Group Resume

[COMPLETE ONE PER TABLE]

Resumes typically describe an individual's accomplishments. Since each of you has an incredible array of talents and experiences, create a single group resume to allow you to become acquainted with your fellow project participants.

Estimate the total number of students your group has taught over the years? How many students will your group be teaching this fall? What is the total number of years that you group has been employed at UNL? In how many different languages can your group teach subject in? What languages? What is the worst job anyone in your group has ever had? What is the total number of classes your group will be teaching this coming fall semester? How many states has your group lived in? How many countries?	[1]	How many years of teaching experience does you group have?
 [4] In how many different languages can your group teach subject in? What languages? [5] What is the worst job anyone in your group has ever had? [6] What is the total number of classes your group will be teaching this coming fall semester? [7] How many states has your group lived in? How many countries? 	[2]
