She will be working with local affiliates to help obtain items and/or cash for donations for the auction. She needs committee members.

OLD BUSINESS

The blood drive was a success with 40 blood donations in NEOPA's name.

The YWCA Job Outfitters clothing drive has been a huge success with a large amount of clothing donated. Several members helped unload a truck full of donations. Channel 8 was there and interviewed Deb Ryan and will have a special report on NEOPA's efforts.

NEW BUSINESS

The Central Area Conference will be held in Indianapolis, IN, April 20-22, 2006.

The NAEOP National Conference will be held in Dallas, TX, July 17-21, 2006.

The national office is asking if Central Area would be willing to host a national conference in July 2009. This would be a big commitment but it would be Nebraska and five other states involved, so Nebraska would not be doing all the work. Some locations suggested were Kansas City and St. Louis as they would have more attractions and major airports nearby.

The national office has collected \$2000 to benefit members who were affected by the hurricanes in the south this past fall. The state office in California donated \$1000 and President Ryan issued a challenge to other states to donate also.

Jorena Larsen moved that NEOPA give \$250 for disaster relief to the national office. Chris Cary seconded. Motion carried.

President Ryan explained a proposed change to the language for PSP recertification that would include the words "active participation" at any level, local, state and/or national effective January 1, 2008. This would mean that members would need to stay involved in the different organization levels to be recertified. She asked members to send their comments on this issue to her and she will then forward them by December 15th to Sibyl Hoover, PSP National Committee Chairman. The PSP Governing Board will make a recommendation to the NAEOP Board after collecting feedback from the general membership.

UNOPA PRESENTATION OF SPRING CONFERENCE

Sandy Watmore and Diane Wasser, co-chairs for the NEOPA Spring Conference, informed the workshop attendees of UNOPA's plans for hosting the spring conference. The theme will be Daffodils, Daisies and Dandelions to symbolize similarities and individuality in workers. Members are similar in their dedication to their local, state and national associations as well as their jobs but each is unique and gains different benefits from these organizations. The conference will start Thursday evening, March 30, 2006, at the Howard Johnson Hotel, at 5250 Cornhusker Hwy in Lincoln with a social time, a live auction and a silent auction. This evening will be the fund raising portion of the conference. On Friday, March 31, 2006, the conference will convene with speakers and briefings (two in the morning and two in the afternoon).
