### Understanding and Managing Stress

The Center for Professional Development at the University of Dayton has compiled a series of Development Kits for their faculty. Kit #9, Understanding and Managing Stress, offers the reader a fairly complete "state of the art" overview of the topic of stress. Since the kit itself is too big to be mailed, the Center has a bibliography of the kit available upon request.

The Film, "College Can Be Killing," which Deals with Student Suicide at Northwestern University and the University of Wisconsin

The film consists mainly of interviews with students at these two institutions. The major theme of the movie is that, contrary to popular belief, students who are depressed are grateful when teachers call university counselors and ask that a counselor contact these students.
