A Touch of Class

UNL Block & Bridle

1986-1987

Cover Courtesy of Circle L Ranches, Cedar Bluffs, Nebraska
Cattleman Pat McGinley of Oshkosh, Nebraska believes in Limousin. “Limousin are good-feeding cattle and an exceptionally good breed to cross onto,” says McGinley, in reference to one set of Limousin-sired heifers he put on a three-month feeding test. “The heifers weighed 820 pounds average going into the test. During the test they averaged 3.4 pounds per day gain. None of the other breeds in the entire lot gained over 2.6 to 2.8 pounds per day.” With results like this, McGinley will continue to use Limousin bulls on his Brangus and Hereford-cross cows because, he says, “it’s working.”
Through these Doors a Block and Bridle schedule was set
lights shining
on meetings, events, and good times.
Each person that joined this club
was a star,
each with a different and unique role.
Now, time brings the year to a close,
and sounds go to sleep,
until the new fall semester of '87
with its new meetings, new events, new stars
and more good times.
It hasn't been long and already...
the year 86-87
has been one to remember.

EMBLEM

The Block & Bridle Emblem is significant to club members. It represents the principles on which this club is built. Character, sincerity, and a moral life are asked of members when they join and are depicted in the straight perpendicular of the "B". The distinct curves of the "B" are symbolic of the social pleasure, mental energy and determination of members.

The meat block represents the material aspects of our life. The bridle stands for the behavior of Block and Bridle members, the control over ourselves that we try to maintain, the mannerisms and respect we show toward others, and the way which we treat animals.

PURPOSE

On December 2, 1919 student representatives from four animal husbandry clubs met in Chicago, Illinois, and formed the National Block and Bridle Club, the local clubs becoming chapters in the new national organization. Nebraska was a charter chapter along with Iowa, Kansas, and Missouri. During this meeting the chapters formed a constitution which included a statement of the clubs objectives. They are (1) To promote a higher scholastic standard among students of Animal Husbandry, (2) To promote animal husbandry, especially all phases, of student animal husbandry work in colleges and universities, (3) To bring about a closer relationship among the men and women pursuing some phase of animal husbandry as a profession.

The Nebraska Chapter of Block and Bridle Club has experienced a year of meaningful and enjoyable activities in the interest of Animal Science. This Annual is a reflection of our growing in the developing of leadership, integrity, scholarship, fellowship, cooperation, and participation. Through these activities we will grow and be better able to serve the Animal Science Industry.

Membership in the Block and Bridle Club is open to any student of agriculture, on the college level, who has a sincere interest in Animal Science.
ANIMAL SCIENCE COMPLETION PROJECT

The Animal Science Completion Project is a three-part complex which is essential to the quality of the education we receive as Animal Science students. The first part consists of the construction of classroom, laboratory, and office. The second is the addition of intensive research facilities to Marvel Baker Hall. The third part contains a dividable teaching center and indoor/outdoor livestock holding structures.

Throughout the past few years, the Block and Bridle Club has been busy writing letters to the Governor and the legislative to request money for the project to be put in their budgets. Now, as club members walk past Marvel Baker Hall, they can catch a glimpse of the completion project. Each member and staff is anxiously awaiting for the 1988 completion date.

1988 is growing closer and so is the finished facility, we can all agree this new complex gives a ‘‘touch of class’’ into U.N.L.

Join us now as we open the newly constructed doors and meet the people and the activities which are found in this complex.

FRONT VIEW
As another successful year for the University of Nebraska Block & Bridle draws to a close, we would like to reflect on and commend the club’s past accomplishments.

The keys to our success have been the hard work put forth, the enlightening activities and the bonds of friendship made. All of this would not be possible without the diligence and the concern that each member has for the club and the livestock industry. This talented group of individuals have met and surpassed many challenges throughout the past year.

We would especially like to thank Dr. Mary Beck, Dr. Dennis Brink, and Doyle Wolverton, our advisors who have generously served the club, giving their time, energy, and unending support. The faculty should also be recognized for the numerous hours of work and helpful advise that they willingly contributed to our club. This appreciation is also extended to the entire Animal Science Department who have also helped in so many ways.

As retiring presidents of the Block and Bridle Club, we hope that tradition will remain vital, and that new ideas will open doors of opportunity to the future.

Sincerely,

LaRee Witte
Fall President

Dan Hilgenkamp

BLOCK & BRIDLE ADVISORS

Doyle Wolverton

Dr. Mary Beck — Senior Advisor
Dr. Dennis Brink — Junior Advisor

Block and Bridle would like to thank all of the Animal Science Faculty for all of their support and help with Block and Bridle Activities. We couldn't do it without you!
SECRETARIES

Back Row (left to right) — Leo Masek, Rene Gellatly, Dora Dill, Donna White, Minnie Stephens, Mary Lou Machacek.
Front Row (left to right) — Yvonne Dinges, Karen Hannah, Vicky Kobes, Diana Smith, Judy Huff, Kaye Peterson, Jane Ossenkop, JoAnn Ortiz.

GRADUATES

Steve Pritchard, Greg Bussler, Dale Blasi, Janice Eickman, Pete Poppert, Lloyd Woolsey, Dave Green, Mark Roberson, Mike Wolfe, Jim Lamkey, Laurie Dubrovin, Auday Maki, Nancy Irbeck, Erasmo Gutierrez, Paul Bond, Duane Starey, Pat Hatfield, Ted Nakamura, Leon Schmidt, Jim Drouillard, Ron Green, Chris Rynaldis, John Sonderman, Blaine Hansen, Todd Stumpf, Brad Morgan, Steve Christianson, Steve Gramlich, Steve Neal, Mike Sintt, Greg Weaver, Tom Long, Mike Lewis, Lee Chiba, Frank Goedeken, Mohd Yusuff, Vic Wilkerson, Alan Danielson.
LaRee Witte, Susan Schroeder, Dan Hilgenkamp, Marnie Freeman, Sara Frels, Elizabeth Janning, Cindy Voss, JoAnn Bondegard, Trudy Anderson, Susan Napier, Deanna Leander, Susan Moorhead, Laurie Klimek, Polla Ita, Nancy Chapek, Sally Hircock, Suzanne Krambeck, Vonda Reiners, Pam Ruwe, Troy McCain, Janet Kauan, Kevin Borgelt, Todd Schoeder, Scott Custard, Alan Donelson, Jason Berg, Scott Hurz, Craig Dethlaf, John Witt, Keith Carter, Jeff Eitzman, Kurt Borgelt, Lance Kizer, Kim Friesen, Bob Wiseman, John Hallman, Craig Peterson, Chris Schuetze, Melanie Macfee, Mike Bartenhagen, Boyd Mignery.

We, the members of Block and Bridle Club, honor the Animal Science Faculty and our advisors with their guidance which have enabled our members to become aware of the importance of today and to enjoy the fulfillment of our dreams and aspirations tomorrow.
XECUTIVE COMMITTEE

Fall Semester
Deanna Schwenk, Marnie Freeman, Monique Henderson, Jim Wakefield (Asst. Marshal), Susan Napper, Elizabeth Janing, Chuck Baum (Marshal), Annette Ricker, Lisa Bostock, Suzanne Krambeck, Laurie Overy, Jill Rishel, Keith Carter, Peggy Meents, Rob Fase, Kim Friesen, John Witt.

Spring Semester
Lori Althouse, Julie Janicke, Chelle Ostrand, Patty Miller, Steph Crays, Mark Bose, Ivan Holeman, Randy Leska, Mike Janing, Scott Custard (Marshal), John Witt (Asst. Marshal).

Historian), Laurie Klimek (Steak Fry), Scott Lurz (Little Ak-Sar-Ben), Michelle Macfee (Queen Coronation), Bob Wiseman (MAEC), Dave Gibbons (Honor Banquet).
The purpose of the committee is to meet as a group to freely discuss ideas, activities, problems, and questions which come up between students and the department.
Throughout the year 7 a.m. monthly meetings produced many interesting ideas and suggestions, despite the early hour.
The club’s executive committee selected two members to represent each class. Dr. Elton Aberle (Department Head), Dr. Mary Beck (Advisor), the class representatives and the club’s president make up the committee.
Trudy Anderson

A Hereford raiser from Elwood, Nebraska joined us at the University two years ago. Trudy is an Animal Science/Ag Education major. Trudy is very well known, as she has attended so many activities. Trudy has participated in regional meetings, Honor Banquet, Horse Tour, Little Ak-Sar-Ben where she was chosen Champion Dairy Showman and Reserve Champion overall. This year, Trudy served as our Princess and Newsreporter for the Spring semester. Trudy has helped with Queen Coronation, Christmas Coffee, Scrapbook, Spring Picnic and the Beef Show. Whatever happens to Trudy, it is almost taken for granted she will be at the end of a show halter, showing her Herefords.

Jo Ann Bondegard

Jo Ann put on her cowboy boots and headed to the capital city of Nebraska to finish her education, an Animal Science degree with a production option. Jo Ann is from out west, a town called Lodgepole, Nebraska. Jo Ann has been very active in Block and Bridle. She has helped with Christmas Coffee, Beef Show, Quarter Horse Show, Queen Coronation, Ham Sales and Livestock Judging Contest to mention a few. Not only active in Block and Bridle, she is involved with Ag Partners, U.N.L. 4-H Club and intramural sports. Who said a short person can't be active? Good Luck!

Mark Bruns

Mark Bruns came all the way from Chaplin, Nebraska to live in the Judging Pavilion to be on the barn crew. Mark has been involved in all aspects of Block and Bridle being very active in Little Ak-Sar-Ben, Fall Steak Fry, Queen Court, Beef Show chairperson for 1986 Beef Show, Quadrathon and has judged on Junior & Senior Livestock Judging teams. This year, Mark was the club Program Chairman for Spring semester.

Scott Kurz

Scott, an Animal Science major ventured to East Campus when he was a freshman from a small town, name Oakland. Scott lived in Farm House Fraternity, was very active in Alpha Zeta, Y-Dal. 1985 University Homecoming Committee. Scott has served the office of Assistant Historian in Block and Bridle and was on the Liaison Committee. Scott was also a member on the Midwest Regional Champion Quadrathon team. He was very busy serving as chairperson for Little Ak-Sar-Ben, Finance Committee and Beef Show. Scott has participated in Little Ak-Sar-Ben, Junior Meats Team, Junior Livestock Judging Team and Senior Livestock Judging Team. Scott, we will miss you!!!
Michelle Macfee
Michelle came to U.N.L. from a ranch in McCook, Nebraska. Michelle has been very active in Block and Bridle Club. Michelle received the workhorse award in 1986 after completing many activities such as showing in Little Ak-Sar-Ben, Queen Candidate, Kids Day, Beef Show, Quarter Horse Show, Ham Sales, Fall Steak Fry, & Quadrathalon. This year Michelle was very busy being chairperson for Queen Coronation. Michelle served as our club’s Vice-President for the Spring semester. Good Luck in the future, Red!

Troy McCain
What can I say about a guy from Crofton, Nebraska? Troy has been a great asset in our club. He has been very active by participating in Little Ak-Sar-Ben, meetings, Beef Show, Steak Fry, Kids Day and Quadrathalon. What will happen to Troy? No one really knows if he has made it out of Burr Hall yet. Whereever Troy ends up, I know he will be very busy and very successful.

Vonda Pelster
Vonda, an Animal Science major is originally from Ericson, Nebraska. Vonda has been very dedicated to our club by attending many B&B events. Attending the Beef Show, Kids Day, Fall Steak Fry, Queen Coronation, Quadrathalon, Horse Show, Christmas Coffee and Judging Contests including Meats and Livestock. Vonda has served as photographer for our club and we need to say “Thank You” for that time consuming activity. Now as Vonda leaves us, I would like to say, Good Luck and keep Jim in line.

Vonda Reiners
Vonda came to East Campus to major in Animal Science from Juniata, Nebraska wearing her Wrangler jeans. Vonda keeps a very busy schedule as she attends many B&B activities such as: Little Ak-Sar-Ben, Meats Contest, Livestock Contest, Christmas Coffee & Beef Show. Vonda was also on the Junior Meats Team which traveled to Fort Worth & Houston, Texas. Keep up the great work! By the way, Vonda when you weigh mice in the future, try not to kill them.
Photo
Not
Available

Pam Ruwe
Pam just joined our club last year, and right away she was put as the chairperson for the barbeque. Pam came to U.N.L. from Wayne, Nebraska. I am sure glad she chose University of Nebraska to complete her education. Pam is very busy with not only Block and Bridle, but many outside activities. Pam, I hope you have found that your memories with us will last a lifetime.

Susan R. Schroeder
Susan has completed her General Agriculture degree. Susan came to East Campus from Seward, Nebraska and has made her home in our club. Susan has served two offices; Secretary in Fall of '85 and Newsreporter in Spring of '86. She has been very active in Steak Fry, Little Ak-Sar-Ben, Ham Sales, Annual Ads, as she was top seller in 1987 Scrapbook, Quadrathlon and Meats Contest. Susan was chairperson for Spring Picnic and '87 Livestock Judging Contest. Susan has traveled across the United States to attend both nationals and regional meetings in North Dakota, Texas, Kentucky and Colorado. Susan, you can never be replaced.

LaRee A. Witte
LaRee came to Lincoln to attend college from a sheep farm near Louisville, Nebraska. LaRee is very busy with Block and Bridle activities along with other activities such as, Nebraska Agricultural Youth Council, Alpha Zeta, Intramural softball and a Farm House Little Sister. I believe LaRee ate, drank and breathed Block and Bridle, as she was on the Midwest Regional Champion Quadrathlon team. Served four years for her class on Liaison, Chairperson for Honors Banquet and Quadrathlon. This year LaRee was our President for the Fall Semester. LaRee will be slowing down on her activities with Block and Bridle as she is getting married in June. Good Luck and Best Wishes, no one will ever fill your shoes in our club.

CONGRATULATIONS!
BEST IS YET TO BE

As wonderful as school days are —
so full of fun and laughter —
the best and richest time you'll know
will come a few years after . . .

So close the door behind you now
as you turn away
review the dreams and plans you've made
and hold them fast today . . .

Walk, proudly as you move along
feel young, strong and free,
and let your heart repeat these words —
"The best is yet to come!"
NEW ACTIVITIES

1986 and '87 brought many changes into our club. Our club members realized we must work together to keep up our outstanding reputation. This year our club's budget was very tight. We needed to work together, brainstorm and think of new money making activities, and improve our old systems. Three new activities were introduced to our club.

OCTOBER
S M T W T F S
1 2 3 4
5 6 7 8 9 10 11
12 13 14 15 16 17 18
19 20 21 22 23 24 25
26 27 28 29 30 31

HAUNTED HOUSE
Block and Bridle sponsored a haunted house for the U.N.L. activity "Party in the Plains." Members worked together to put together a haunted house upstairs in the Union. This fun-filled activity was also a money maker.

SLAVE AUCTION
This year we changed the slave auction. Instead of buying an officer for real money we played with fake money. Before the auction, each "lot" was described and promoted by their sales manager. The day of the auction, bidders would pool their real money together and buy a packet of fake money so they can bid up their favorite lot higher. This change was great fun & profitable making $452.26.

BAKE SALE
A bake sale was a success, making a profit of $142.00 (more than the Home Economics College ever made). Each member was asked to bring 2 dozen food items. It proves that we have some Becky Homeecies in B&B. Hate when that happens.
April 26, 1986 was a very special day for those who won awards. During Honors Banquet many awards are handed out such as, outstanding initiate, sophomore, junior and senior awards. Overall scholarship awards were also handed out. Congratulations to those who were recognized for their achievements and for the chairpersons, Chuck Baum and LaRee Witte.

Introduction of the Jr. Livestock Team.

Kendra Kitte being recognized as fellow team members watch.

Leadership x Scholarship x Recognition
APRIL 26, 1986

Stop indulging, and smile for a picture.

Sherman Berg receives a plaque for being a honorary member.

Honoree speaks to the crowd.
Jack Maddux  
Block and Bridle Honoree 1986

On April 26, 1986, Jack Maddux was recognized as the Block and Bridle Honoree at the annual Awards Banquet. Jack has been recognized both statewide and nationwide for his progressive ideas and achievements within the livestock industry.

Born on May 7, 1932, Jack grew up near Wauneta where he is currently living with his wife, Carol. They raised a son, John, and two daughters, Sandra and Mary — all three children graduated from the University of Nebraska-Lincoln.

Jack received his bachelor’s degree in agriculture from Colorado State University where he studied Animal Husbandry. He returned to the ranch that his grandfather homesteaded one hundred years ago. The ranch has now expanded to 12,000 acres since Jack became general manager in 1958.

Jack’s breeding herd consists of around 1200 crossbred cows using a three-way breed rotation of Angus, Simmental, and Gelbvieh. He runs these 1200 cows in a pasture for a short period of time. Allowing the rest of the year for the grass to rejuvenate. He holds his own calves and purchases others prior to feeding them in their own 2,500 head capacity feedyard.

Mr. Maddux is a nationally recognized leader in the beef cattle industry. Through his leadership roles in the Nebraska Stockgrowers Association and his service on advisory committees to the West Central Research and Extension Center, in North Platte.

Jack Maddux is a dynamic, positive leader in the industry and is highly deserving of his recognition as the 1986 Block and Bridle Honoree.
VISIT TO THE HONOREEE
1986
Jack Maddux
"Congratulations"
STATE FAIR AWARDS

Block and Bridle once again sponsored several awards to 4-H'ers at the 1986 Nebraska State Fair.

Susan Loseke prepared awards for Beef and Dairy winners.

FALL STEAK FRY

The B&B Club began its year with the annual Fall Steak Fry. It was held September 18, 1986 inside the judging pavillion. This event introduces new students to Block and Bridle Club and lets returning students reminisce about their summer activities. Co-chairpersons Laurie Klimek and Pam Ruwe reported that 100 people were served steak sandwiches, baked beans, fruit salads, and ice tea. With the help of Dr. Roger Manidgo we had a delicious meal.

After everyone's appetite was satisfied, Animal Science Department Head, Dr. Elton Aberle welcomed prospective initiates and returning members. He introduced the Animal Science Faculty Club advisors and recognized the Animal Science Scholarship recipients. President, LaRee White introduced the new officers and Marshal, Chuck Brown welcomed the new initiates.
HOMECOMING PARADE

Good looking horse — the pickup, well . . . I guess it will do.

Pickup won't start? Get the horse out again.

Award winning float. Congrats!!!!!!!

AK-SAR-BEN

WINNERS’
CIRCLE

Dr. Elton Aberle,
Champion Faculty Showman

Laurie Klimek,
Novice Champion Beef Showman

Bob Wiseman,
Novice Champion Swine Showman

Deanna Leander,
Novice Champion Dairy Showman

Expert Champion Beef Showman
With the clatter of clippers and brushes flying, the contestants of the Little Ak-Sar-Ben Showmanship contest prepared their animals for the annual event. On Saturday afternoon October 4, 1986, students and club members, parents, friends and faculty filled the judging pavilion.

The contest is open to any University student who wants to exhibit his/her skill in showing beef, sheep, swine, dairy or horses. One week before the show each contestant is supplied, by random, an animal to train and groom. The individuals are judged on their presentation and grooming of the animal.

Little Ak-Sar-Ben is divided into two parts, "Novice" and "Expert." The "Novice" category includes those who have never shown the species. The winners in each novice advance to compete in the "Expert" division. The winner of each species category then competes in a final Round Robin where the Grand Champion and Reserve Champion Showmen are chosen.

This year's Overall Grand Champion was Lee Hircock of Ansley followed by Chris Schuetze of Firth as the Overall Reserve Champion.

Plaques, gold buckles and ribbons were donated by Ak-Sar-Ben and presented by Block and Bridle Queen, Brenda Laub. The announcer was LaRee White. Co-chairpersons for the event were Scott Kurz, Cal Dahlgren and Cindy Voss.

"Novice" division winners were: Beef — Laurie Klimek; Swine — Bob Wiseman; Sheep — Melanie Macfee; & Dairy — Deanna Leander. "Expert" division winners were: Horse — Lisa Schneider; Beef — ; Swine — Chris Schuetze; Sheep — Mike Bartenhagan; & Dairy — Lee Hircock. Judges for the 1986 contest were Sheep — Mike Snidt of Lincoln; Beef — Gorden Ganz of Lincoln; Swine — Dale Greenwood of Craig; Dairy — Threasa Konecky of Lincoln; and Horse — Kenra Kitt of Lincoln.
HORSE TOUR

Getting ready for another hard day.

1986 and still using horses for power.

Horse Power!!!

Club members gather for a picture.

On November 14, thirteen Block and Bridle members traveled to western Nebraska to visit two ranches. After eating supper at the home of Mike Henry, a member of Block and Bridle, the group drove through the Henry’s feedlot facilities.

The first ranch visited was owned by Mr. Waldo Haythorn. While there, members observed a team of horses being hitched up and the daily haying process. The second ranch visited was Meyers Land & Cattle Co., managed by Mr. Mert Phillips. He gave the members a tour of the ranchland where horses, buffalo and cattle were seen. A light lunch was prepared and served in the ranch cookhouse.
I see Jeff finally found a dance partner.

Jeff dancing with all of his friends.

It's that time of year again! What do you get when everyone loads up on a bus and travels forty miles to a bar-dance hall? A senior sendoff. Club members and friends danced and helped celebrate with seniors who only had one week left and got to graduate in December or one more short semester. At the end of the evening everyone could agree, "Fun was had by all!"
October 4, 1986 marked the date of the Block and Bridle Queen Coronation and annual Alumni Dance. Brenda Laub of Grand Island was crowned Miss Block and Bridle and Trudy Anderson of Elwood was named Block and Bridle Princess. Fall semester initiates decorated in the East Union for the ceremony. Michelle Macfee served as the Mistress of Ceremonies. The queen and princess were crowned by Michelle Sandusky and Karna Anderson, the 1985 Block and Bridle Queen and Princess.
Sitting left to right: Trudy Anderson, 21, daughter of Bill and Martha Anderson of Elwood, is a senior majoring in Animal Science/Agricultural Education. Trudy was crowned 1987 Block and Bridle Princess. She has been involved in Little Aksarben, Kids Day, Ham Sales, Horse Tours and many other activities. She is currently News Reporter for 1987 Spring semester. Other activities include serving as president in the Nebraska Junior Hereford Association, member in Rodeo Club serving as their secretary, Outreachers and the National Hereford Association.

Newly crowned Queen, Brenda Laub, 19, daughter of Ron and Eve Laub of Grand Island. Brenda is a sophomore majoring in Animal Science. She is currently the club photographer and has been involved with Kids Day, Ham Sales, Horse Tour, Beef Show and Horse Show. Brenda is also a 4-H Assistant Leader and a Little Sister for Alpha Gamma Sigma.

Susan Loseke, 19, daughter of Mr. & Mrs. Lee Loseke of Ericson, is majoring in Animal Science and Agribusiness. Susan has been very active in State Fair Awards, East Fest and Activities Mart, Quadrathlon, Livestock Judging Contest, Kids Day and Beef Show. Susan is also involved with Meats Judging Team, AgEcon/Agribusiness Club and Delta Sigma Delta.

Melanie Macfee, 20, daughter of Gerald and Katherine Macfee of McCook, is majoring in Human Development and Special Education. Melanie has been very active being Chairperson for Quadrathlon, helping with Kids Day, Ham Sales, Little Aksarben, Horse Show and Beef Show. Other activities include being a member of Rodeo Club, Student Council for Exceptional Children, Intermural Rodeo, Lincoln Parks and Recreation Swim Program.

Christa Woitzlewicz, 20, daughter of Mr. & Mrs. Irvin Woitzlewicz of Loup City, is a junior majoring in AgEcon. Chris has been very busy by being a Chairperson for Ham Sales, helping with Kids Day, attending National and Regional Meetings, Fall BBQ and Beef Show, with many more to mention. Chris is involved in Co-Rec Softball, U.P.C., Ag-Econ Club and Co-Rec Volleyball.
What would be a post-Christmas present?

Answer: An expense paid Pizza Feed. On January 22, 1987, Elanco and Norden Labs sponsored our club a pizza feed. The members socialized about their Christmas breaks and new classes. After everyone was done eating, Elanco and Norden had special speakers for us to listen to! A fun time was had by all!

THANK YOU!!
Regional meetings were held in Ames, Iowa October 11, 1986. Members attended meetings and toured the city. Members brought back many new ideas, memories and made new friends.
Ham Sales was once again the primary money making project of the year. Over 22,000 pounds of Hormel Cure 81 boneless hams were sold during November and December. Although, the profit from the Hams Sales was not as high as was expected, the club learned a valuable lesson. Our club learned we must work together for a money making project to be a success.

Top Sales People:

Brad Wichman
Chris Baum
Chuck Baum
Karna Anderson

Thank you to Chris Woitalewicz and Craig Dethlef for being the chairpersons for this event.

The club owes a debt of gratitude to Dr. Roger Mandigo for his generous assistance, help and coordination of this project. THANK YOU also to the staff at Loeffel Meat Lab, especially to the Block and Bridle’s many customers.
CHRISTMAS COFFEE

Merry Christmas and a special “Thank-you” to the Animal Science Faculty.

The annual Christmas Coffee was held December 5, 1986 in marvel Baker library. The main purpose for sponsoring a Christmas Coffee is to show appreciation for the long time support and contribution to the Animal Science faculty. The chairperson, Deanna Leander worked with Dr. Mandigo to prepare a buffet of cured Hormel-81 ham, crackers, cheese, pickles, cake, coffee and punch.
National Meetings for January 1987, were held in Denver, Colorado. Many members attended the National meetings and events. For the members who attend the meetings were granted the opportunity to be the first ones out of our club to find out that all the hard work we have done has paid off. University of Nebraska Block and Bridle Club was honored with the awards placing first in Scrap Book Competition and first place in Activities. Congratulations to those members who have devoted many hours to our club. We could not have done it without everyone’s cooperation.

Sally Hircock holding the prize winning scrapbook which took over 400 hours to prepare.
Everyone always finds a friend.  

Look at the baby chicks!

Block and Bridle gives children from Lincoln a chance to see and pet farm animals annually with an event known as "Kids Day."

Committee Co-Chairpersons, Sara Frels and Mike Bartenhagan prepared a successful and a fun-filled day. On October 17, 1986, children ranging in ages from one- to five-year-olds entered the Judging Pavillion where they were greeted by baby pigs, a horse, a steer, dogs, baby chicks, and a lamb. The kids had a great time learning about all the animals. B&B members had a great time promoting agriculture to our future leaders of America.
"Congratulations"
ABE'S AVALANCHE

1987 ANIMAL SCIENCE QUADRATHLON TEAM
1st at MIDWESTERN QUADRATHLON
LaRec Witte, Scott Kurz, Rod May, Chris Finney
The Block and Bridle Quadrathlon was held February 12 and 13, 1987. The final round of the quiz bowl was held February 19, at the regular meeting. The field of contestants consisted of 11 teams with each team participating in four events. In oral presentation event each team was allowed an hour of preparing a speech on biotechnology. During the quiz bowl event, two teams competed against each other as toss-up questions were asked. The written exam covered animal breeding, meats, nutrition, physiology, poultry, sheep, dairy, swine, beef, and horses. The lab practical consisted of ten stations, where various situations were discussed and performed. These situations were swine management problems, dairy identification, harnessing a horse and identifying a reproductive tract. The top team Abe's Avalanche consisted of LaRee Witte, Chris Finney, Rod May and Scott Kurz. This team represented Nebraska at the Midwest Regional Contest in Des Moines.
BEEF SHOW

THANK-YOU
&
OUR DEEPEST
GRATITUDE
to
AK-SAR-BEN
and
BEEF SHOW SPONSORS

Brenda Laub handing out one of the many awards.

Brenda what are you telling him?
The Annual Big Red Beef Show was held on Saturday, April 4, 1987 at Ak-Sar-Ben.
Since the number of entries were so large the club had two arenas going at the same time.
Awards were presented to the winners in market heifer, British Breed Steer, and Market steer. Breeding heifers also received awards and were judged in nine major divisions including Angus, Polled Hereford, Horned Hereford, Shorthorn Simmental, Limousin, Chianina, Gelbvieh and commercial classes. Divisions of showmanship were Senior, Intermediate and Junior Showman.
Co-Chairman of this years Big Red Beef Show were Kelli Kieborz, Kurt Borgelt and Alan Donelson.

Staff hard at work.

Karna Anderson and Brenda Lauh converse on certain queen duties.
QUARTER HORSE SHOW

CHAMPIONS

R. B. WARREN, Animal Science Staff, Horse Judging Coach
The annual Quarter Horse Show had a different turn this year. Boyd Mignery changed tradition. The 32nd annual show was moved from Lincoln State Fair Grounds to Christensen Field in Fremont. The traditional two day show was moved into one day. With all of these changes Block and Bridle had a great Horse Show.

Members worked right beside Boyd to make this event a profitable one.

Janet Kavan announcing the next class, with Boyd making sure everything is running smoothly.

"Dan, do I pull the rope now?"

Sorting out the ribbons.
MEATS CONTEST

The 1986 Block & Bridle Meats Judging Contest was held at Loeffal Meat lab. Contestants evaluated five categories of cuts: lamb, beef, pork, chucks and retail. Reasons were then given on each class. The contest was open to anyone and was characterized by a Junior and Senior Division. The Junior Division was open to individuals who had no previous meat judging experience, while the Senior Division was filled with students who had judging experiences in a collegiate meats judging contest. Ribbons were presented to the top six individuals in each division. Bob Wisemann was responsible for the preparations, organization, and tabulation. Nice job, Bob!

Yes, Susan, this is a pork carcass.

I believe Chuck is confused.

Tough class???

CHAMPION SENIOR JUDGE
Charlotte Lentfer

CHAMPION JUNIOR JUDGE
Janet Kavan
A challenging test of judging skills for all UNL students came on April 18, 1987 with the Block and Bridle sponsored Livestock Judging Contest. The contest was held at the Judging Pavilion on East Campus beginning at 6:00 p.m. Over 100 members and other students competed for ribbons and plaques in both Junior and Senior divisions, depending on their judging experiences.

TOP WINNERS

Seniors:
Cal Dahlgren
Dan Hilgenkamp

Junior:
Craig Dethlefs

No Chris, it is not 3, 1, 4, 2 it's 1, 4, 3, 2.

Mark, are those the answers?

Home of Quality Simmentals
Cψ is your assurance of quality.

★ The Canaday Simmental Ranch placed 1st and 2nd in the 1986 Nebr. Simmental Association’s Steer Carcass Futurity.
★ This is based on carcass value per day of age. All six Canaday steers graded choice.
★ Both steers were sired by Canaday Simmental Ranch Herd Sires.
★ Canaday Simmental Ranch has always stressed easy-calving cattle.
★ Simmental production sales are on the 3rd Saturday in March each year.

These hogs
HAVE TO measure up

Nebraska SPF hogs are produced in all the major breeds as well as crossbreds.

- Can you trust "eyeballing" to select replacement breeding stock for your hog herd?
  We don't think we can. So we pre-set high standards of health, performance and quality that Nebraska SPF boars and gilts HAVE TO measure up to if they are to be officially approved as Nebraska SPF breeding stock and sold as such.
  These standards include:

  - Regular inspection to assure best of health.
  - Weight-for-age stats — boars 220 pounds by 170 days of age, gilts by 185 days.
  - Boars less than 0.95 inch backfat at 220 pounds, gilts less than 1.1 inch.

  These are minimum requirements. You can get individual stats on any animal you are considering. Where else can you get guarantees like these?

THE UNIVERSITY OF NEBRASKA

BLOCK & BRIDLE CLUB

would like to say a big 

"THANK YOU"

to the 
1987 ANNUAL ADVERTISERS for their support. We salute and appreciate your help!

If anyone is interested in advertising in the 1988 B&B Annual contact any B&B member or write to:

Block & Bridle Club, Marvel Baker Hall, Univ. of Nebraska, Lincoln, Nebr. 68503
Deanna and Elizabeth's COMMENTS

I hope you have enjoyed the 1986-87 University of Nebraska and Bridle Annual. It was a great pleasure that we had the opportunity to prepare this annual for you. We hope that after glancing through the annual, it has brought you a sense of accomplishment.

The University of Nebraska Block and Bridle Club has experienced a year of meaningful and enjoyable activities in the interest of Animal Science. This annual is a reflection of our growth and development of leadership, integrity, scholarship, fellowship, cooperation and participation. Through our activities, we will grow and be better able to serve the Animal Science Industry. In our eyes this past year has not been the easiest, but we pulled together, and worked together to make this club better. The theme of our annual ‘‘Touch of Class’’ was chosen because each and everyone of us have a unique quality that makes our club special. Together we have watched the new Animal Science Complex built, with all of the staff, you and us joined within the new building is going to be special. University of Nebraska is going to be better than ever before and we started this tradition in 1986-87.

We would like to thank all members for taking part in selling advertisements and supporting us. The friendship that has been shown to us is something that we will never forget.

Deanna Leander
Historian

Elizabeth Janning
Assistant Historian
I face a new challenge . . .

As each one of us takes a new direction,
We look back on the past.
The memories and fun,
the work and success.
Friends — old and new,
We have struggled and faced many a challenge
But together we have achieved success.
For tomorrow I face a new horizon and new people,
I face a new challenge.
But I will always remember
and cherish the lasting memories that will help me face my new challenges.

Written by
Carmen Uden
We would like to salute the BLOCK AND BRIDLE CLUB, its members and advisors for a tremendous year!

For over ninety years the Geo. A. Hormel & Company has taken great pride in producing the highest quality meat products possible for the consumer.

Geo. A. Hormel & Company is co-sponsor of Nebraska’s largest hog show, the Midwest Market Hog Show, which will be held in March, 1988, at Fremont, Nebraska.

Geo. A. Hormel & Company buys hogs on a grade and yield basis to provide the hog producer a maximum return for their top quality hogs.
