EDITORIAL

Editor's Message

Discussions in the Editorial Board have continued on the best way to specify the types of articles that are appropriate for publication in the *Quarterly*. The Editorial Board will meet in Fairfield Glade, Tennessee, during the annual POD Network National Conference in October. At this time we should finish our discussions.

We would like to invite you to join the Editorial Board at an informal session that is being scheduled for the annual conference. We will be glad to discuss any matters of editorial policy or practice and to answer any questions you have about the *Quarterly* as well as to discuss publishing opportunities for members of POD.

Members of POD are a very polite group; however, it is not necessary to wait for an invitation before submitting materials to the various departments or columns of the *Quarterly*. Please refer to issues 1 and 2 for examples of columns and descriptions of departments not appearing in this issue. If you would be interested in preparing a contribution in those areas, please get in touch with the Editor.
