Celebrate Us!

As the Professional and Organizational Development Network in Higher Education celebrates its twentieth anniversary, we would like to honor those programs that have been serving faculty, teaching assistants, and administrators at campuses throughout the nation. They serve in a variety of ways, providing faculty, instructional, and organizational development for the improvement of learning and teaching.

The list that follows is hardly exhaustive. It represents only those members of POD who submitted their founding dates in response to a query. Where two programs are offered at the same institution, they have been listed separately. Years in operation to date have been interpreted as years already completed, either under the present name or a previous name. Collectively, the list represents nearly 1,000 program years of support for professional development. We celebrate our members!

To: Celebrate Us Certificate Awardees

From: Nancy Chism

Re: Letters to administrators

I've been asked to write letters to the academic administrators at some of the institutions who were awarded certificates from POD so that word of this celebration is passed on. If you would like a similar letter, please send me the name and address of the person to whom it should go and I will send the letter. Feel free to make alterations to the form letter to make it more appropriate to your context. If I don't hear from you, I'll assume you do not want anything sent. Thanks.

Draft letter:

Dear

At the recent meeting of the Professional and Organizational Development Network in Higher Education (POD), we celebrated those programs with more than twenty years of achievement in professional and organizational development. We were happy to include (institution's) (name of program) among those honored. The certificate we gave this program read:

On the occasion of its twentieth anniversary, the Professional and Organizational Development Network in Higher Education congratulates the (program name) at (institution name) on its impressive record of (#) years of service to professional and organizational development and for the impact this program has had on teaching and learning at (institution name).

We do know that behind every successful program there is a support network that fosters its work. We therefore wish to congratulate those at (institution) who support the (program name) as well. As you can see from the enclosed booklet, your institution is in a leadership position with respect to professional development. Our organization appreciates the national contribution you have made to enhancing the quality of teaching and learning through the impact that (program name) has made. Please share our gratitude with those who have been involved.

Sincerely,
