Our last general meeting of the year went very well. Mari Greer was installed (even more special as it was her birthday) along with the elected officers. The 2009-2010 officers and directors of our board received their certificates. Certificates were also given to the committee directors for the members of their committee. I feel honored to have served with them. What a great way to make new friends or renew old friendships.

Thank you for my gift. I have a special place at home for penguins!

A special thanks for those that brought canned goods for the back pack / food bank program. I'll be turning in 9 cans of refried beans, and I can each of red beans, sliced peaches and garbanzos chick peas.

Our summer social event is right around the corner on June 17th. Flyers were handed out at the last meeting. This information is also on the website. I hope to see you at the last event of the year.

Mari Greer

2010-2011 President

UNOPA members,

Thanks to all of you who attended our May 11 meeting to see our new UNOPA officers being installed. I'm looking forward to my year as President and hope to see everyone at the summer social on June 17! We'll have a great time at the Aloha Tea Room and don't forget about the purse exchange that day. What more can a girl ask for, desserts and purses?!

I'm still trying to fill a couple of director positions on the board, so if you're interested in Making A Greater Individual Commitment this year, please give me a call at 472-3554 and we can find something that will work for you! We also have some spots to fill with representatives for some committees that deal with employee concerns, we'll be sending out more information about those opportunities with the membership renewal forms.

Everyone is a Special Person to Someone

This should probably be taped to your bathroom mirror where one could read it every day.
You may not realize it, but it's 100% true.
There are at least two people in this world that you would die for.
At least 15 people in this world love you in some way.
The only reason anyone would ever hate you is because they want to be just like you.
A smile from you can bring happiness to anyone, even if they don’t like you.
Every night, SOMEONE thinks about you before they go to sleep.
You mean the world to someone.
You are special and unique.
Someone that you don’t even know exists loves you.
When you make the biggest mistake ever, something good comes from it.
When you think the world has turned its back on you take another look.
Always remember the compliments you received.
Forget about the rude remarks.
