STANDING RULES
for
Nebraska Educational Office Professionals Association (NEOPA)

Standing Rules can be adopted by a majority vote at any Association meeting. No Standing Rule or other resolution can be adopted if it is in conflict with the Bylaws. Standing Rules should contain only those rules that are subject to the will of the majority at any meeting and those rules that it may want to change at any time, without having to give prior notice.

1. The dues for each fiscal year, July 1 through June 30, shall be determined upon adoption of a budget for the next fiscal year at a general membership meeting. Current annual dues are: Active members ($20); Associate members ($20); and Retired members ($10). FSP points coincide with paid membership.

2. Registration fees for the Spring and Fall conferences shall be set at a rate to cover the estimated expense. All income and expenses will be handled under the direction of the NEOPA Treasurer.

3. The newly installed President shall be the delegate to attend the Annual Meeting of NAEOP. The newly installed President-elect shall be the alternate delegate to attend the Annual meeting of NAEOP. If the newly installed President and/or President-elect cannot attend, the Board of Directors will choose alternates by ballot. Conference expenses shall be reimbursed up to $500 for the Delegate, based on need and NEOPA’s financial status. If the Alternate Delegate is required to fill in as Delegate, they will receive reimbursement as stated above for the Delegate. The Delegate will write an article for the NEON reflecting on the Advisory Council process.

Questions for Board: At what point is it decided if the Delegate gets up to $500, a lesser amount or nothing? How is it decided and who decides it?

4. Installation of officers will be held during a general membership meeting and designed by the incoming President. The incoming President will obtain and present the outgoing President with a gavel-guard, chair, and plaque, gift representing their year of service to NEOPA.

Rationale: We don't have a current NEOPA pin, so the gavel guard and chair are irrelevant. In the last several years, the outgoing president has been given a clock and a plaque. This wording will allow some freedom in choosing the appropriate gift.

5. Board of Directors: Members of the Board of Directors will not be reimbursed for mileage to attend Association related meetings. Mileage incurred by presenter(s) for field service may be reimbursed at the discretion of the Board of Directors.

Rationale: correct wording

6. Job descriptions for each Executive Committee officer and Area Coordinator will be maintained by the Secretary and routinely reviewed annually by the Board of Directors.

Rationale: Needs to be specific to ensure this is done.

7. All NEOPA members are eligible for any award sponsored by the Association. If the Awards Director or any member of the Awards Committee is nominated for an award, they must resign their position on the committee. Judges for NEOPA awards shall not be members of the Association.

Rationale: To remain on the committee would cause a conflict of interest.
8. A listing of the Duties of the Executive Committee and Area Coordinators shall be included as an attachment to the Bylaws and Standing Rules. The Board of Directors shall annually review the duties of the Area Coordinators and update duties of the Area Coordinators, as needed. Rationale: Needs to be specific to insure this is done.

9. Candidates for all elected positions shall have served at least one year on the NEOPA Board or as an elected officer, director or hold the same office in their local association.

10. The following are awards and scholarships given by NEOPA:
   - NEOPA Educational Office Professional of the Year Award
   - NEOPA Educational Administrator of the Year Award (NOTE: Suspended for 2015-2016)
   - NEOPA Student Scholarship (NOTE: Not awarded in 2015-2016)
   - NEOPA Member Scholarship for NAEOP Conference Attendance

11. A complimentary NEOPA membership pin is given with every new membership and will be sent to each new member. Rationale: We don’t have a current membership pin for NEOPA.

12. Regular meeting rules apply to any telephone or electronic meeting as governed by Roberts’ Rules of Order and the NEOPA Bylaws. See Special Standing Rules for Electronic Meetings (attached). Proper notice of the meeting must be given; a quorum is established through a roll call; each member must be given an opportunity to express their views (state name before speaking) and to listen to the views of others; and votes are taken by roll call, general consent, written ballot or by electronic means. Rationale: To establish appropriate rules for electronic meetings to insure the rights of meeting participants.

13. Voting for election and Bylaws changes may be conducted via electronic voting methods. With the approval of the Board, the Nominating Director may select the electronic voting method (i.e., Survey Monkey, Ballotin, etc.) to be used. Electronic voting links will be emailed only to voting members. Voting members without email will receive paper ballot via US Mail. Voting will remain anonymous and the program used will not track voters by name. Regular voting guidelines will apply to electronic voting. Rationale: Clarify electronic voting process.

14. There will be at least one-year period of time between a NEOPA member serving as NEOPA Treasurer and NEOPA Finance & Records Committee Director.

15. In the absence of the Recording Secretary, a member of the Board will be appointed by the President or presiding officer to take minutes. Rationale: Clarifies who is responsible for appointing the acting recording secretary.

Special Standing Rules for Electronic Meetings  
**Nebraska Educational Office Professionals Association (NEOPA)**

To be attached to Bylaws, Standing Rules and Duties of Committees. These will be reviewed annually by the NEOPA Board of Directors. The Board of Directors may update the Special Standing Rules as needed.

Roberts' Rules of Order Newly Revised is the parliamentary authority for NEOPA, and must also govern meetings conducted via electronic means as much as possible, with adjustments as necessary to accommodate the necessary logistics. The basic guiding principles of Roberts' Rules should remain the focus of these special standing rules:

- Allow all members a fair and reasonable opportunity to participate
- To protect the rights of a minority to express their views
- To provide the means for the group to make decisions after a thorough discussion.

These guidelines will help to ensure electronic meetings will follow Roberts' Rules of Order and protect the rights of all members involved in the meetings.

1. Notice of electronic meetings must include a description of how to participate. For conference calls, call-in numbers and access codes will be provided to all participants. For on-line meetings (Google Hangout, Adobe Connect, Go To Meetings, etc.), links will be provided to all participants. It is the responsibility of the participants to check the link and verify their connectivity.

2. Members shall state their names when they join the meeting or depart the meeting.

3. All phones/microphones shall be on mute unless the member is speaking.

4. Main motions and complicated amendments shall be submitted by email to ensure they are recorded in written format.

5. No member shall speak more than two (2) minutes on any question, or more than twice on the same question if others are waiting to speak.

6. Members shall seek recognition from the chair by sending a text or instant message to the President-Elect. The President-Elect will maintain the speakers list. (Some on-line meetings provide the means for people to be recognized.)

7. Votes shall be taken either by unanimous consent, roll call, or secret ballot. If a secret ballot is required, votes shall be sent to the Vice-President, who shall act as teller. Or voting could be conducted via Survey Monkey, Google, or other medium that protects the identity of the voter.

   **NOTE:** One major disadvantage of email voting is that confidentiality of the proceedings is impossible to enforce, since any participant can save email indefinitely and forward it to a third party at any time. Some topics may not lend themselves to voting by email if confidentiality is required.

8. Voting in email meetings can be more complex than in face-to-face meetings, so it is recommended to establish who will distribute ballots, receive and count returned ballots, and announces results. It is recommended that this duty be assigned to the Vice-President.
9. Concurrent web presence is not required for conference calls, but may enhance the ability to participate.

10. Each member is responsible for his or her connection to the telephone conference call or on-line meeting; no action shall be invalidated on the grounds that the loss of, or poor quality of, a member’s individual connection prevented him or her from participating in the meeting.

**Step One: Review the proposed Bylaw changes. These are the changes proposed:**

Propose an immediate Bylaw change to Article VII – Duties of Officers, Section 2 and Section 3:

Section 2.

The President-elect shall oversee membership. In the event of the President’s absence, the President-elect shall perform the duties of the President. **In the event of a vacancy in the office of President-elect, a special election will be held immediately.** In the event of a vacancy in the office of President, the President-elect shall become President and shall assume the duties and authority of the office for the remaining term plus one year.

Section 3.

The Vice President shall serve as Conference Coordinator. In the absence of the President and President-elect, the Vice President shall be the presiding officer. **The Vice President shall fill the remaining term of the President-elect should a vacancy occur, whereupon the office of President-elect will be filled by ballot at the next election.**

**RATIONALE:** As currently stated, the provision for filling a vacancy of the President-elect at the next election still leaves a vacancy in either the President or President-elect position. The revised wording will allow the President-elect position to be filled immediately without disrupting the organization of the association.

**Attachments:**

- The current Bylaws are attached for your information. We are seeking revisions to Article VII, Section 2 and Section 3 at this time.
