Message from Our President

by Peg Johnson

Greetings to all,

Fall is my second favorite season. It is a time to don our husker shirts and cheer on our athletic teams if you are so inclined. It is also a time to join in on all the other fall activities.

A reminder, don't forget to bring the backpack and food bank program items to our general meeting. An 18 oz jar of peanut butter and/or a canned food item will be greatly appreciated by those that receive them. Monetary donations help too. Please mark your calendars now to bring them to the October meeting.

The TeamMates Program is a great opportunity to get involved with our youth. If you have an interest in becoming a mentor, please contact me. Informational meetings will take about one and a half hours. Sessions can be set up on both campuses. Please give mentor-

ing some thought. It is a great way to give back to the community.

Only five more home football games left. Much support is still needed for our UNOPA parking lot. If it is not possible for you to physically work the lot, you could become a Ways & Means committee member and help solicit other members to work the lot. Committee members earn one PSP point. Our UNOPA lot activity funds the majority of our events.

Speaking of committees, if you would like to be a part of any of our committees, please contact the appropriate director(s).

Watch for information for the upcoming request for the awards' nominations. Please share with this information your administrators and supervisors. The deadline is October 16, 2009.

UNOPA Donates Socks and Receives a U.S. Flag

by Sandy Lineberry

"Let every nation know, whether it wishes us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe to assure the survival and the success of liberty."

by John F. Kennedy

These words are stamped at the top of the certificate presented to the University of Nebraska Office Professionals Association (UNOPA), Lincoln, NE, on Tuesday, September 8, 2009. The certificate and flag were presented to UNOPA by Sandy Lineberry, mother of First Lieutenant Shane Lineberry. Shane very much appreciated the effort made by UNOPA members to ship over 500+ socks to the men, women and children of Afghanistan. The socks, along with the hundreds of shoes shipped to the Bagram Air

UNOPA gives socks and receives a U.S. Flag Continued from Page 1

The appreciation certificate, presented along with the U.S. Flag, says the following:
"These Stars and Stripes were proudly flown on the 25th day of July 2009, over the Craig Joint Theater Hospital at Bagram Airfield, Afghanistan, at the request of First Lieutenant Shane Lineberry in appreciation of your support. It represents the American resolve following the attack on the World Trade Center and the Pentagon on September 11, 2001, and bears witness to the destruction of terrorist forces threatening the freedom of the United States of America and the world." Signed by Joseph P. Chozinski, Col. USAF, MC, FS, Commander, Task Force MED B East."

Shane returned to the United States in early September and is now back in San Francisco, CA, where he works as a critical care nurse.

Violence Prevention Workshops – Please Mark the Date

In December, 2008, UNOPA and UAAD were asked by the Threat Assessment Team to survey their respective members to solicit opinions about employee safety on campus and the workplace. Thirty-one UNOPA members responded. Out of that number, 64% expressed concern about a past safety issue on campus and 50% expressed concern about a current safety issue. Eighty-one percent of the respondents requested additional safety sensitive material.

Your concerns were heard and as a result, an expert on campus safety will be visiting UNL on Tuesday, October 20.

Dr. Steve Albrecht, San Diego, CA, will be presenting a number of seminars that focus on dealing with hostile people and handling potentially aggressive situations on campus. Attendees will learn behavioral techniques to defuse angry or upset people and ways to ensure the classroom or office is safe. The seminar is co-sponsored by the Chancellors

Office, Faculty Senate, UAAD, UNOPA, Business and Finance, Student Affairs and UNL Police. Dr Albrecht is a former police officer and an internationally recognized expert on violence prevention and campus safety. He has worked extensively with Virginia Tech, Northern Illinois and other higher education institutions that have experienced tragic events. He is the author of "Ticking Bombs: Defusing Violence in the Workplace".

The seminars are open to all faculty and staff. There is no charge but advanced registration is required. Registration information can be found at:
