“I am an Extension Educator with the University of Nebraska-Lincoln specializing in the areas of leadership and entrepreneurship”

vs.

“I just read this awesome study that you might be interested in too. It found that business coaching increases profitability by 22%...isn’t that AMAZING?”
Step 4: Why You?

Vividly describe how the situation impacts THEM!
Step 4: Why You? (Continued)

Offer proof that you are the best!
“This economy is a challenge for small business owners like yourself, and entrepreneurs need our support—people like you are the backbone of our economy!

I am currently coaching a business owner, and his profits have increased each month over the course of our coaching relationship... even in this tough economic downturn!

He is spending time working on this business and is now planning for even bigger growth. He is also having a lot of fun! Coaching has really helped him achieve both his personal and business goals.
UNL Extension to the Rescue!!

Business coaching may benefit your business too. I would truly enjoy the opportunity to help you succeed—while having some fun in the process of course!
