Welcome to the 1989-90 UNL Block & Bridle Annual

PURPOSE

On December 2, 1919, student representatives from four animal husbandry clubs met in Chicago, Illinois, and formed the National Block and Bridle Club, the local clubs becoming chapters in the new national organization. Nebraska was a charter chapter along with Iowa, Kansas, and Missouri. During this meeting the chapters formed a constitution which included a statement of the club’s objectives. They are (1) To promote a higher scholastic standard among students of Animal Husbandry, (2) To promote animal husbandry, especially all phases of student animal husbandry work in colleges and universities, (3) To bring about a closer relationship among the men and women pursuing some phase of animal husbandry as a profession.

The Nebraska Chapter of Block and Bridle Club has experienced a year of meaningful and enjoyable activities in the interest of Animal Science. This Annual is a reflection of our growth and development of leadership, integrity, scholarship, fellowship, cooperation, and participation. Through these activities we will grow and be better able to serve the Animal Science Industry.

Membership in the Block and Bridle Club is open to any student of agriculture, on the college level, who has a sincere interest in Animal Science.

EMBLEM

The Block and Bridle Emblem is significant to club members. It represents the principles on which this club is built. Character, sincerity, and a moral life are asked of members when they join and are depicted in the straight perpendicular of the “B.” The distinct curves of the “8” are symbolic of the social pleasure, mental energy and determination of members.

The meat block represents the material aspects of our life. The bridle stands for the behavior of Block and Bridle members, the control over ourselves that we try to maintain, the mannerisms and respect we show toward others, and the way in which we treat animals.
April 2, 1990

Block and Bridle Club  
C201 Animal Sciences  
University of Nebraska  
Lincoln, NE 68583-0908

Dear Block & Bridle Club Members:

Congratulations to the Club and to each member for your many successes in the past year. This has been a year of progress in several areas. You continued to improve the Club's financial condition and at the same time carried out a full schedule of activities as described in this Annual. Your officers have provided strong leadership and your advisors have given sound advice and counsel. These individuals deserve our thanks for their contributions.

The Block and Bridle Club has a responsibility to support the field of animal science. You have met that responsibility well in the past year. Equally important is the opportunity for students to develop their leadership skills through participation in the many facets of the organization's activities. Your success in this area will be the true message of your success as a Club. I commend you for your continued efforts in leadership development of your members.

On behalf of the Department of Animal Science, I congratulate your Annual Editors for another fine publication. We wish every Club member the best in your future activities.

Sincerely yours,

Elton D. Aberle  
Department Head
The University of Nebraska Block & Bridle Club has enjoyed one of its most successful and exciting years. As Presidents, it has been truly an honor to serve and work with the members of one of the most active and largest clubs at the University of Nebraska.

Every member should be proud of the part they have played in the success of the club's activities. The club serves a vital role at the University as well as in the future of the Livestock Industry. This role can only be fulfilled by the hard work put forth by each member.

As in any successful organization, the foundation is built upon the wisdom and efforts of the advisors, and the enthusiasm of the members and executives. We encourage you to build upon this foundation which forms a strong club and later allows you to receive local and national recognition as a just reward for the efforts you have put forth.

We are proud of the recognition we have received; however, no level of recognition can truly measure the quality of the individuals who make up our club.

This club has given us many friends, many good times, and many valuable memories, all of which we will never forget. Most of all, we wish the best of luck to the club in its activities and endeavors in the years to come.

Yours truly,

Boyd Mignery
President - Fall, 1989

Annette Renken
President - Spring, 1990

Animal Science Graduate Students

Graduate Students:
Top row, left to right: John Hallman, Glenda Borcher, Debbie Padilla, Octavio Martinez-Huerta.
Eighth row, left to right: Joel Wenninghoff, Mark Giesemann, Tom Rathje, Brent Vieselmeyer, Yvonne Kochera.
Seventh row, left to right: Scott Elliott, Rafael Nunez-Dominguez, George Vatzias, Rob Knox.
Sixth row, left to right: Mike Wolfe, Collette Schultz, Dean Pringle.
Fifth row, left to right: Tammy Tharnish, Bucky Gwartney, Todd Stumpf.
Fourth row, left to right: Mike Wehrman, Wanda Isaacson, Lori Jones, Rob Fase.
Third row, left to right: Gary Louis, Bill Weldon, Susan George, Nestor Javier Gonzalez.
Front row, left to right: Andrea Cupp, German Mendoza, Naoto Kojima, Joy Kovar, LaRee Werth.

Secretaries

Clerical Staff:
Back row, left to right: Nellie Archer, Jackie Masek, Cheryl Deisch, Vicky Kobes, Mary Lou Machacek, Jacque Virts, Ruth Ulmer.
Middle row, left to right: Minnie Stephens, Donna White, Laura Rife, Sandy Lipson.
Front row, left to right: Mary Jacobs, Kaye Peterson, Diana Smith, Jane Ossenkop, Judy Huff.
Members of Block and Bridle

Back row, left to right: Keven Hoffschneider, Jeff Spies, Shelia Drewes, Lisa Simonson, Annette Renken, Teresa Downey.

Middle Row, left to right: Ivan Holeman, Melanie Hornung, Brian Knust, Cheri Borgelt, Lex McDaniel, Kevin Borgelt, Lisa Lewis, Mark Kosmicki.

Front Row, left to right: Mike Bartenhagen, Karen Cull, Chris Evans, Rosie Welsh, Karen Larson, Becky Kinnan, Boyd Mignery.
Initiates

Back row, left to right: Danny Poss, Mike Warren, Bart Carter, Doug Iske, Brandon Wright, Scott Roberts, Chad Wickman, Dan Roeber.

Middle row, left to right: Jeff Carson, Jim Theil, Page Peterson, Kevin Hynes, Mike Roberts, Sid Mignery, Tracy Dethlefs.

Front Row, left to right: Mark Kosmicki, Assistant Marshal; Denise Drudik; Tammy Crick; Laurice Matulka; Leah Huffman; Lori Barent; Brian Knust, Marshal.

*Spring Initiates Not Pictured:* Dan Roeber, Marshal; Page Peterson, Asst. Marshal; Kim Ludden; Mick Goedekeken; Ellen Hopkins; Tom Sherbeck; Stephanie Perry; Shannon Lueders; Suzy Foly; Vicki Hulinsky; Loren Meiergerd; Kevin Pokorny; Brian Quandt; Darin Danielson; Robin Burgess; Mike Motis; Brian Stevens.

State Fair Awards

State Agricultural Education Contest
Dairy Production Awards

Highest Milk Production: Lynn Fischer, North Loup
Lynn Fischer, 14, of North Loup, won the Dairy Production Award with his 4-year-old Holstein, Bess. Lynn is the son of Dave and Marilyn Huebner.

Highest Butterfat Production: Jason Cast, 17, of Beaver Crossing, took top honors in fat production with his 8-year-old Holstein, Blacky. Jason, the son of Kenneth and Deloris Cast, said he used the Dairy Herd Improvement Association records to manage his cow's production more efficiently.

4-H Beef Carcass Contest
Champion: Danny Warner, 12, of Beaver City, in his first try at State Fair competition, won the top carcass in the Carcass Evaluation Contest. Danny is the son of Monte and Kristie Warner of Beaver City.

Welcome Back

Animal Science Staff and Graduate Students once again put on the welcome back party for all animal science students. This year's events included such activities as cow chip toss, calf roping, human barrel race, milk can toss, and hog calling contests. Students reaped such awards as animal science caps, sweatshirts, and coupons to Valentino's and the UNL Dairy Store.
Kid’s Day

Block and Bridle gave children from all over Lincoln a chance to see and pet farm animals. This event known as “Kid’s Day” was held October 6.

Committee Co-Chairpersons, Lisa Simonson and Danene Hellbush prepared a fun-filled day for kids ranging from one to seven years old. They were greeted in the Animal Science Arena by baby pigs, a horse, a steer, and lamb, baby chicks and a Holstein calf.

The kids had a great time learning about all the animals. The B & B members had a great time promoting agriculture to our future leaders of America. Another Kid’s Day is planned for the spring semester and is to be held on March 22.
Little Ak-Sar-Ben

This year's Little Ak-Sar-Ben Showmanship Contest was held on Friday, October 13, 1989, in the Animal Science Complex. This contest is open to all who want to show off their skills in showing beef, swine, dairy or horses. The contest is divided into two parts — “Novice,” for those who have never shown that species, and “Expert.” The winners of each category advance to the Round Robin competition where the Reserve and Grand Champion Showmen are chosen. This year’s Grand Champion was Tom Sherbeck and Reserve Champion was Mike Bartenhagen. Chairperson for the event was Logan Dana and Lisa Lewis.

Little Ak-Sar-Ben Results
Beef: Amateur, Josh Adams; Expert, Tom Sherbeck
Sheep: Amateur, Shelly Goodwater; Expert, Denise Drudik
Swine: Amateur, Tom Sherbeck; Expert, Page Peterson
Dairy: Amateur, Brian Knust; Expert, Mike Bartenhagen
Horse: Amateur, Tammy Crick; Expert, Mick Goedeken

Page Sponsored by Wishbone Herefords
Queen Coronation

The 1989-90 Block and Bridle Queen Coronation was held October 13 during Little Ak-Sar-Ben. Lisa Lewis of Emerald was crowned the Block and Bridle Queen, and Rosie Welsh of Springfield was selected as Princess. A special thanks goes to the Queen Coronation Committee: Melanie Hornung and Cheri Borgelt.
Block and Bridle Regional Meeting

Back row, left to right: Glenn Cull, Charlie Cull, Sharon Dobish, Norma Cull, Katie Cull, Mike Warren, Logan Dana, Kerry Slava, and Ed Clemens.

Front row, left to right: Karen Cull, Brian Knust, John Hallman, Mike Bartenhagen, Tracy Dethlefs, Ivan Holeman, Sheila Drewes and Doughby.
Christmas Coffee, 1989

The Annual Christmas Coffee was presented to the faculty by Deanna Borgelt and Karen Larson on December 15th.

PIZZA FEED

This year the pizza feed was held on January 18th. The pizza feed is held every year and was sponsored by Elanco. Jim Moore from Elanco was the speaker.
Quadrathlon

The 1990 University of Nebraska Animal Science Academic Quadrathlon was held February 7 and 8 and was organized by Chris Evans. It consisted of a written exam covering all species of livestock, feed rations, physiology and meats, an oral presentation by each team of four members, multi-station laboratory practicals and the quiz bowl competition. There were ten teams in the contest this year and the winning team represented Nebraska at the Midwestern Regional Quadrathlon in Des Moines, Iowa. We would like to thank Chris and all of the faculty members for their time and effort in putting together one of the largest quadrathlon contests in the Midwest Region!

Oklahoma City, Oklahoma
UNL 12th out of 21 teams
Reynolds: 40th out of 21 teams
13th in Halter
14th in Performance
17th in Reasons
Mr. John C. Klosterman
1989 Block and Bridle Honoree

Personal Background: Birthdate: January 22, 1936
Home Town: David City, NE
Family: John C., III (Jack), Anna, Margaret

John C. Klosterman graduated from Doane College in 1958, with a degree in mathematics and physics. Three years in the United States Navy provided him the opportunity to see the world from the Arctic Circle to South America including Northern Europe and the Mediterranean Sea. Upon returning to the family farming and livestock business, he gradually assumed management responsibilities for Grass Valley Farms. The current operation includes 1600 acres of diversified crop production, 125 head of beef cows and a feedlot capacity of 1800 head. Additional farming operations are conducted in Colorado and Nance County.

John has been active in many livestock affairs in Butler County and the State of Nebraska, including serving as president of the Nebraska Livestock Feeders Association in 1970 and 1971 and vice president of the national organization in 1976. John was a strong proponent of the merger of the American National Cattlemen's Association, serving on the consolidation study committee that drew up the merger plan. Since the formation of the NCA, he has chaired several committees and served on both the Board of Directors and the Executive Board.

John was one of the people organizing the Nebraska Feedlot Council (1986) and was elected to its Board of Directors. He was appointed to the Consolidation Committee, guiding the successful merger of the Nebraska cattle organizations into the Nebraska Cattlemen. He was selected the Nebraska Cattlemen's first president.

Serving as chairman of the Butler County Hospital Board of Trustees since 1971, John is very proud of the new hospital, the expansion of the services to include new resident doctors and arrangements for specialists to make the facility a leading medical facility. He has a sincere interest in the David City community, having served on many local development programs and Chamber of Commerce activities.

John has been a strong supporter of the University of Nebraska, IANR and the Animal Science Department. Special efforts of the Ag. 40 group, the 2001 Task Force and Livestock Industry representative on the Animal Science Departmental Review are among his many contributions to the institute. He serves the total university community as a member of the University Foundation Board of Trustees.

U of N BLOCK & BRIDLE ANNUAL, 1989-90
Nebraska SPF

Gives producers
the competitive edge.

Low backfat is just one of the
requirements that boars and
gilts must meet to qualify as
Nebraska SPF breeding stock.
Through hi-tech, continuously ap-
plied, the Nebraska SPF program
has steadily and accurately reduced
backfat in breeding stock over the
years, to meet demanding consumer
preferences.
Swine producers know exactly what
they are getting when they obtain
Nebraska SPF breeding stock.
That's because of precise selection
methods made available to them.

Producers are assured of:
• Uniform carcass quality and low
  backfat standards.
• Accurate and outstanding growth
  data in days to market.
• Top herd health assurance de-
  veloped through high-tech
  programs.
That is why Nebraska SPF gives
producers the competitive edge in
swine production today.
Nebraska SPF, now operating
worldwide, is perhaps the finest
swine disease-control system in ex-
istence today.

Look to Nebraska SPF for the finest in breeding stock:
PRO-LINES in all major breeds; PURE PRO specific breed
lines; PRO-MASTER boars in specific hybrids; PRO-
ELITE gilts for maximum litter production and top levels
of health.

YOUTH AMBASSADORS

In 1989 The National Pork Producers Council and the Nebraska Pork Producers Association implemented a new program for Youth.

If you would like to have more information about this unique opportunity, please contact us about the Pork Industry Youth Ambassador Program.

We welcome your involvement!

Nebraska Pork Producers Association, Inc.

A103 Animal Science  University of Nebraska  Lincoln, NE 68583-0834  PH: 402/472-2563
This marks our 20th year of using artificial insemination on our beef cows. Our genetics and EPD's of our herd just keep getting better and better.

- All 19 steers we have entered in the Nebr. Simmental Carcass Futurity have graded choice in the last four years. (1986-87-88-89).
- We have 8 steers on central steer test this year. We stress raising easy fleshing cattle that grade choice.
- We also offer a few Gelbvieh and Salers bulls in our annual March production sale.

**The Block and Bridle Club would like to thank all advertisers and sponsors of 1990 events.**
We would like to salute the BLOCK AND BRIDLE CLUB, its members and advisors for a tremendous year!

For over ninety years the Geo. A. Hormel & Company has taken great pride in producing the highest quality meat products possible for the consumer.

Geo. A. Hormel Company is co-sponsor of Nebraska’s largest hog show, the Midwest Market Hog Show, which was held on Saturday, March 10, 1990, at Fremont, Nebraska.

Geo. A. Hormel & Company buys hogs on a grade and yield basis to provide the hog producers a maximum return for their top quality hogs.

Geo. A. Hormel & Co.
P.O. Box 69, Fremont, NE 68025

Put sizzle in any meal
The Waldo family has been serving the livestock and swine industry since 1895.

We greatly appreciate the assistance we have received from the University and numerous dedicated staff for so many years. This beneficial relationship dates back to the days of “cow college,” Ag Campus, East Campus and now IANR, the Institute for Nebraska Agriculture that it has truly become.
