1-1-1986

Block and Bridle Annual, 1986
We would like to salute the BLOCK AND BRIDLE CLUB, its members, and advisors for a tremendous year!

For over ninety years the Geo. A. Hormel & Company has taken great pride in producing the highest quality meat products possible for the consumer.

Geo. A. Hormel & Company is co-sponsor of Nebraska's largest hog show, the Midwest Market Hog Show, which will be held on Saturday, March 30, 1985, at Fremont, Nebraska.

Geo. A. Hormel & Company buys hogs on a grade and yield basis to provide the hog producer a maximum return for their top quality hogs.

Geo. A. Hormel & Co.
P.O. Box 69, Fremont, Nebr. 68025
Welcome to the pages of the 1985-86 University of Nebraska Block and Bridle Annual. It is with great pleasure and pride that we bring this to you. We hope that all initiates and members will look at this annual as a sense of accomplishment.

The University of Nebraska Block and Bridle Club has experienced a year of meaningful and enjoyable activities in the interest of Animal Science. This Annual is a reflection of our growth and development of leadership, integrity, scholarship, fellowship, cooperation and participation. Through our activities we will grow and be better able to serve the Animal Science industry.

We would like to thank all members for taking a part in selling advertisements and supporting us. The friendship that has been shown to us is something that we will never forget. A big thank you goes to our advisors for their constant support and of course the ones that make this annual possible, our advertisers. Now kick back, relax and enjoy the 1985-86 University of Nebraska Block and Bridle Annual!

EMBLEM

The Block & Bridle Emblem is significant to club members. It represents the principles on which this club is built. Character, sincerity, and a moral life are asked of members when they join and are depicted in the straight perpendicular of the "B". The distinct curves of the "B" are symbolic of the social pleasure, mental energy and determination of members.

The meat block represents the material aspects of our life. The bridle stands for the behavior of Block and Bridle members, the control over ourselves that we try to maintain, the mannerisms and respect we show toward others, and the way which we treat animals.

PURPOSE

On December 2, 1919, student representatives from four animal husbandry clubs met in Chicago, Illinois, and formed the National Block and Bridle Club, the local clubs becoming chapters in the new national organization. Nebraska was a charter chapter along with Iowa, Kansas, and Missouri. During this meeting the chapters formed a constitution which included a statement of the club’s objectives. They are (1) To promote a higher scholastic standard among students of Animal Husbandry, (2) To promote animal husbandry, especially all phases, of student animal husbandry work in colleges and universities, (3) To bring about a closer relationship among the men and women pursuing some phase of animal husbandry as a profession.

The Nebraska Chapter of Block and Bridle Club has experienced a year of meaningful and enjoyable activities in the interest of Animal Science. This Annual is a reflection of our growing in the developing of leadership, integrity, scholarship, fellowship, cooperation, and participation. Through these activities we will grow and be better able to serve the Animal Science Industry.

Membership in the Block and Bridle Club is open to any student of agriculture, on the college level, who has a sincere interest in Animal Science.

**TOTALS**

$65,793.22  $64,246.37  $1,546.85
Dr. Dennis Brink, Associate Professor of Animal Science received his Bachelor of Science degree in 1971, Masters in 1975, and PhD in 1978 from Kansas State University. He and his wife, Joan have two children, Kelly and Lauri. He has been an advisor for one year.

Dr. Chris Calkins, Associate Professor of Animal Science and Associate Professor of Food Science and Technology received his Bachelor of Science degree from Texas A&M in 1976, his Masters at Tennessee University in 1978 and his PhD from Texas A&M in 1981. He and his wife Ellen have two children, Carrie and Christie. He has been an advisor for three years.

Dr. Mary Beck, Associate Professor of Animal Science received her Masters degree in 1976 and her PhD in 1980 from Maryland University. She and her husband, Ron Johnson have one child, Lindsay. She has been an advisor for two years.
Block and Bridle would like to thank all of the Animal Science Faculty for all of their support and help with Block and Bridle Activities. We couldn’t do it without you!
Seated, left to right: Karen Hannah, Yvonne Donner, Joann Ortiz, Mary Jacobs, Sherry Taylor, Leonita Masek.
Standing, left to right: Diana Smith, Vicky Kobes, Dora Dill, Jane Ossenkop, Rene Gellatly, Mary Lou Machacek, Minnie Stephens, Judy Huff, Donna White, Alice Teter.

GRADUATE STUDENTS

Chris Rhynalds, Duane Starkey, Mike Starkey, Mike Wolfe, Alex Edionwe, Patricia Pennel, Auday Maki, Chedli Hafi, Louise Lethola, Brad Morgan, Mark Giesemann, Ron Green, Candace Holdt, Jack Kopf, Lee Chiba, Terry Radke, Gregg Eckardt, Marica Beatty, Kurt Borg, Laurie Dubrovin, Linda Pickard, Holly Brown-Borg, Harold Grabouski, Mike Sindt, Gary Lockhorn, Gary Asche, Archie Clutter, Benito Oliveros, Steven Pritchard, Ralph Cleale, Randy Kemp, Tetsuya Nakamura, Enrique Abreu-Sierra, Leon Schmidt, Blaine Hansen, Todd Stumpf, Scott Anderson, Marc Bauer, Vic Wilkerson, Pat Haffield, Frank Goedeken, Greg Weaver, Jo Lewis, Luis Gama.
LaRee Wittee — Junior Class, Brenda Laub — Freshman Class, Michelle Macfee — Senior Class, Dr. Chris Calkins — Advisor, Mike Cull — Fall President, Gary Kliewer — Junior Class, Chris Finney — Sophomore Class, Brad Wilkens — Freshman Class, Cal Dalgren — Sophomore Class. Not Pictured — Brad Wichmann — Spring President and Dr. Elton Aberle — Department Head.

The function of the Animal Science Liaison Committee is to serve as a bridge between the students of UNL and the Animal Science Faculty. Two students are selected from each class to meet with the senior advisor, the club president and the head of the Animal Science Department—Dr. Elton Aberle. The Committee met on Wednesday mornings at 7 a.m. to discuss such items as the completion project and problems between students and faculty members. The outcome of these meetings has had a positive effect on both the Animal Science Department and the Students of UNL.

"Auction . . . . the sound that sells."
Making friends is what Block and Bridle is all about. The moments shared, the things we learned, are very special. The happiness and joy that Block and Bridle members give to 600 children every year is priceless. Making friends with outstanding agriculture leaders is a great learning experience!

Queen Linda Hirschman presents one of the Block and Bridle Awards at the Nebraska State Fair.

The UNL Block and Bridle club sponsored several awards to 4-H'ers at the 1985 Nebraska State Fair. Some of those awards were the beef carcass contest awards, the high butterfat award and the dairy production award.

The Annual Block and Bridle Steak Fry was held September 5, 1985 to kick off the year's events. Dr. Roger Mandigo prepared the meal and club officers served it. The meeting that followed was used to encourage new UNL students to become involved in the Block and Bridle club.

Champion Beef Showman —
Susan Loseke

Champion Dairy Showman —
Trudy Anderson

Champion Sheep Showman —
Jerry Gross
The Little AK-SAR-BEN Showmanship Contest was held October 11, 1985 at the UNL judging pavilion. The contestants were given their livestock a week before the show and they had this time to prepare their animals.

The contest is divided into two parts, "Novice" and "Expert." The "Novice" category includes those who have never shown that species. The winners in each division advance to compete in the "Expert" division. The winner of each species category then competes in the final Round Robin where the Grand and Reserve Champion are chosen. This year's overall winner was Sally Hircock.

Awards were donated by AK-SAR-BEN and presented by Linda Hirschman. Chairmen for the event were Scott Frieburg, Tracy Adamson, Kurt Ohnoutka.

"Novice" division winners were: Beef-Kitti McKee, Sheep-Kevin Yost, Swine-Craig Dethlefs, Dairy-Chuck Baum.

"Expert" division winners were: Beef-Susan Loseke, Sheep-Jerry Gross, Swine-Sally Hircock, Dairy-Trudy Anderson. Judges were: Beef-Calvin Jorgenson, Sheep-Doug Malone, Swine-Bob Beck, Dairy-Teresa Konecky.

OVERALL Champion Showman and Champion Swine Showman – Sally Hircock

The University of Nebraska's own Mark Bruns and Jeff Christensen.
The Block and Bridle Queen Coronation and Dance was held October 19, 1985. Last year’s Queen Linda Hirschman crowned the new Queen Michelle Sandusky. Karna Anderson was crowned the new Block and Bridle Princess.

Other candidates for the club were: Kelli Kieborz, Susan Schroeder, Trudy Anderson and Jill Stalnaker.

The band “Live Wires” played for the dance at the Nebraska East Union. Sally Hircock was chairman for the event.
Dr. Elton Aberle — Animal Science Department Head speaks to members.

Senator Jerome Warner talked with members about budget cuts.

Hormel representatives presented members with ideas for ham sales.

Kelli Kieborz, Chuck Baum and Gary Kliewer present Governor Bob Kerry with a Hormel-81 ham.

U of N BLOCK & BRIDLE ANNUAL, 1985-86
Regional meetings were held in Fargo, North Dakota October 25-26, 1985. Members toured the city and attended meetings.
Block and Bridle's Annual Kids Day was held November 1, 1985. Committee Chairmen Bonnie Goertzen and Mary Olmer successfully united animals from the UNL facilities and over 600 kindergarten students from area schools for a fun and learning experience. Club members made many new friends and had a great time doing it!

Making friends — that's what it's all about!

Jeff Gibbons and a few of his friends.

Michelle Sandusky gets acquainted with a few of our little friends.

“He may not be a real horse — but I like him.”

“Will you be my friend?”
HAM SALES

10. Ken Bracht ......................... $ 1,144.93

Total .................................. $ 24,744.87

The UNL Block and Bridle Club once again sold Hormel Cure '81 hams for their money making project. Committee chairpersons for the event were Chuck Baum, Kelli Kieborz and Gary Kliewer.

The Club weighed and priced each of the hams before they were sold and delivered. The whole hams sold for $2.57 per pound and the half hams were $2.59 per pound.

A special thank you goes to Dr. Roger Mandigo and those at the meat lab for their help in making the project a success.
Long hours of hard work are spent in accomplishing Block and Bridle Activities. Members spend many hours in the Block and Bridle Office planning events. But the satisfaction in the end is all worth it!
ITEMS OF INTEREST:

* 16 years on farm beef cattle production testing
* 16 seasons using top Simmental sires.
* 11 years testing bulls and/or steers in central test stations.
* 4 of the top 10 placing steers in the 1983 Nebraska Simmental Steer Carcass Futurity.
* NEBRASKA’S longest continuous breeder of Landrace hogs, since 1956.
* Simmental production sale each year, third Saturday in March.

The Block and Bridle Christmas Coffee was held on December 6, 1985 in Marvel Baker Library. The coffee is held for the Animal Science faculty in appreciation for their contribution to the club.

The chairmen, Susan Borgelt and Rhonda Cameron, worked with Dr. Roger Mandigo to prepare a buffet of Hormel-81 ham, crackers, cheese, pickles, olives and punch.

Chairmen Susan Borgelt and Rhonda Cameron pour punch.

Dr. Elton Aberle — Department Head, Dr. Ted Hartung — Dean of Agriculture and Dr. Larry Larson visit during the coffee.
The Animal Science Quadrathalon began Thursday evening, February 13th with a lab practical. The six teams entered participated in exercises dealing with sheep, beef, dairy, meats, horses, poultry and swine. On Friday evening, February 14th all of the teams took part in oral presentations.

A test was given on Saturday the 15th, followed by a Quiz Bowl. The top two teams consisted of: Team F-Jeff Christensen, Mike Cull, Mark Kraeger and Craig Dethlefs; Team E-Brad Wichmann, Chris Baum, Loy Matthes and Mike Bartenhagen. Team F won the Quadrathalon and represented Nebraska at Regionals.

Committee chairmen for the event were Michelle Sandusky, Brad Wallander and Michelle Macfee. A very special thank you to the faculty for their long hours at the Quadrathalon.
Are these on right?

YES JEFF?

Make sure it's exact!

SADDLIN' up the horse.

Meri Lynn Ahrens, Christy Jensen, Chuck Baum and Kurt Borgelt talk things over with Dr. Doane during the lab practical.
After the hard work comes the relaxing. When activities are through, we try to take time out for ourselves and let loose. Whether it is playing volleyball or just talking with friends, we have a great time.

Block and Bridle and AK-SAR-BEN sponsored the Nebraska Big Red Progress Beef Show at AK-SAR-BEN Field in Omaha on April 5, 1986. The beef show was open to 4-H and FFA members from Colorado, Iowa, Kansas, Nebraska, Missouri, Minnesota, South Dakota and Wyoming. Nebraska calves in each class were given special recognition.

A total of 239 cattle entered this year's show. Dan Gee and Jerry Fitzgerald were the beef judges. Myron Danner and Bill Prinz were the showmanship judges. Lois Vech, Cal Dalgren and Mark Bruns were Chairmen for the event.

U of N BLOCK & BRIDLE ANNUAL, 1985-86
There's More Than One Way To Trim The Fat.

The Old Way  The New Way

Fat doesn’t cut it in the cattle business anymore. It’s expensive to put on, expensive to trim off and the consumer doesn’t want it there in the first place.

Fortunately, there is more than one way to trim the fat. Limousin cattle are genetically trimmed. Limousin calves excel in the feedlot while Limousin bulls add increased calving ease, heavier weaning and yearling weights, and Limousin females have the fertility, milking ability and mothering instincts you can’t do without.

Remember, there is more than one way to trim the fat from your cattle operation. Contact the North American Limousin Foundation today for more information or a list of breeders in your area.

Nebraska SPF
Pro-Lines, the professional swine-breeding program.

- **Pro-Master boars**
  Specific hybrids developed for highly profitable utilization in any swine operation.

- **Pro-Elite gilts**
  Hybrid females with maximum litter production and assurance of top levels of health.

- **Pure Pro**
  Specific lines, thoroughly proven in performance.

Now merchandising worldwide, Nebraska SPF breeding stock is professionally produced in all major breeds and hybrids.
Nebraska SPF is, in every respect, a professional swine-breeding program:
- Accurate EBV's (estimated breeding values).
- Perfected sow-productivity indexes.

- Whole herd testing.
- Completely established health programs.
- Up-to-date technology, continuously applied.

Nebraska SPF is quite possibly the finest swine disease-control program in the world today.

Nebraska SPF breeding stock is professionally produced in all major breeds and hybrids.

Every precaution is taken to keep SPF swine healthy.

**Keep Out**
