Program Activities for 2000

Possibility of raffling a duplicate tractor from our collection to garner funds was discussed. The Woodpecker tractor brought in \$2,300 and the auction value of the tractor was \$500 to \$600. Not sure Successful Farming would advertise or provide raffle tickets as before. Another possible way to dispose of duplicates is by auction. May want to sell at Camp Creek Threshers show.

Publicity

Borcherding suggested that we need a glossy folder for convention bureau and business groups to pass out to visitors.

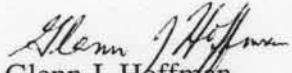

Potential New Signs

Need bigger more prominent sign. Need sign for along freeway and at various places around camps.

New visitor's map of campus should show museum.

April 18, next meeting.

Meeting adjourned at 3:00pm
