CHRIS VOTAW VINTON
January 8, 1952 — June 8, 1988

Christine Sue Votaw participated wholeheartedly in Block and Bridle Club during her four years at UNL. Some of her college activities included:

Block and Bridle Junior Scholarship winner. Chris represented UNL B & B Club at the National Block and Bridle Meeting where she won 4th place in the National Junior Scholarship Awards Competition.

Chris was on the Block and Bridle annual staff three years being annual editor twice. She sold hams for three years and was high ham salesman twice, selling $6,500 worth of hams her junior year.

She participated in many Block and Bridle contests such as the Meats Judging Contest, Livestock Judging Contest, and Little Ak-Sar-Ben. Chris also worked on many other B & B activities such as the Quarter Horse Show, Appaloosa Horse Show, Honors Banquet, Fall Steak Fry and Steer Show.

Chris was a member of the University of Nebraska Junior and Senior Meats Judging Teams and the Junior and Senior Livestock Judging Teams. During her sophomore year, Chris was recognized for high scholarship by the American Society of Animal Science.

Some of Chris's other honors include membership in honoraries of Alpha Zeta, Alpha Lambda Delta, Theta Sigma Phi and Gamma Sigma Delta. She was a member of Alpha Chi Omega sorority where she was selected outstanding pledge her freshman year and was Social Chairman her junior year.

Chris was Nebraska Angus Queen and Nebraska Ak-Sar-Ben 4-H Queen. She was first runner-up for National Angus Queen. Chris served as president of Nebraska Junior Stock Grower's Association and Nebraska Junior Angus Association. Upon graduation from UNL, Chris was awarded a Rotary Fellowship to do graduate studies at the University of Reading, Reading, England. She thoroughly enjoyed her year abroad and during that period toured many countries including the U.S.S.R.

105 Years of Family Ranching
Welcome to the 1988-89 UNL Block & Bridle Annual

PURPOSE

On December 2, 1919, student representatives from four animal husbandry clubs met in Chicago, Illinois, and formed the National Block and Bridle Club, the local clubs becoming chapters in the new national organization. Nebraska was a charter chapter along with Iowa, Kansas, and Missouri. During this meeting the chapters formed a constitution which included a statement of the club's objectives. They are (1) To promote a higher scholastic standard among students of Animal Husbandry, (2) To promote animal husbandry, especially all phases, of student animal husbandry work in colleges and universities, (3) To bring about a closer relationship among the men and women pursuing some phase of animal husbandry as a profession.

The Nebraska Chapter of Block and Bridle Club has experienced a year of meaningful and enjoyable activities in the interest of Animal Science. This Annual is a reflection of our growing in the development of leadership, integrity, scholarship, fellowship, cooperation, and participation. Through these activities we will grow and be better able to serve the Animal Science Industry.

Membership in the Block and Bridle Club is open to any student of agriculture, on the college level, who has a sincere interest in Animal Science.

EMBLEM

The Block and Bridle Emblem is significant to club members. It represents the principles on which this club is built. Character, sincerity, and a moral life are asked of members when they join and are depicted in the straight perpendicular of the “B”. The distinct curves of the “B” are symbolic of the social pleasure, mental energy and determination of members.

The meat block represents the material aspects of our life. The bridle stands for the behavior of Block and Bridle members, the control over ourselves that we try to maintain, the mannerisms and respect we show toward others, and the way which we treat animals.

Block & Bridle Club
University of Nebraska
Lincoln, NE

Dear Block & Bridle Club Members:

On behalf of the Animal Science Department, congratulations for a successful year of activities and contributions to Animal Science at the University of Nebraska-Lincoln. Your Annual summarizes your activities and achievements for the past year. Each member has had a part in this record. I hope each of you can recognize with pride your contributions to the continued fine record of the club.

The National Block & Bridle Club has several objectives including to promote scholarship among Animal Science students, to advance Animal Science as a field of study and to foster closer relationships among animal scientists. Your activities address these objectives, for example, sponsorship of the Academic Quadrathlon, conduct of Kids' Day, organization and sponsorship of the Little Ak-Sar-Ben, the Big Red Beef Show and the Horse Show and the provision of informative programs at regular meetings. This club, as do most student organizations, gives young people the opportunity to practice and demonstrate their leadership abilities. Your officers deserve special recognition for their efforts this year. Special note should be given to the continuing sound financial management of the club. Lastly, I hope each of you will join me in extending sincere thanks to your advisors for their interest and dedication.

The University of Nebraska Animal Science Department is proud to recognize the Block & Bridle Club as part of our Animal Science program. We congratulate you for your accomplishments, thank you for your contributions and wish you the very best success in your future work and careers.

Sincerely,

Elon D. Aberle
Department Head

University of Nebraska at Omaha
University of Nebraska Medical Center
As Presidents of the University of Nebraska Block and Bridle Club, we wish to take this opportunity to thank those many individuals that have made this a very successful and enjoyable year. We deeply appreciate those many agricultural leaders, faculty members, and advisors who have guided and encouraged us throughout the year. To successfully function as a club, we require the assistance of many outside individuals. Without their assistance and financial support we would not be successful.

The continued success of the organization depends on the enthusiasm of its members. We wish to thank and congratulate each active member for their dedication to the club, as well as their continued pride in every activity.

We reflect back on the past years with a great deal of satisfaction. The new friends made, challenges encountered, goals accomplished and the enjoyable time by all will last a lifetime. Most of all, we wish the best of luck to the club to continue the success in the years to come.

John Hallman

U of N BLOCK & BRIDLE ANNUAL, 1988-89
Seniors of 1989

Kevin Wagner

Kevin comes to us from Winnetoon, Nebraska and is majoring in Animal Science/Ag Economics. He was the Beef Show Chairman in 1989. Kevin has been involved in Livestock and Meats contests, Quadrathlon, Spring Picnic, Steak Fry, Weston Dance, Pizza Feed, Christmas Coffee, and Little Ak-Sar-Ben. Kevin was a member of the Junior and Senior Livestock Judging Teams. Other college activities include UNL FFA Alumni treasurer, Alpha Zeta, and the Ag Economics/Agribusiness Club.

Congratulations On Your Success, Kevin!

Craig Dethlefs

Craig has guided Block and Bridle through another successful semester as President. Coming to us from Ravenna, Nebraska, he is an Animal Science/Pre-Vet major. Craig has worked with the Quarter Horse Show, Livestock Contest, Kid's Day, and Spring Picnic. Along with the office of President he has also held Vice-President and Beef Show Chairman. He was awarded Junior Activities Award in 1988. Other college activities include member of Alpha Gamma Sigma Fraternity, Alpha Zeta Honorary Fraternity, Pre-Vet Club, Junior and Senior Livestock Judging Teams, and barn crew. Craig plans to attend veterinary school at Kansas State this next fall.

Good Luck, Doc!!
Cindy Cahill

Cindy comes to us from Omaha, Nebraska. She is an Animal Science/Pre-Vet major with a Production Option. Since joining the club as a junior she has been involved in many activities such as Kid's Day, Beef Show, Quarter Horse Show, Spring Picnic, Meats Contest, Ham Sales, Pizza Feed, Honoree Tour, and Regional Meetings. Cindy was the Christmas Coffee Chairman and is just finishing up her term as Assistant Historian for the Annual this year. She is also a member of the Pre-Vet Club where she holds the office of President.

Best Of Luck, Cindy!!

Mike Henry

Mike hails from North Platte, Nebraska, and is majoring in Ag Economics. He has been involved in many activities such as the Beef Show, Little Ak-Sar-Ben, Horse Tour, and Liaison Committee. He held the office of Marshal for the fall '88 initiate class of Block and Bridle. Other college activities include member of Alpha Sigma Fraternity and the Ag Economics/Agribusiness Club. Upon graduation Mike plans to return home to a large feedlot and trucking operation.

Best of Luck, Mike!!

Ryan Schultis

Ryan is a Fairbury, Nebraska native and is majoring in Animal Science with a Business Option. He was involved with the Quarter Horse Show, Big Red Beef Show, Ham Sales, Meats Contest, Pizza Feed, Barbeque, Weston Dance and Queen Cororation. He served as the club Program Chairman for this year. Ryan is also a member of Beta Sigma Psi Fraternity, Rodeo Club, and the Horse Judging Team. He will be in the Feedlot Management Specialization this next fall semester.

Good Luck, Ryan!!
State Fair Awards

Michelle Larsen won the Champion trophy for the Beef Carcass Contest. Our B & B Queen, Annette Rieken, is presenting the trophy to Michelle Larsen.

A trophy was presented to Rick Schultz who won the Swine Carcass Contest.

Each year the UNL Block and Bridle Club presents awards to the outstanding Agricultural Exhibit. The winner was the Waverly Chapter.

Page sponsored by Adamson Simmental Ranch, Dunning, Nebraska
Block and Bridle once again gave children from Lincoln the chance to see and pet farm animals at the annual event known as "Kid's Day."

Laurie Klimek, Committee Chairperson, prepared a successful, fun-filled day. On October 7, 1988, children ranging from one to five years old were greeted by baby pigs, a horse, a steer, dogs, baby chicks, and a lamb in the new Animal Science arena. Block and Bridle members had a great time promoting agriculture to our future leaders of America.
Little Ak-Sar-Ben

On Friday night, October 14, 1988 the new Animal Science arena, for the first time, was filled with the clatter of clippers and brushes flying as contestants prepared their animals for the annual Little Ak-Sar-Ben Showmanship Contest.

The contest is open to any University student who wants to exhibit his/her skill in showing beef, swine, dairy, or horses. One week before the show each contestant is supplied, by random, an animal to train and groom. The individuals are judged on their presentation and grooming of the animal.

Little Ak-Sar-Ben is divided into two parts, “Novice” and “Expert”. The “Novice” category includes those who have never shown the species. The winners in each “Novice” advance to compete in the “Expert” division. The winner of each species category then competes in a final Round Robin where the Grand Champion and Reserve Champion Showmen are chosen.

This year’s Overall Grand Champion was Page Peterson, followed by Kurt Loseke as Overall Reserve Champion.

Plaques, gold buckles, and ribbons were donated by Ak-Sar-Ben. Chairperson for the event was Monty Larsen.

“Novice” division winners were: Beef — Brian Knust; Horse — Terri Hellerich; Dairy — Lisa Schneider; Sheep — Mike Henry; Swine — Karen Cull.

“Expert” division winners were: Beef — Page Peterson; Horse — Robyn Lane; Dairy — Mike Bartenhagen; Sheep — Kurt Loseke; Swine — Cory Bergt.

Queen Coronation

The 1988-89 Block and Bridle Queen Coronation was held in October, 1988. Lisa Schneider was crowned the 1989 Block and Bridle Queen, and Lori Overy was selected as Princess. The coronation was held at the Airport Holiday Inn, following Little Ak-Sar-Ben. A special thanks goes to the Queen Coronation Committee; Polla Ita, Lori Althouse, and Mark Johnson.

Ruhter, you can't run for Queen!

Open your eyes, Lisa — it's over.

Page sponsored by First National Bank, Wisner, Nebraska.
National Block and Bridle Meetings

And they're off! to the 1988 National Block and Bridle Meetings in Louisville, Kentucky, held November 10-13. Karen Cull, Lisa Schneider, and Nancy Rathje joined by past member Kelli Kieborz attended tours and meetings with other members from all over the country. Highlights included Ancient Age Distillery, Gainsway Thoroughbred Farm, Keeneland Track, Races at Churchill Downs, the North American International Livestock Exposition and Rodeo, and of course, group social gatherings.

It was an outstanding experience and a great way to meet new people and get new ideas!

Block and Bridle Regional Meeting

Regional Meetings were hosted by the University of Missouri at Columbia, held February 24-25. Schools in attendance included Fort Hays State, Iowa State University, North Dakota State University, Kansas State University, University of Arkansas, University of Illinois, Southwest Missouri State University, South Dakota State University, and University of Nebraska. UNL was represented by Craig Dethlefs, Teresa Downey, Brian Knust, Cris Evans, Todd Ruhter, Karen Cull, and Dr. Ed Clemens. A tour of the University's Agriculture Department and Animal Science Complex was given followed by the Regional Business Meeting. Nebraska largely participated in all activities and Karen Cull was elected Regional Secretary/Treasurer.

A dance was held in the evening for members to get to know each other. New friendships were made and great quantities of fun was had.

Page sponsored by Doyle Wolverton, Lincoln, Nebraska
The Annual Christmas Coffee was presented to the faculty by Cindy Cahill on December 16, 1988.
Pizza Feed

On January 19, 1989 the Block and Bridle Pizza Feed was held. This pizza feed is held every year and it is sponsored by Elanco and representative George Green. This year our speaker was Glenn Popert who is a Feedlot Safety Coordinator for Nebraska Cattlemen. He spoke to us on a new program they're developing concerning safety in the feedlot. The club greatly appreciates all the Valentino's pizza and the support from Elanco.

The annual Beef Show was held March 5th, 1989 with 200 entries. The day was very cold but there was a good attendance and a lot of participation.
The 34th Annual Block and Bridle Quarter Horse Show was held Sunday, April 9th, 1989.
This year the show was moved back to the Lincoln State Fair Grounds. A total of 58 classes were offered to youths, amateurs, and adults. Lisa Simonson, Show Manager, and other Block and Bridle members managed to pull off another great show.

"What do I do next?!"
Meats Judging Contest

On November 1st, 1988 the Block and Bridle Club had the annual Meats Contest. About 50 members competed in the contest. The club would like to thank the staff of the Meat Lab and especially Dr. Roger Mandigo for helping coordinate the contest.

Ak-Sar-Ben Meat Animal Evaluation

The Nebraska Block and Bridle Club provides animal handling help for the Ak-Sar-Ben Meat Animal Evaluation Contest. Club members move animals for the contestants during the live animal portion of the Market Evaluation and Breeding Animal Contest. Usually 20 plus teams compete in this world series of Meat Animal Evaluation Contest. Jason Kuhlman served as Committee Chairman and was assisted by Lisa Schneider, Karen Cull and Teresa Downey.

Livestock Judging Contest

The 1989 Block and Bridle Livestock Judging Contest was held Thursday, April 20th in the new arena. Brian Krabel and Todd Ballentine were Committee Chairmen of the contest which also serves as the judging final for Animal Science 101 class. Plaques were presented to the high individuals in the Junior and Senior Division with ribbons presented to the top ten individuals in each Division. The top five contestants in each species received a ribbon.
In the fall semester, the Block and Bridle Club had a slave auction to raise money. Each officer was sold and agreed to work four hours.

P.J. Miller doesn't look concerned about who is bidding on her.

You sexy man. Can't believe who bought him.

Danene, what do you think is so funny?

What a pose, Craig!

Karen Cull, you have such a big mouth! You are our fearless leader, John Hallman, who just bought to wash dishes.

Cindy and Terri’s Comments

Welcome to the 1988-89 Block and Bridle Annual. We bring this annual to you in hopes that it will serve as a reminder of the many exciting events that have taken place in Block and Bridle this year. We have included highlights of this year to encourage members and initiates to take an active role in Block and Bridle.

We would like to thank the members and initiates who made the effort to sell ads and help complete this annual. We would also like to express a special thanks to the ad buyers and sponsors who help support our club. Without the help of our advisors, secretaries, and those at Lincoln Printing and Typesetting, Inc., this annual would not be possible. “Thank You to All.”

Now all that’s left to do is sit back and look through the annual, remembering all the fun times we’ve had and all the friendships gained through Block and Bridle!
Mr. James F. Roberts
1988 Block and Bridle Honoree

PERSONAL BACKGROUND:
Birthdate: June 11, 1930
Hometown: Lexington, Nebraska
Family: Wife; Jan, Children; John, Cattle-Fax Manager
       Daniel, Manager of Roberts Feedlot
       Steven, Junior High School Teacher
       Virginia, Cruise Line Supervisor
       Lorrie, Animal Science Graduate
       Student at Texas A & M

PRESENT POSITION: President of the Jim Roberts Company

James Roberts graduated from UNL in 1953 with a degree in Business Administration. He started a feedlot in Lexington, Nebraska that has grown to the 10,000 head capacity Roberts Cattle Company. His operation has expanded to include Roberts Farms, which produces silage for the feedlot, and a commodity and investment service.

Mr. Roberts has won numerous awards including: Dawson County Outstanding Young Farmer (1959), Public Service to Agriculture Award (1983), AK-SAR-BEN Agricultural Achievement (1983), Nebraska Hall of Agricultural Achievement (1983) and National Cattlemen’s Association Businessman of the Year (1987).

Jim has served as a director for Cattle-Fax, an advisor for the Chicago Mercantile Exchange and appointed to the Interstate Agricultural Grain Marketing Commission. He has been successful in all aspects of the livestock industry, including cattle feeding, cow-calf production, stocker/grazer operations, packing plant manager, commodities broker, grain company operator, farmer and consultant to investors and money lending organizations.

In addition, Jim is a member of the University of Nebraska Board of Trustees, Chairman of the Agriculture “2001” Committee, Chancellor’s Advisory Committee, Ag Builders and Ag 40 Group. Jim was also a strong force in gaining approval for the $19M Animal Sciences com-

In 1988 the National Pork Producers Council trademarked a new cut of pork, in answer to consumer’s demand for quality.

THE DEMAND FOR THIS NEW CUT IS ASTOUNDING!

The Nebraska Pork Producers Association challenges Block & Bridle Young Leaders to dare to try new and innovative ideas. Agriculture needs new ideas now!

DARE TO BE LEADERS!

Here's a plan for healthy livestock

It's this simple. This year consult regularly with your veterinarian.

When it comes to the prevention, diagnosis and treatment of animal diseases, your veterinarian is the trained professional. Call your veterinarian early at the first sign of possible sickness to keep disease from establishing a foothold in your herd or flock.

Your veterinarian is ready to consult with you at your earliest opportunity to help keep your livestock—and pets, too—healthy and productive.

Nebraska SPF

Gives producers the competitive edge.

Low backfat is just one of the requirements that boars and gilts must meet to qualify as Nebraska SPF breeding stock. Through hi-tech, continuously applied, the Nebraska SPF program has steadily and accurately reduced backfat in breeding stock over the years, to meet demanding consumer preferences.

Swine producers know exactly what they are getting when they obtain Nebraska SPF breeding stock. That's because of precise selection methods made available to them.

Producers are assured of:
- Uniform carcass quality and low backfat standards.
- Accurate and outstanding growth data in days to market.
- Top herd health assurance developed through high-tech programs.

That is why Nebraska SPF gives producers the competitive edge in swine production today. Nebraska SPF, now operating worldwide, is perhaps the finest swine disease-control system in existence today.

Look to Nebraska SPF for the finest in breeding stock:
PRO-LINES in all major breeds; PURE PRO specific breed lines; PRO-MASTER boars in specific hybrids; PRO-ELITE gilts for maximum litter production and top levels of health.
