"CURRENT PRACTICE AND ISSUES IN PROFESSIONAL DEVELOPMENT"

The enclosed Conference description outlines the general format and themes of the program. We are particularly soliciting proposals for sessions that present research results, describe model programs or offer opportunity to participants to explore detailed case studies. All proposed sessions will be reviewed by the Conference Planning Committee, and you will be notified of decisions in July. We need to be selective to guarantee that sessions will fit the Conference theme, represent various settings for professional and organizational development, and speak to the needs of participants. If you wish to suggest other kinds of sessions or other people for presentations, please notify us immediately.

Title of proposed session (please type or print all responses): _____
