**Establishment of the *Transactions of the Nebraska Academy of Sciences***

In 1969, during its eightieth session, the State Legislature of Nebraska passed Legislative Bill 776, which appropriated funds to aid the Nebraska Academy of Sciences in the publication of scientific works submitted by Nebraska scientists. Volumes I and II of the *Transactions* were published under this arrangement, but Volume III was privately financed. Volume IV and succeeding volumes are being published under the auspices of the Nebraska Department of Education with funds authorized by the State Legislature, supported by the last five governors, J. James Exon, Charles Thone, Robert Kerrey, Kay A. Orr, and E. Benjamin Nelson. Volume XI was supported by the Nebraska Department of Education, but the publishing of Volume XI—Special Issue, Symposium (*Man and the Changing Environments in the Great Plains*), August 1983, was made possible by a grant from the Peter Kiewit Charitable Trust, Omaha, Nebraska. The Symposium on 16–18 April 1980 was sponsored by the Center for Great Plains Studies, College of Arts and Sciences, University of Nebraska–Lincoln and the Institute for Tertiary and Quaternary Studies (TER-QUA), a Division of the Nebraska Academy of Sciences.

**OFFICERS**

President: 1993–94	M. Lois Veath, Chadron State College, Chadron
President Elect: 1993–94	George M. Coleman, Nebraska Wesleyan University, Lincoln
Treasurer: 1993-95 (Interim Co-director)	Robert B. Johnston, University of Nebraska–Lincoln
Director of Development and Co-director of TER-QUA:	C. Bertrand Schultz, University of Nebraska–Lincoln
Recording Secretary: 1992-94	Karen A. Messenger, Hickman, Nebraska
Councillors: 1991–94	Jack L. Swanson, Chadron State College, Chadron
1992–95 (Interim Co-director)	Francis A. Haskins, University of Nebraska–Lincoln
1993–96	James E. Platz, Creighton University, Omaha
Corresponding Secretary, Science Talent Search:	James Woodland, Nebraska Department of Education
Junior Academy:	Kathleen Jacobitz, Henderson Community Schools
Science Teaching: NATS President	Bob Talbitzer, Kearney High School, Kearney
NATS Treasurer	Mike Tolfa, North Loup-Scotia High School, Scotia
AAAS and NAAS Representative:	Claire M. Oswald, College of Saint Mary, Omaha
Secretary Collegiate Academy: Biology	Glen E. Dappen, Nebraska Wesleyan University, Lincoln
Chemistry and Physics	A. Denise George, Nebraska Wesleyan University, Lincoln
Long Range Planning:	Claire M. Oswald, College of Saint Mary, Omaha
(& Interim Co-director)	M. Rosalind Morris, University of Nebraska–Lincoln
Program Chairman and Editor of <i>PROCEEDINGS</i> :	Walter Mientka, University of Nebraska–Lincoln
Editor of <i>TRANSACTIONS</i> :	John F. Hertner, University of Nebraska at Kearney
Manager of Maiben Research Center, Otoe County:	Albert W. Zechmann, University of Nebraska–Lincoln
Managers of Schultz Prairie, Webster County:	Robert B. Kaul, University of Nebraska–Lincoln
	David T. Lewis, University of Nebraska–Lincoln
	Thomas B. Bragg, University of Nebraska at Omaha
	James Stubbendieck, University of Nebraska–Lincoln
Educational Coordinator:	Dale Rathe, Lincoln Public Schools
Co-director of TER-QUA:	Lee Anderson Smith, Smith Geosciences/TER-QUA, Houston, Texas

# TRANSACTIONS of the NEBRASKA ACADEMY OF SCIENCES

Volume 21

November 1994

## EDITORIAL CONTENTS

Nebraska Academy of Sciences Officers, Policy Committee .....	ii
Editorial Board .....	iv
Membership Objectives and Friends of the Academy .....	v
Nebraska Association of Teachers of Science .....	vi
Preparation of manuscripts .....	inside back cover

## PAPERS

The limnology of three limestone rock quarries in east-central Nebraska and western Iowa .....	1
<b>Christopher D. Mayne</b>	
An ordination of Niobrara Valley plant communities .....	9
<b>Gail E. Kantak</b>	
Diversity of vascular plants and intensity of plant collecting in Nebraska .....	13
<b>Robert B. Kaul and Steven B. Rolfsmeier</b>	
Floristic analysis of the <i>C. Bertrand and Marian Othmer Schultz Prairie</i> , a mixed-grass prairie in south-central Nebraska .....	21
<b>Steven J. Rothenberger</b>	
A survey and analysis of the unionid mollusks of the Elkhorn River Basin, Nebraska .....	31
<b>Ellet Hoke</b>	
Notes on the biology and a description of the egg, third instar larva and pupa of <i>Neobisnius sobrinus</i> (Coleoptera: Staphylinidae) .....	55
<b>Daniel A. Schmidt</b>	
Nectar-seeking visits by butterflies in a tallgrass prairie remnant in eastern Nebraska .....	63
<b>Tanya Bray</b>	
The status of Nebraska fishes in the Missouri River, 3. Channel catfish (Ictaluridae: <i>Ictalurus punctatus</i> ) .....	73
<b>Larry W. Hesse</b>	
The status of Nebraska fishes in the Missouri River, 4. Flathead catfish, <i>Pylodictis olivaris</i> , and blue catfish, <i>Ictalurus furcatus</i> (Ictaluridae) .....	89
<b>Larry W. Hesse</b>	

The status of Nebraska fishes in the Missouri River, 5. Selected chubs and minnows (Cyprinidae): sicklefin chub (*Macrhybopsis meeki*), sturgeon chub (*M. gelida*), silver chub (*M. storeriana*), speckled chub (*M. aestivalis*), flathead chub (*Platygobio gracilis*), plains minnow (*Hybognathus placitus*), and western silvery minnow (*H. argyritis*) ..... 99  
**Larry W. Hesse**

The status of Nebraska fishes in the Missouri River, 6. Sauger (Percidae: *Stizostedion canadense*) ..... 109  
**Larry W. Hesse**

Morphometry of growth in hatchling striped plateau lizards (Iguanidae: *Sceloporus virgatus*) ..... 123  
**Geoffrey R. Smith**

Genetic variation and differentiation of North American waterfowl (Anatidae) ..... 127  
**David W. Oates and Joann D. Principato**

First record of *Pipestoneomys* (Mammalia: Rodentia) from the Orellan (Oligocene) ..... 147  
**Christopher M. West and William W. Korth**

### EDITOR'S CORNER

The *Transactions of the Nebraska Academy of Sciences* publishes results of original research by members of the Academy in good standing. It is indexed in *Biological Abstracts* and is received by more than 600 libraries worldwide. Presentation of a paper at the annual meeting of the Academy is not a prerequisite or a guarantee of publication in the *Transactions*. Persons wishing to submit a paper for consideration should consult the inside back cover of this volume for information about preparation and style of manuscripts. Manuscripts are reviewed by at least two referees, including at least one from outside the author's institution. Following review by the referees and the editorial board, the author is notified whether or not the paper is accepted for publication and, if accepted, of necessary revisions.

The valued assistance of the many reviewers of manuscripts is gratefully acknowledged.

## NATS — NEBRASKA ASSOCIATION OF TEACHERS OF SCIENCE

The purpose of the Nebraska Association of Teachers of Science is advancement, stimulation, extension, improvement, and coordination of science education in all fields of science at all levels and is dedicated to the improvement of science education in Nebraska.

Membership is available to those engaged in the teaching of science and to those interested in science education. Activities include: 1) *The Annual Fall Conference*, providing science educators with updates in content and strategies designed to enhance science education in Nebraska. Workshops, speakers, and concurrent sessions are available in each content area and at all levels from elementary to post secondary. 2) *The NATS Newsletter*, a quarterly publication designed to provide a communication link among all NATS members. Each edition provides information on current research in science education, resources, opportunities for workshops and conferences, teaching tips, activities of affiliated groups, and recognition for outstanding educators in Nebraska. 3) *The Presidential Award for Excellence in Science Teaching*, coordinated and administered by NATS. 4) *The Outstanding Contributions to Science Education Award*, given annually to a Nebraskan who has made outstanding contributions to science education. 5) *A Spring Drive-in Conference*, held annually to provide updates and activities on selected science-education topics. 6) *The Nebraska Science Olympiad annual competition for students*, sponsored by NATS to stimulate interest and provide recognition for achievement in science. 7) *The Technology, Ecology, Kids Camp*, a one-week experience for middle-school students. The program provides students with experiences using computers and robotics, as well as current information about wellness and environmental science.

## TER-QUA—INSTITUTE FOR TERTIARY AND QUATERNARY STUDIES

The Institute for Tertiary and Quaternary Studies (TER-QUA) was organized in 1968 in Lincoln at the recommendation of the National Academy of Sciences-National Research Council's U.S. International Committee of INQUA (International Union for Quaternary Research), and it became a Division of the Academy in 1974. This Division was joined by an organization of Gulf Coast geologists in 1982. TER-QUA is composed of multi-state, interdisciplinary working groups, whose research is directed to the changing environments—past, present, and future—of the Great Plains and Gulf Coast, with particular emphasis on water resources and climate. Instrumental in fulfilling the objectives of INQUA was Professor C. Bertrand Schultz, Co-director of TER-QUA and Executive Director of the Academy for many years.

TER-QUA SYMPOSIA are held periodically at Great Plains or Gulf Coast locations, including Nebraska, Colorado, Texas, Kansas, and Oklahoma. The planning sessions for these meetings are conducted at the Annual Meeting of the Academy by the TER-QUA Advisory Board, which includes persons from several states.
