ribbons were awarded to the winners of the Livestock Judging Contest which was held April 21.

A softball game was then held between the faculty and the students with the students emerging as the winners. The weather cooperated by giving a warm, sunny day, and a good time was had by all. Co-chairmen Suzy Kowalski and Tammy Garey were in charge of organizing the picnic.

A hungry crew chows down.

Mighty Gosey strikes out again!

Girls, quit playing in the food!

Members anxiously await their turn at bat.
LIVESTOCK JUDGING

Co-chairmen Mike Matulka and Lynn Neujhar reported a successful Livestock Judging Contest. Over 160 contestants participated.

JUNIOR DIVISION

1st  Dave Olson
2nd  Dan Magill
3rd  Mark Iodence
4th  Rick Hagge
5th  Keith Bamesberger
6th  Linda Johnson
7th  Don Kracke
8th  Lee Zentner
9th  Eric Bruegman
10th Alan Michl

TEAMS

1st  G.D.I.'s
2nd  Burr Ill West
3rd  Burr Ill East
4th  Independent #2
5th  Ag men #1

SENIOR DIVISION

1st  Doug Malone
2nd  George Cooksley
3rd  Tracy Grasz
4th  Arne Anderson
5th  Roger Holscher
6th  Marilyn Barr
7th  Galen Gerdes
8th  Wade White
9th  Keith Stewart
10th Kent Bang

STATE FAIR LIVESTOCK AWARD

Denise Benes, 16, of Valparaiso, is presented the Block and Bridle Trophy for turning out the champion 4-H beef carcass in the 1978 Nebraska State Fair. She is the daughter of Mr. and Mrs. Ermin Benes. Presenting the trophy is Block and Bridle Queen Marilyn Barr. Denise also received a $100 check from a pool of donors.
FALL STEAK FRY

What's so funny, Irv?

Mandigo slinging hash.

Sandy in the chow line.

Keep that money safe, Janet!

There was another good turn out for the annual Fall Steak Fry. Approximately 120 people attended the 7th of September event and enjoyed club steak sandwiches, baked beans, fruit salad, and iced tea.

After the meal, Department Chairman, Dr. Irvin Omtvedt welcomed all interested initiates and returning members of Block and Briddle. A slide show gave the prospective members a view of B&B activities.

29
"Block and Bridle had a farm.
Ee-i, ee-i-o."

The 1978 Kid's Day was held on October 6 in the judging pavillion. Co-chairmen Steve Gramlich and Lisa Siefkes reported nearly 500 children and parents attended.

The purpose of Kid's Day is to educate as well as entertain inner-city children who aren't familiar with farm animals.

The Block and Bridle barnyard included a cow, a shetland pony, feeder pigs, a lamb, a goat, geese, hens, rabbits, and a dachshund.

Before the children returned to their homes, they were served refreshments by the Block and Bridle Club members.
LITTLE AK-SAR-BEN 1978

The Little AK-SAR-BEN Showmanship Contest was a big success again in 1978. It was held October 20th in the judging pavillion with many students, club members, parents, friends, and staff members attending.

The contest measures the participants' skills in horse, dairy, swine, sheep, and beef showmanship. Each contestant is supplied an animal one week before the contest. The contestant is then judged on his or her presentation and grooming of the animal.

Winners of each division then compete in a final "Round Robin," displaying an animal from each of the categories.

An added attraction was the Professors' Showmanship Contest. Garbed in a variety of costumes, five animal science professors competed for the dubious title of Best Donkey Showman.

Plaques and ribbons provided by AK-SAR-BEN and cash prizes provided by Block and Bridle were presented by Deborah Uhrig of Hemingford.

Judges were Diane Shannon, Lincoln, Horse Division; Bruce Robinson, Bennet, Dairy; John Nelson, Herman, Sheep; Leon Wilson, Kearney, Swine; and Robert Engle, Geneva, Beef.

Deb Kleinschmidt, Grafton, was the top beef showman and Reserve Champion Showman overall.

Top showman in the dairy cattle division was Kristin Anderson of Wayne.
Showman, Cindy Commiss, Devlin, was the top sheep.

Showmen, Inc., Marie Markus, Lincoln, received a plaque for winning Horse.
1979 BLOCK & BRIDLE QUEEN CANDIDATES

Front row: Cindy Dunlay, 19, daughter of Mr. and Mrs. James P. Dunlay of Orleans, is a sophomore majoring in animal science. She is Historian of Block and Bridle and has been active in Collegiate FFA.

Mary Bargman, 20, daughter of Mr. and Mrs. Eugene Bargman of Beatrice, is a junior majoring in animal science communications. She is active in Alpha Zeta agricultural honorary and was a 4-H member for eight years. This year she is co-chairman of the Block and Bridle Quarter Horse Show.

Back row: Tammy Garey, 20, daughter of Mr. and Mrs. Gary B. Garey of Syracuse, is a junior majoring in animal science. She is active in Alpha Zeta and Union Program Council. She is also serving as the chairman for the Block and Bridle spring picnic.

Louise Beyea, 20, daughter of Mr. and Mrs. Orville Beyea, Springview, is a junior majoring in animal science and journalism. She is a member of Alpha Chi Omega Sorority, Alpha Zeta honorary, and the Women's Rugby Team. She also serves as Block and Bridle's newsletter chairman.

Deborah Kleinschmidt, 19, daughter of Mr. and Mrs. K. H. Kleinschmidt of Grafton, is a sophomore majoring in animal science. She is active in Collegiate FFA and is presently Block and Bridle Beef Show chairman.
MISS MARY BARGMAN
BLOCK AND BRIDLE QUEEN

Former Queen Marilyn Barr and Mary Bargman.

Queen Mary and first runner-up Cindy Dunlay.
After the queen coronation ceremony, the annual Alumni Dance was held in the East Campus Activities building. The theme was "Happy Trails to You," and new Block and Bridle initiates were responsible for the decorations. Dance music was provided by Nora Porter and the Prophets.

Let's turn left at the next corner.

Dr. Zimmerman tripping the light fantastic.

The Gosey fox trot.

Let's turn left at the next corner.

1-2-3 dip. I said DIP!
HAM SALES

The club's money making activity of the year—Ham Sales. The club sold over 20,000 pounds of Hormel Cure 81 boneless, smoked hams this year and made a net profit of $6,000. The hams are purchased from Hormel Meat Packing Plant in Fremont, Nebraska. 99 club members participated in the activity—Top 6 salespersons—Ken R. Votaw, Deb Kleinschmidt, Don Settie, Suzy Kowlaski, Mark Iodence and Willow Krause. Each of these members sold over $2,000. Top initiate was Charlie Shafer—selling $1,000+ and 2nd high was Doug Schmidt—selling $900+. Deb Kleinschmidt turned in the most money as of December 1. Top team consisted of Ken R., Deb K., and Cindy Dunlay.

Hams were presented to Governor Exon, Little Ak-sar-ben judges, and used for the Christmas Coffee.

We extend a big thank you to all members who sold hams, to the people who bought hams, to the committee—Ken Thiltges, Susan Kaczor, Lisa Siefkes, Suzy Kowlaski, and Larry Benson, to the chairpersons—Mark Iodence and Gerri Monahan. A special THANK YOU to Dr. Mandigo, Dr. Zimmerman, Cindy his secretary, and the staff at Loefel Meat Lab for all their extra time and help spent with ham sales.

To officially start ham sales, the committee presented a ham to Governor James Exon. From L to R., Gerri Monahan, Ken Thiltges, Mark Iodence, Susan Kaczor, and Governor Exon.

From truck to cooler—where are you going, Butch?

Filling Orders.

J. C. gets in on the action.

Geri checks cut hams to member Louise Beyea while Dave Oldfather assists.

Hams—hams—and more hams... Lisa Siefkes and chairpersons Mark Iodence and Gerri Monahan.
Last year a need was recognized by the UNL Block and Bridle Club. Students desired more information on current agricultural situations and developments, but were unsure of their role in shaping the decisions that will affect the future of agriculture.

The idea of conducting an Agricultural Symposium, where nationally known authorities would discuss current agricultural issues, was put into action. The UNL Agronomy Club agreed to help the Block and Bridle Club in planning the symposium. Funding was acquired from private industry and student organizations.

On Nov. 9, 1978, the Symposium was held in the Nebraska East Union, with speakers coming from as far away as Connecticut and Washington, D.C. The day was considered a success and planning for the 1979 Symposium has already begun.

Faculty discuss the days' proceedings during a break.

David Stroud, President of Livestock and Meat Board, moderating the Livestock Drug and Antibiotic Control Panel.
Agriculture

Richard Primus — Deputy Director, Nebraska Department of Alcohol, Tobacco and Telecommunications

Balance of Trade Panel — Discussion of Ag Trade

Agricultural Imports and Exports and their Effect

Laura Feuerer — Speaker

Person for American

Agril-Vacation

Water Resource Panel discussed current Nebraska water issues and legislation which may affect them.
Everyone there enjoyed the food.

Teresa Vance and Jennifer Smith hosted the 1978 Annual Christmas Coffee on December 17th for the Animal Science Department. Faculty, staff, and Block and Bridle member enjoyed the traditional Hormel Cure 81 ham, cheese, and cracker brunch. Ribbons were awarded to the top ranking individuals participating in the meat judging contest.

Who in the 'ell likes olives anyway?

The Meats Judging Contest was held on November 17 & 18, 1978. There were eager contestants in the junior division and veteran individuals in the senior division. The pork and lamb classes were held on Friday night at Loeffel Meat Lab, and the beef classes were Saturday morning at American Stores in Lincoln. Ribbons were given to the top individuals in each division and category. They were presented at the B&B Christmas Coffee.

REGIONAL MEETINGS

On March 2, Block and Bridle members from six colleges registered for the annual regional meetings at the Livestock Arena at Columbia, Missouri. The following morning a breakfast was held where all the chapter reports were heard. Small group discussions were held after the reports. Some of the topics dealt with were chapter activities, new membership, and money-making projects. After a break for lunch, one more discussion group and general assembly was held. Here North Dakota State was elected to host the 1980 Block and Bridle regional meetings. Next on the agenda was a tour of the UMC Veterinary College and University Research Farms. A bar-b-que and dance was held that evening. Those delegates attending from Nebraska were Sandy Johnson, Steve Goll, Doug Freis, Marilyn Barr, Gerri Monahan, Suzy Kowalski, Tony Likens, John Campbell, Lynn Hagan, and club advisor Dr. Jim Gosey.

AMERICAN SOCIETY OF ANIMAL SCIENCE
SUMMER MEETING 1978

Only two Block and Bridle members made the trip to Michigan State University for the annual summer meetings. Those members who went were Galen Gerdes and John Snyder. The members left on July 8th for East Lansing, Michigan. The meetings were started with a tour for the delegates of the Upjohn Company pharmaceutical plant. In the afternoon the group toured a commercial beef cattle feedlot and a commercial swine operation. The second day members toured two large purebred Angus and Quarter Horse farms. In the afternoon we inspected the livestock and teaching and research units of Michigan State University. Tuesday evening the MSU Block and Bridle hosted a dance for the delegates. Wednesday morning was the national Block and Bridle meeting. It was announced that Douglas Winz received honorable mention in the Senior Merit Award competition. Galen and John then headed back to Nebraska with many new friends and ideas.
CHAPTER MEETINGS

President Marilyn Barr and Secretary Linda Johnson at a Block and Bridle meeting. Meetings are held every other week on Thursday night. Meetings are always well attended, and business is attended to in an efficient manner.

STICKER SALES

This year Jim Wilson was chairman of Block and Bridle Sticker Sales. Sets of numbers, 1-4, used to identify the animals in judging contests were sold. Block and Bridle Club members sell the stickers as a valuable service to judging contests throughout the state and nation.

Block and Bridle club members and advisors socializing over donuts and punch after the meeting. Following nearly every meeting, a special guest speaker addresses the club on some agriculturally related area.
This year's Spring Tour began at 5:00 a.m. Saturday, March 24. Forty-four members, and club advisors, Dr. Doane and Dr. Zimmerman, were able to make the trip. Our first stop was later that morning when we visited the Angus Association in St. Joe, then we moved on to Kansas City where we visited the Hereford Association. Later that afternoon we visited Claude Adams and his mules in Lamar, Missouri. We spent the night in Lamar and left Sunday morning for Osage Beach. At Osage Beach we visited the Brown Quarries and saw Impressive, a quarter horse stud worth 6-7 million dollars. Later that afternoon we spent some time at the St. Louis Zoo. That evening the group enjoyed relaxing in the pool at the Holiday Inn. Monday morning we toured Grant's farm where the Anheuser-Busch Clydesdales are raised, and then went on to tour the brewery. The next stop was later that afternoon at Middletown where we toured Hamp-An Farms and looked over their purebred hogs. Later that evening we visited Stevens College and stopped at Roger Conklin's farm where we were given a demonstration on miniature mules. We spent the night in Columbia and toured the University of Missouri Vet School Tuesday morning. That afternoon we toured the University Dairy Farm, and toured a sheep farm in Carrollton, Missouri. The group spent the night in St. Joe and toured Glenkirk Farms in Mayville Wednesday afternoon. We arrived back in Lincoln around 4:00 that afternoon after thoroughly enjoying the 1979 Spring Tour.

Much credit should be given to the Spring Tour Committee for an interesting and enjoyable Spring Tour.
You mean that horse can drink a whole keg?

A new friend for Kathy.

Kleinenschmidt's is up to her waist again.

Kansas City arrival at the National Herdland Association.

Grizzly bears at the St. Louis Zoo.
The 24th annual Block & Bridle Quarter Horse Show was again held at the State Fairgrounds Coliseum. The April 5 and 6 show was a big success, even with the chilly weather, as it increased the total number of entries by 90.

The 636 entries maintained the usual high quality and competition. There were 230 exhibitors who competed in the show which again was classified as an “A” show under AQHA standards. There were 383 entries in the AQHA approved class, 220 in the youth division, and 33 in the cutting horse competition.

Clark Bradley, Findlay, Ohio, judged the two day show. Co-chairmen for the show for Block & Bridle were Mary Bargman, Beatrice, Patti Hollibaugh, Marsland, and Mike Waid, Albion. They really appreciated the great effort by the show committee and club members for such a successful show!

A special thanks goes to Mr. Marvin Copple, Lincoln, who once again donated the trophy saddle to the All-Around Horse.

Golden Cherokee, an aged stallion owned by Jim Hayes of Bennington, out performed a field of 643 entries to become All-Around Horse. Horse and rider were presented with a trophy saddle donated by Marvin E. Copple of Lincoln. Shown from the left are Jim Baltezare, Jim Hayes, Mary Bargman, Mike Waid, Patti Hollibaugh.

Sir Lovealot, owned by MBJ Quarter Horses of Wichita, Kansas, was named grand champion stallion. He was shown by Mary Anne Parris of Kansas. Awarding the honor is B&B Queen Mary Bargman.

The grand champion gelding was owned by Latigo Quarter Horse Farm in Colorado Springs, Colo. Margaret Hammond’s Terrible Scotchman won first place topping 45 other horses. B&B Queen Mary Bargman presented the award.
A long time exhibitor, Howard Pitzer of Ericson, captured the grand champion mare honor. Pitzer's grandson, Jim Brinkman exhibited Vicki Lee Pine into first place, topping 55 other horses. Queen Mary Bargman presented Jim his award.

Kim Graham, 17, of Glenwood, Iowa, won the youth gelding championship. Shown are Queen Mary, Kim, and 7-year-old Jimmy Tiger.

Block and Bridle members busily at work, tabulating scores and making sure everything is under control.

Aleta Mollet of Farmington, Minn. receives her ribbon from Mary Bargman for winning the youth mare competition. Her mare is 5-year-old Miss Katchina Doll.

In the youth showmanship class for exhibitors 13 years and younger, Jonathan Rounds of Wichita, Kansas won the championship ribbon.

Winning the ribbon in the 14-18 year old showmanship class was Carla McCoy from Fremont.
The sixth annual Big Red Progress Show was held on Saturday, April 7, at the State Fairgrounds 4-H Youth Complex. Co-chairman Deb Kleinschmidt and Dan Deichman reported that the day was a tremendous success, reflected by the record number of entries. Judging this year’s show was Galen Franzen, a Hereford breeder and rancher from Fullerton.

Cammy Murphy, daughter of Mr. and Mrs. Bill Murphy of Wisner, exhibited the grand champion market steer—a 842 lb. Limousin-Hereford.

The reserve champion steer was exhibited by Chuck Purdy, son of Mr. and Mrs. Darrell Purdy of Phillips. He showed a 808 lb. Chianina-Angus.

Gwen Choquette, 13, daughter of Mr. and Mrs. Richard Choquette of Franklin showed the champion Hereford breeding heifer.

Champion British breed market steer honors went to Dan Ruhnke, 17, son of Mr. and Mrs. Harlan Ruhnke of Fairbury. Ruhnke’s 780-pound Shorthorn was named Samson.

We’re Not Telling You Anything You Don’t Already Know

It is proven that the SHORTHORN influence is profitable. Crossbreeding with SHORTHORNS gives hybrid vigor -- plus you are left with a tremendous factory -- the SHORTHORN Cross Cow.

SHORTHORN females displayed crossing ability in a major research program involving 540 females at the Lacomb, Alberta research station.

### RESEARCH PROVES IT...

A new firm offering many photographic and graphic design services
For over three quarters of a century the Hormel Company had continued to expand the meat products market. Hormel takes great pride in being part of the good life in Nebraska, and we’d like to take this opportunity to rededicate ourselves to the continued growth in Nebraska.

We also salute the Block and Bridle Club, its members and advisors for a tremendous year!

Hormel, is co-sponsor of Nebraska’s largest hog show the Midwest Market Hog Show, which was held, March 5, 1977 at Fremont, Nebraska.

Hormel will buy pork on a grade and yield basis to insure the hog producer of maximum return for his top-notch hogs.

Hormel’s telephone number – WATS line – 800-642-9997.

SM HATCHET 504
HH Advance C755
14566907
March 10, 1975
SM Lady Dundy 917
15481329

This sire's calves have been very attractive to the good cattleman. Top indexing bull in the MSM Sale in 1973. 205 day weight, 580 pounds; Weaning index 125; Yearling weight, 974 pounds; Yearling index 121. Currently weights 2200 pounds.

504 is a rugged bull with ample size (2250 lbs.) and plenty of breed character. His sire, Hatchet sired the 1975 Fort Worth Champion Steer on Hoof and the same steer won the carcass show to become one of the few steers in recent times to win both shows. 504's calves seem to possess the ability to carry on Hatchet's trait of producing carcass type Hereford cattle with breed character and gainability.

lunch at the ranch at noon and the sale is at one M.S.T.

it’s in your hands
... control of your crop - control of the price you receive for that crop - control all the way from harvest to market - when you have your own, on-the-farm grain drying and storage equipment. Now is the time - your mfs dealer is the place - he can tell you all the advantages of on-the-farm drying and storage equipment and the many reasons why mfs “Stor-age” is the equipment for you. Get control - keep control - with the “world’s most wanted grain bin” - mfs “Stor-age”.
