EDITOR'S COMMENTS

It's hard to believe that this year has come to a close. It has been a hectic but fun year serving as editor of the NEON. I have learned so much just by serving on the Board and it has been an enjoyable experience. Several of us are anxiously looking forward to the National meeting in Tucson. I sincerely encourage all of you who have never gone to a National meeting to consider doing so in the future. You will learn a great deal about our organization, you will meet some wonderful people and you will have a good time while you are there! In the meantime, have a relaxing and refreshing summer and we'll see you in the fall!
June, 1993

Dear NEOPA Friends:

My thanks to all of you for a memorable year as your NEOPA President! This issue of the NEON contains all of the year-end reports of the officers and committee chairs for the 92-93 year. It's been a successful and productive year. Here are some of the highlights:

a) Membership rose above the 200 mark.
b) We added a life membership to the other membership choices.
c) Our newsletter took a new name. We submitted an issue to National for the Rachel Maynard Award.
d) Our NEOPA Professional of the Year is Virginia Storm, Omaha.
e) We selected a NEOPA Scholarship winner - Melissa Zimmer.
f) Our candidate for the Olive T. Richie National Office Professional of the Year was submitted and Joyce Graybill, Omaha, will be honored at National in Tucson with this prestigious award.
g) NEOPA Past Presidents will be offering a member scholarship starting in the 93-94 year.
h) Congratulations to the NEOPA-PP and the University of Nebraska-Omaha for hosting successful conferences.
i) Professional Development was offered at the Central Area meeting in Springfield, Illinois in February with Charlie Mae Holland, Immediate Past President of National, as our guest speaker.

The successes of all the committees was due to a lot of hard work by dedicated members of NEOPA. May these Past Successes Link all of us to Future Possibilities. Sandy Lineberry was installed as your new president at the Spring Conference at Omaha. My heartiest congratulations to her and the new officers. May they have great success as they RING OUT WITH ENTHUSIASM!

Sincerely,

Delores

CONSTITUTION AND BYLAWS

This year the committee worked with two proposed revisions (listed below) to the Constitution and Bylaws for consideration. Ballots were sent to active members via the Spring NEON.

Article IV -- Membership

Section 2.
Membership shall be of five classes: active, honorary, retired, associate, and life.
(This change from four to five classes would update this section to coincide with the life membership approved in the Spring of "92.*)

Article XI -- Duties of Committees

Under this Article in Section 1.E and Section 1.K, name of National Association to read National Association of Educational Office Professionals to reflect their name change.

Fifty-seven ballots were returned and of that number, 99% were in favor of the proposed changes.

Standing Rule Changes

At the Fall 1992 Conference, two motions were made to be voted upon by members.

1) Number 1 under Standing Rules - The amount of $200.00 for life members was added.
2) Number 2 under Standing Rules - Change of registration fee for Annual Spring and Fall Conferences for non-members to be at least, but not limited to, one-half of the annual NEOPA membership fee more than the fee paid by NEOPA members.

Both of these motions were passed.

Leanna Bounds, Millard PS, Chair
Mae Davis, Omaha PS
Patricia Leiding, North Platte PS

NEOPA PROFESSIONAL EMPLOYEE OF THE YEAR

Letters were sent to local associations and articles were placed in the NEON soliciting nominations for our annual award. This resulted in five individuals being nominated for this award.

In accordance with the guidelines, a committee chairman and two committee members were appointed to serve on this committee. Each member of the committee was asked to select one administrator to serve on the panel of judges who would select the NEOPA Professional of the Year. Following are the names of those administrators:

Susan Gildersleeve
Assistant Director of Housing
for Business Services
University of Nebraska-Lincoln
1009 Seaton Hall
Lincoln, NE  68588-0622

Dr. Nesha Schumann
Assistant Principal of Instruction
Lincoln Southeast High School
2930 S. 37th Street
Lincoln, NE  68506

Pat Yanke
Administrative Assistant
Board of Education
Omaha Public Schools
3215 Cumming
Omaha, NE  68131-2024

The NEOPA Professional of the Year for 1993 was Virginia Storm. She was presented with an engraved plaque at the May 22 business meeting.

Joyce Graybill, our NEOPA Employee of the Year recipient for 1991, was the NEOPA candidate for NAEOP Professional Employee of the Year. Her application was submitted to the National Office by the March 15 deadline date and we later learned that she will be the recipient of the award at the National meeting in Tucson, Arizona this summer.

On behalf of the NEOPA Professional of the Year Committee, I would like to take this opportunity to thank the officers and membership for the opportunity to serve NEOPA this past year.

Lola Young, UNL, Chair
Eileen Knudsen, Omaha Public Schools
Jan Sorensen, Lincoln Public Schools
FIELD SERVICE

Follow-up contacts with individuals who had previously expressed interest in forming a local association were made.

The committee met with representatives of Columbus after the Fall Workshop, answered questions, and distributed informational materials. More materials were mailed to them later. Columbus Public Schools are still working to form a group, but they want to consolidate with Platte Tech Community College and an ESU; therefore, it's taking time to pull everyone together.

Contact by mail was made to Nebraska Wesleyan University. Personal contact was made to a colleague at Southeast Community College - Lincoln. Groundwork was laid for future interaction.

Publications from the national office were purchased to assist potential locals.

Members of the committee this year were Roberta Knutson, Axtell, and Eva Sheaff, Lincoln. Their support and help were greatly appreciated.

Marcella Shotwell, Chair

MEMBERSHIP

It was a busy year! In September, a mass mailing was sent to 440 educational office personnel within the state. If I had any doubts about this mailing before, I don't anymore, as a net result of 25 new members was gained. In November, a personal follow up letter along with another membership form was sent to 85 1991-92 members who had not renewed their membership for the year. This reminder letter did pay off as a number of renewals were then received.

Twenty-one requests for PSP information were referred to our Professional Standards Director, and I followed up on 16 requests for information on our National Association.

Articles were written for the fall, winter, and spring issues of the NEON.

Letters were mailed to all Association presidents in April to collect data in selecting the membership awards. I will recommend to the new president-elect/membership director that this be discontinued and in the future membership data for these awards be taken from the State Official Membership List.

At the beginning of the year, I stated that one of NEOPA's objectives was "membership growth." Each member was challenged to "EACH ONE - REACH ONE" during the 1992-93 year. I'm pleased to report the challenge was met with 58 new members. We seem to have broken the trend of declining membership as our numbers grew to 203: 176 active, 18 retirees, 3 associate, and 6 honorary. Everyone is to be congratulated for their efforts, and it is my hope we will continue to move to higher numbers in the new year. We have a large number of new members, and we now have the responsibility to make them feel welcome and useful.

The following awards were presented at the Spring Conference in Omaha, May 22, 1993:

Associations with 100% membership in NEOPA
- Wayne Educational Office Personnel Association
- Nebraska Educational Office Personnel Association - Past Presidents
Association with the largest percentage increase in NEOPA memberships:
- Wayne Educational Office Personnel Association (12 to 22 for an increase of 83.3%)

NEWSLETTER

The NEON was published four times this year (Fall, Winter, Spring and Summer) with a circulation of approximately 225. The Winter issue was submitted to NAEOP for the Rachel Maynard Award for Excellence in Communication competition. We will learn the results at the NAEOP Annual Meeting in Tucson in July. Special thanks to members who submitted articles and filler material for the issues – it added a lot to our newsletter. I want to thank my committee members for their outstanding assistance: Linda Gersib, Luise Berner and Sandy Lineberry. They were a tremendous help in making the NEON a publication to be proud of. Also, a special thank you to Sheila Perry for her assistance in obtaining clip art. It really made our issues look professional.

PROFESSIONAL STANDARDS PROGRAM

The Professional Standards Committee for 1992-93 included Debbie Hendricks (UNL), Lynne Olson (Winside) and myself. Promotion of the Professional Standards has been the goal of our
At the Fall Conference in Millard there were 21 members requesting information for the PSP program plus 5 packets were sent during the year to interested members.

Several changes have been made relative to the Professional Standards Program this past year. Two items involving the Professional Standards Program were referred to the PSP Committee by the Advisory Council. At the Winter Board meeting in Wichita, Kansas, on December 4, 1992, the PSP Institute members made the following recommendations to the Board of Directors. The Board on December 5, 1992 acted on those recommendations as follows:

1992 Advisory Council Agenda Items Regarding PSP:
1. Workshops at the NAEP Institute should be videotaped, filed in the NAEP National Office, and be checked out by NAEP members. (Submitted Mississippi AEOP)

Rationale: Many NAEP members are working on PSP certificates and are not always able to attend the NAEP Annual Conference and Institute. Being able to check out the videotapes for viewing to receive PSP credit would be very helpful to the members. Also, the tapes could serve as resources for office professionals since they deal with topics of interest to everyone.

Action by the PSP Institute and NAEP Board: In light of current copyright laws, it would be necessary to obtain permission from the presenter(s) to have a workshop videotaped. In most cases, presenters prefer to sell their own video tapes on request and do not allow video or audio taping of their presentations at conferences. However, the Institute and Board recommend a cost and time analysis be made to determine the feasibility of having workshops given by NAEP members be professionally videotaped. These tapes could be placed in the National Office to be rented/purchased by interested NAEP members and/or associations. With regard to earning PSP credit, it was the recommendation that guidelines be developed and implemented for verification of attendance of the participant (i.e. video could be viewed in a classroom setting with a designated person verifying the participant's attendance, or used as an inservice by a sponsoring association).

2. Request that the Administrator's Evaluation of Applicant, PSP Form II, be deleted and not be a part of the overall program. (Submitted by Washington AEOP)

Rationale: According to the PSP brochure, "Each certificate is based on requirements in three areas: Education, Experience, and Professional Activity." Certification is not based on individual merit. Opinions from administrators should not be included or required.

Action by the PSP Institute and NAEP Board: The Institute and Board recommended that the Administrator's Evaluation of Applicant (Form II), not be deleted and to revise the form to include the employee's signature. It should also be made clear to the employee that the form may be completed by a previous administrator, not necessarily the immediate administrator. The Institute and Board felt that having the administrator complete the form gives the employee an excellent opportunity to make the administrator aware of the fact that the employee is working toward professional growth, etc. The point was made that no one has ever been denied a PSP certificate because of the administrator's evaluation.

Additional items of interest which were discussed included updating the PSP Publication titled, "Things You Want to Know About PSP But Have Not Asked" in an effort to provide new PSP chairmen with more information about their role. Application Forms IIIb and V will also be updated in the next printing of the PSP booklet to improve clarity of the information requested.

Persons who met the requirements and received their PSP certificate by May 1, 1993 were:
Leanna J. Bounds, Millard Public, Advanced III, Option I and CEOE
Mary L. McKee, Omaha Public, CEOE
Lorraine Stuva, Omaha Public, Basic, Option I
Mary F. Flatt, Omaha Public, Associate Degree, Option II
LaRita Lang, UNL, Advanced III, Option I and CEOE
Joyce Valadez, Omaha Public, Advanced III, Option I and CEOE
Ramona Brownson, UNL, Bachelor Degree, Option II and CEOE
Betty James, UNL, CEOE

A survey was placed in the winter newsletter to secure names of those persons planning to complete their requirements for this school year. Persons who have received a PSP certificate and have never been recognized at a State Meeting were also honored during the May 22 meeting in Omaha.

SCHOLARSHIP

The ad hoc committee appointed last spring was promoted to the scholarship committee for 1992-93, and continued the task of updating the guidelines, making them more relevant to the applicant by eliminating NEOPA scholarship history. Changes were approved at the August board meeting.

Updated information and application forms were placed in the fall and winter issues of the NEON, mailed to local association post presidents or representatives for distribution, and all members were encouraged to sponsor individual applicants, especially those members having no local affiliation.

Each committee member was responsible for selecting a judge. Letters of welcome and judging criteria were sent to them. The judges were Linda Boyer, Assistant Principal, Millard Central Middle School; Gaye Jones, 4th Grade Teacher, Tri-County Elementary School, DeWitt; and Jolene Lee, Service Facilitator, Educational Service Unit #3, Omaha. Selecting a winner from 16 worthy candidates was a challenging task. The judge's rating sheet, a point system, and a candidate comparison at a glance reference sheet were used to assist in the selection.

The winning recipient was Melissa Zimmer of Duncen, Columbus High School; Troy Fey of Omaha, Millard South High School, was selected as alternate recipient. Melissa completed the Marion T. Wood Scholarship application and it was submitted to NAEOP’s competition. She was invited to attend the Spring Conference at the University of Nebraska-Omaha for the presentation of our scholarship certificate.

Letters of congratulations were sent to the winner and alternate, all applicants received a letter thanking them for their participation, and thank you notes were sent to the three judges.

Special thanks to each member who sponsored one of the 16 candidates. Your support and encouragement are necessary to make this program a success and are greatly appreciated.

The NEOPA Executive Board approved the following recommendations at the February 20, 1993:

1. Retirement of the original NEOPA Scholarship Guidelines and Guidelines for Scholarship Chair;
2. Approval of the revised version of NEOPA Scholarship Guidelines and Guidelines for Scholarship Chair;
3. Award a second scholarship annually as funds allow.

My personal thanks to the committee members, Jane Patterson and Gerry Powers, for all of their assistance, input, and support. We've had a busy, successful year.

Doris Merriman, CEOE, Millard Public Schools, Chair
Jane Patterson, Educational Service Unit #3, Omaha
Gerry Powers, Tri-County Public Schools, DeWitt
