(26) MEDIA RESPONSE PLANS – THE FORGOTTEN TOOLS

John E. Ostrom, Metropolitan Airports Commission, Minneapolis-St. Paul International Airport, 4300 Glumack Drive, Suite 3000, St. Paul, MN 55111 USA

The Media Response Plan is an essential tool for any wildlife management program's toolbox, and yet, is normally not thought about until after something unpleasant happens and the media are knocking at your door. Developing an effective Media Response Plan is critical to the success of your wildlife management program and provides any manager with the opportunity to be prepared for both proactive and reactive situations when dealing with the media.
