Block and Bridle Annual, 1988

Another One For The History Books!

Once again a Limousin steer will be written down in the history books as a major steer show winner. As in the past, Limousin steers continue to prove themselves both in the show ring and on the rail. They are efficient producers of lean, red meat, as well as eye appealing and successful in the show ring.

So whether you're searching for a show steer or simply more efficient feedlot cattle that are genetically lean it's time to turn to Limousin. Using registered Limousin bulls with documented performance and predictability will put any cattleman in the forefront of the lean beef movement with great feedlot cattle and superior replacement females. Remember Limousin is the one to "lean on".

EMBLEM

The Block & Bridle Emblem is significant to club members. It represents the principles on which this club is built. Character, sincerity, and a moral life are asked of members when they join and are depicted in the straight perpendicular of the "B". The distinct curves of the "B" are symbolic of the social pleasure, mental energy and determination of members.

The meat block represents the material aspects of our life. The bridle stands for the behavior of Block and Bridle members, the control over ourselves that we try to maintain, the mannerisms and respect we show toward others, and the way which we treat animals.

PURPOSE

On December 2, 1919, student representatives from four animal husbandry clubs met in Chicago, Illinois, and formed the National Block and Bridle Club, the local clubs becoming chapters in the new national organization. Nebraska was a charter chapter along with Iowa, Kansas, and Missouri. During this meeting the chapters formed a constitution which included a statement of the club's objectives. They are (1) To promote a higher scholastic standard among students of Animal Husbandry, (2) To promote animal husbandry, especially all phases, of student animal husbandry work in colleges and universities, (3) To bring about a closer relationship among the men and women pursuing some phase of animal husbandry as a profession.

The Nebraska Chapter of Block and Bridle Club has experienced a year of meaningful and enjoyable activities in the interest of Animal Science. This Annual is a reflection of our growing in the developing of leadership, integrity, scholarship, fellowship, cooperation, and participation. Through these activities we will grow and be better able to serve the Animal Science Industry.

Membership in the Block and Bridle Club is open to any student of agriculture, on the college level, who has a sincere interest in Animal Science.
Welcome to the University of Nebraska Block & Bridle Club. We hope you will enjoy this year's activities as you thumb through our annual.

Serving as president for one of the largest and most active clubs on campus has been an honor and a privilege. Getting to know and work with each member has been a truly rewarding experience. We hope each of you have developed ties that will last a lifetime as we have.

The Block & Bridle Club has enjoyed another exciting and successful year. As we look back on the past four years, it brings us much satisfaction to see the success the club has achieved. The club has strengthened its position and become a leader on the regional and national level. The club serves a vital role at the University and in the future of the livestock industry. This role has been fulfilled with the hard work put forth by each member.

We would like to thank every officer, committee chairman, and most importantly every member for the dedication, commitment and time they have contributed to the club. A special thanks goes to our advisors for their words of wisdom and special efforts. Also we're very appreciative of the support we have received from the Animal Science staff, industry leaders and all of the activity sponsors.

We encourage you to continue to work together as a team, to build upon the club's strong foundation and to utilize the advice from your advisors and agricultural leaders. Above all, keep pride in yourself and the activities of the club.

Best of luck to the club in its activities and endeavors in the years to come.

Sincerely,

Sally Hircock

The purpose of the committee is to meet as a group to freely discuss ideas, activities, problems and questions which come up between students and the department. Throughout the year 7 a.m. monthly meetings produced many interesting ideas and suggestions, despite the early hour. The Club’s executive committee selected two members to represent each class. Dr. Elton Aberle (Department Head), Dr. Dennis Brink (Senior Advisor), the class representatives and the club’s president make up the committee.
1988
BLOCK & BRIDLE SENIORS

KARNA ANDERSON
Karna, our most successful Ham Sales person, comes to the club from Blair, Nebraska. She is an Animal Science major with Communications and Production options. Karna has been in the top three for Ham Sales for 3 years in a row! Thanks for your great support of our club's financial standings. She also served us well as our 1986 Princess and was active in the Beef Show, Little Ak-Sar-Ben and the Quadrathlon (chairman). In addition to all this, Karna is a Farmhouse Little Sister, a University Singer, FFA Alumni Secretary, and Ag Partner and a member of the Livestock Judging Team. Super! and best of luck in all you do.

TRUDY ANDERSON
Trudy has been a long-time member of the club and comes from Elwood, Nebraska. She is an Animal Science/Ag Education major. She is involved in Liaison Committee, QHI Show, Beef Show, Christmas Coffee, and Spring Picnic. She has held the offices of Secretary and News Reporter and also worked at the Farm Aid stand. Her other college activities include Livestock and Horse Judging Teams, Rodeo Club Secretary, and UNL 4-H Club Outreachers. Thanks for all your dedicated time!

MIKE BREDEMEIER
Mike is a Stella, Nebraska native and is majoring in Animal Science. He has been very active in the MAEC Contest, the Livestock and Meats Judging Contests, the Beef Show and Ham Sales. He participated in the Spring Picnic, Steak Fry, Weston Dance, Kid’s Day and the Pizza Feed. Mike has participated in intramural sports and was a member of the Junior Livestock Judging Team in the Fall and Spring of his third year at UNL. Best of luck in all you do Mike!
LANE CHRISTENSON
A Clay Center, Nebraska native, Lane is an Animal Science major with a Science option. He has served as chairman of the Finance Committee, Liaison member and was active in Ham Sales, Beef Show and Spring Picnic. Lane is also active in other UNL activities as he is a member of Alpha Gamma Sigma, Alpha Zeta, Mortar Board, Junior and Senior Meats Judging Teams, and Embryology Teaching Assistant and Outstanding Sophomore and Junior Animal Science Scholar. Congratulations on your success at UNL!

SCOTT FREIBERG
Scott is an Animal Science major from Bancroft, Nebraska and has served as Little Ak-Sar-Ben chairman and QH co-chairman. He has also been involved with many club activities such as Honoree Visits, Horse Tours, Beef Show, Spring Picnic and Ham Sales. While at UNL, Scott was a member of the Junior Meats Judging Team, the Horse Judging Team and the UNL Corncobs as Harry Husker. Thanks for all the spirit and enthusiasm you bring to our organization.

HARALD HESSELTINE
Harald hails to us from Hershey as an Animal Science major with a strong interest in horses. He served as QH Show chairman, Horse Tour chairman and received the Outstanding Sophomore Award in 1986. He also participated in Kid's Day, Beef Show, Little Ak-Sar-Ben and the Meats Contest. Harald was a member of the Horse Judging Team, the AGS Fraternity, the Pre-vet Club and the UN Rodeo Association. Happy trails to you Harald!

DAN HILGENKAMP
Dan came to us from Ames, Nebraska and majored in Animal Science with a Business option. He has served many leadership roles in the club including President, Assistant Marshal and Animal Science Liaison member. Dan participated in many club activities including Quadrathlon, Livestock and Meats Contests, QH and Beef Shows and was MAEC and Hats/Clothes chairman. While at UNL, Dan was a member of the Junior and Senior Meats and Livestock Judging Teams and the Rodeo Club. Thanks also for calling our Slave Auctions, you did a fine job!
SALLY HIRCOCK

Sally hailed from Ansley and is an Animal Science major with a Production option. She served as President, Secretary, Historian, and chairman of Queen Coronation, Bake Sale, and QH Show. Sally helped with Activities Mart, Kid's Day, Ham Sales, Meats Contest, Spring Picnic, Pizza Feed, Slave Auction, and the Annual. She also attended Regional and National Meetings and the Animal Science Reunion. On campus, she is involved in several honoraries, Burr Hall government, UNL 4-H, Dean's List, and Alpha Zeta Treasurer. Sally earned the Heart and Soul Award from ASUN and has utilized it in our club.

ROBERT JONES

Robert Jones, better known as Husker Bob, came to UNL from the Sandhills town of Stapleton. He is an Animal Science major and plans to return to a large family ranching operation. Husker served the club as Program chairman and QH Show co-chairman. In addition, he participated in the Beef Show, Pizza Feed, Spring Picnic, Livestock and Meats Judging Contests, Weston Dance and Steak Fry. Robert is active in UNL Men's Choir, Junior and Senior Meats and Livestock Judging Teams and the Horse Judging Team. He is an active house member of Alpha Gamma Rho Fraternity as well. The big town of Lincoln will miss this Sandhills cowboy when he returns to Stapleton. Good luck Husker!

KELLI KIEBORZ

If ever attending a B&B event, you have surely seen Kelli Kieborz putting in her share of work and enthusiasm. She has served as the Beef Show and Ham Sales chairman, Historian, and is just finishing her term as Vice President. She has worked with the Spring Picnic, Honoree Tour, Steak Fry, Christmas Coffee, MAEC, QH Show and Kid's Day. She has attended Regional Meetings three times and also Nationals. Kelli was a member of the winning Quadrathlon team. Her other activities include Ag Men Little Sister, Alpha Zeta, Intramural sports, Meats and Livestock Judging Teams. Kelli, you always come up with a good idea in times of desperation!

LAURIE KLIMEK

Laurie Klimek is a Loup City native with a Horticulture major and an option in Ornamentals. She joined the club as a sophomore and has been very active these past years. She was instrumental in getting donors for the Big Red Beef Show and was chairman for the Barbecue. In addition, Laurie served on the Kid's Day, Little Ak-Sar-Ben and Queen Coronation committees and participated in the Livestock Judging Contest, and the Quadrathlon. Laurie is also an active member in the UNL Horticulture Club. Even though she's not an Animal Science major, Laurie has made many contributions to the club and we thank her. May your horticultural thumb be ever green!
MONTY LARSON

Monty is an Animal Science major from the small town of Butte, near the South Dakota border. He has participated in many club activities including the Beef Show, QH Show, Christmas Coffee, Spring Picnic, Livestock and Meats Judging Contests and Quadrathlon. While at UNL, Monty was a member of Alpha Gamma Sigma Fraternity and the UNL Junior and Senior Livestock Judging Teams. He is also a member of the Barn Crew. Monty, your humor and enthusiasm are such an asset to our club. Thanks!

CRAIG PETERSON

Even though he is an Iowa native, Craig Peterson has been an outstanding feature to our club. Craig has served as Treasurer for the Fall and Spring term of 87-88 and has reorganized our books to be back in the black. He has been an active member participating in Quadrathlon, Livestock Judging Contest, Horse Tour, and National Meetings in Houston. He has also helped at both the Beef and QH Shows, MAEC, and been the Livestock Judging Committee chairman. Craig has learned many things while attending school in Nebraska, including how to be a true Husker fan!

CHRISTOPHER SCHUETZE

Chris has guided our club through some troubled times this past semester as President. He is an Animal Science major with minors in Chemistry and Biology from Firth, Nebraska. Chris has been active in Liaison Committee, Quadrathlon, Beef Show, Pizza Feed, Ham Sales, Regional and National Meetings. He is a member of AGS Fraternity, Pre-Vet Club, Alpha Zeta, UNL Ambassadors, and Ag Advisory Board President. Keep at it Chris, your hard work will pay off.

CHRISTA WOITALEWICZ

From the Pollock Capitol of Nebraska comes Chris Wad, an Ag Economics major. Chris has been a very active member in our club, sporting such activities as Secretary, Assistant Historian, and Ham Sales chairman. She was also involved in QH Show, Kid's Day, Christmas Coffee, Spring Picnic, Honors Banquet, Liaison, Regional and National Meetings. Chris also enjoys playing intramural volleyball and softball. Best of Luck with all you do in your future!
Queen Brenda Laub presents the Champion Beef Carcass Award to Pierce County 4-Her Sandi Kollars.

Each year the UNL Block & Bridle Club presents numerous awards to 4-H and FFA winners at the Nebraska State Fair. These awards include Dairy Butterfat awards, Beef Carcass trophies and an award for the Outstanding FFA Agricultural Exhibit. This year, our awards were presented by the 1987 Queen Brenda Laub of Grand Island and Princess Karna Anderson of Blair.
FARM AID III was held at Memorial Stadium in September and the UNL Block & Bridle Club got a taste of life backstage as they volunteered to assist the members of the Tyson Chicken Kitchen prepare and serve food to the stars and the stage crew. It was a fast-paced, fun time and a new fund raising adventure for the club, which received over $3,700 from Tyson for their long, hard hours “behind the scenes.” It was a once-in-a-lifetime chance to tell our grandkids we saw Willie Nelson or John Cougar Mellencamp backstage as our beloved football field was transformed into an arena full of screaming concert fans. It was a great experience and a chance of a lifetime.

Alan and Bart pass out complimentary awards to club members from Tyson.

Peggy Meents was chairman for the annual Kid's Day festivities that were held in the Judging Pavilion arena. Kindergarten and first grade students from Lincoln and surrounding areas spent the morning playing with farm animals of all kinds – from the baby chicks to the 1200 pound market steers. It is hard to say who had more fun – the kids or the club members!
Scott Custard was the committee chairman for the 1987 Meats Judging Contest with a great many participants. The contest was held in the fall and the club would like to thank the staff of the Meat Lab and especially Dr. Roger Mandigo for helping coordinate the contest.

Winners were:

**SENIOR DIVISION:**
1st – Janet Kavan (tie)
2nd – Alan Donelson (tie)
3rd – Kevin Borgelt
4th – Todd Schroeder
5th – Mike Bartenhagen
6th – Scott Custard

**JUNIOR DIVISION:**
1st – Craig Dethlefs
2nd – Annette Rieken
3rd – Dan Groskurth
4th – Sally Hircock
5th – Kevin Wagner
6th – Chris Schuetze
Vonda Reiners organized the Christmas Coffee and presented the “best ever” to the faculty of the Animal Science Department. The tables were lavishly decorated with Christmas flowers and filled to overflowing with cheese, crackers, Hormel Cure 81 ham and Christmas punch.
The annual Meat Animal Evaluation Contest was held in Omaha at the Stockyards and AK-SAR-BEN Field. Dan Hilgenkamp rolled his crew out of bed at 4:45 in the morning to report on time to this national collegiate judging contest. His able-bodied but not-so-willing crew included Karen Cull, Kelli Kleborz, Mike Bredemier and Todd Schroeder. Although the day got long, they managed to enjoy themselves while stirring the classes for the contest.

Dan Hilgenkamp, chairman of MAEC
This year Regional meetings were held in Manhattan, Kansas on February 13, 1988. Kelli Kiehorz, Chris Schuetze, Cindy Cahill, and Karen Cull attended meetings, toured the city, and took part in social gatherings. The members brought back many new ideas, memories, and made new friends.
One again, the Block & Bridle Club sold Hormel Cure 81 hams as a fundraiser. Chairmen for the event were Todd Schroeder, Janet Kavan and Mike Janing.

Karna Anderson and Chris Woitalewicz topped the ham sales competition. A special thank you goes to Dr. Roger Mandigo for all of his sales and assistance.
The 1988 University of Nebraska Animal Science Academic Quadrathlon was held in February and was organized by the chairman Karna Anderson. Karna worked with many of the faculty members to develop the four-part quadrathlon. It consisted of a written exam, covering all species of livestock, feed rations, physiology and meats, an oral presentation by each team of four members, a 12 station laboratory practical and the quiz bowl competition. There were 12 teams in the contest this year and the winning team, the Serum Suckers, represented Nebraska at the Midwestern Regional Quadrathlon in Des Moines, Iowa. We would like to thank Karna and all of the faculty members for their time and effort in putting together one of the largest quadrathlon contests in the Midwest Region! Congratulations!
Are you sure this is just like the real thing?

Yes, Trudy, this is a chicken.

DR. DENNIS BRINK AND FAMILY
QUEEN CORONATION

Patty Jo Miller
Patty Jo, or P.J. as she is better known, hails to the club from Ord and is a junior education major.

Annette Rieken
Annette is a sophomore Animal Science major and is from a farm near Tekamah where she is actively involved in sheep production.

Polla Ita
Polla is a Food Science and Technology major from Bartlett and is currently completing her junior year at UNL.

The Royal Court
Polla Ita, 1st princess, with escort John Hallman, P.J. Miller, 2nd princess, with Dan Hilgenkamp as her escort and the 1988 Block and Bridle Queen Annette Rieken, who is escorted by Craig Peterson. Narrating the coronation is chairman Sara Frels.
The 1987-88 Block and Bridle Queen and Princesses were crowned in the Spring semester by the past years royalty, Queen Brenda Laub and Princess Trudy Anderson. Annette Rieken was selected to represent the club as our queen and her royal court of princesses included Polla Ita and Patty Jo Miller. The queen coronation committee was headed by Sara Frels of Hershey and we would like to thank her for her time and effort in making our queen selection a success. Thanks also to the men of the club who served as escorts for our lovely candidates.

Chairman Craig Dethlefs is excited about the '88 show, Karen and Bump-who knows?

The Block and Bridle Club teamed up with AK-SAR-BEN to put on the most successful Big Red Progress Beef Show ever. The show was held March 6th at AK-SAR-BEN Field and chairmen of the event were Craig Dethlefs, Kevin Borgelt and Deanna Leander. The club worked closely with Advisor Doyle Wolverton and Sherman Berg of AK-SAR-BEN. Todd Vogel of Lake Park Iowa was the judge for the show which included breeding heifers and both market steers and heifers.
BEEF SHOW

The show was a big success with over 300 entries.

Initiates Terri and Sheila sell ads for the annual.
Elanco representative George Green worked with club President Chris Schuetze to organize the 1988 Block and Bridle Pizza Feed. The company sponsors the pizza feed and also provides a motivational speech to the club members. In addition to the presentation by Mr. Green, Gary Kubik also spoke to the group about Building Your Resume. The club wholeheartedly appreciates all the Valentinos pizza and the support from Elanco.
UoN BLOCK & BRIDLE ANNUAL, 1987-88
The 1988 Block & Bridle Quarterhorse Show was held Sunday April 10th at Christenson Field in Fremont, Nebraska. Boyd Mignery was the show manager. Robert Jones served as Ringman and co-chairman and Sally Hircock was the show secretary. There were a total of 32 classes for youth, amateurs and adults with cash paybacks on each class. Thanks to a long, hard days work by the club members, the show was once again a success!

Open or Closed?
The 1988 Block & Bridle Livestock Judging Contest was held Thursday, April 14th in the new arena. Melanie Macfee was chairman of the contest which also served as the judging final for the Animal Science 101 class. Ribbons and plaques were awarded to the top teams and individuals in both junior and senior divisions.
BAKE SALE

For the second year, the UNL Block & Bridle Club sponsored a bake sale in the Nebraska East Union. This year the sale was organized by the spring initiate class. It was held during the Nebraska State FFA Convention in order to interest some high school seniors in the activities of the Block & Bridle Club. Many club members brought favorite recipes of baked goods including cookies, cupcakes, kolaches and rice krispie balls. The sale was successful and the remaining goodies were enjoyed at the Spring Picnic.

“A Service For Horsemen by Horsemen”
Here’s a plan for healthy livestock

It’s this simple. This year consult regularly with your veterinarian.

When it comes to the prevention, diagnosis and treatment of animal diseases, your veterinarian is the trained professional. Call your veterinarian early at the first sign of possible sickness to keep disease from establishing a foothold in your herd or flock.

Your veterinarian is ready to consult with you at your earliest opportunity to help keep your livestock—and pets, too—healthy and productive.
The Other White Meat.

In 1987 the National Pork Producers Council dared to try the controversial "Other White Meat" Campaign.

THE SUCCESS HAS BEEN OVERWHELMING!

The Nebraska Pork Producers Association challenges Block & Bridle young leaders to dare to change "the way things are" if change is needed. Agriculture needs strong leaders now.

DARE TO BE LEADERS!

We would like to salute the BLOCK & BRIDLE CLUB, its members and advisors for a tremendous year!

For over ninety years the Geo. A. Hormel & Company has taken great pride in producing the highest quality meat products possible for the consumer.

Geo. A. Hormel & Company is co-sponsor of Nebraska's largest hog show, the Midwest Market Hog Show, which will be held March 12, 1988 at Fremont, Nebraska.

Geo. A. Hormel & Company buys hogs on a grade and yield basis to provide the hog producer a maximum return for their top quality hogs.

Lean beef is what the consumer wants and the packer demands. Limousin cross carcasses are genetically leaner, and will out-yield any others. Limousin beef earns the packer’s premium and the consumer’s approval. You need to capitalize on that.

For your Limousin seedstock needs, give us a call. We have high performing, good dispositioned cattle to meet your needs.

WORDS FROM KAREN & P.J.

Welcome to the pages of the 1987-88 Block and Bridle Annual. We bring you this annual with great pride and in hopes that it will serve as a special reminder of the many exciting events that have taken place throughout the year. We hope the highlights included in this publication will encourage new members and initiates to take on an active role in the club and experience the many opportunities that Block and Bridle has to offer.

We would like to thank the many members and initiates who made a special effort to sell ads and help complete this annual. We would also like to give a special thanks to the ad buyers who support and have confidence in our club. Without you, this annual would not be possible.

As editors of this annual, we would like to extend an extra special “thank you” to all the people that are forgotten: the secretaries, that put up with all the activity in our office and the constant help with the “little things” that get us by. The advisors, that keep things “under control” even when the rest of us are not. Now, all that is left to do is look at our 1987-88 Block and Bridle annual and enjoy!

Nebraska SPF...providing superior swine breeding stock.

Including performance-tested terminal-gilt programs.

For swine production profitability in the 90s, it is especially important now that replacement breeding stock comes from herds meeting mandatory selection requirements. And this includes, of course, the careful selection of specific cross terminal-gilts. To that end, the Nebraska SPF Swine Accrediting Agency is strongly dedicated through high-tech research, that is continuously applied. Nebraska SPF also provides assistance in programs enabling producers in the selection of their own replacement gilts after original parent stock has been supplied.

Look to Nebraska SPF for complete breeding stock: PRO-LINES breeding stock in all major breeds; PURE PRO...specific breed lines, thoroughly proven for performance; PRO-MASTER boars...specific hybrids developed for highly profitable utilization in any swine operation; PRO-ELITE gilts...for maximum litter production and top levels in health.

Nebraska SPF, now operating worldwide, is quite possibly the finest swine disease-control system in existence today. For complete information, including current lists of stock for sale, and a free brochure giving performance records, just write or phone. Address and phone number shown below.

We Salute and Congratulations ALL
