“COMMON GROUND: A SURVEY OF PERSPECTIVES FROM THE 1999 UNIVERSITY OF NEBRASKA DIVERSITY SUMMIT”

Juan Gonzales

Coordinator, Diversity Recruitment and Retention for the College of Agricultural Sciences and Natural Resources, University of Nebraska-Lincoln

Juan Gonzales presents an overview of how campus organizations perceive the academic, social and cultural climate at the University of Nebraska-Lincoln. The goals of this summit were to enhance awareness and understanding of the spectrum of diverse voices on the UNL campus, to more effectively "hear" each other's voices and communicate those individual messages to the greater UNL community.
