April 3, 1972

Charter Membership

We are very pleased with the initial response to our offer of charter membership in the association. As of March 21, 1972 we have 53 paid charter members and one honorary member. This far exceeds our best expectations and we thank all of you for your support. A membership list is enclosed for your information. You can help the association by contacting persons who might be interested in membership and giving them information about the association, or by referring their names and addresses to Dorothy Heinecke.

Committee Assignments

The association constitution and bylaws (which are to be considered and adopted at the July 17-20, 1972 meeting in Chicago) provide for six standing committees: Program, Membership, Constitution and Bylaws, Finance, Public Relations and Internal Communications, and Nominating. If any of the charter members are interested in serving on any of these committees I would appreciate it if they would let me know.

It is particularly important that the nominating committee be appointed prior to the annual meeting so that the first year officers of the association can be selected.

Regional Presidents

As part of your invitation to join the association you received a package of material about the association. One item in that package was a map depicting the eight proposed regions within the association. At the Chicago meeting we need to appoint eight regional presidents for the first year. Again, please let me know if you have suggestions, or wish to be considered, as president for the region in which you are located.

First Annual Meeting

Within the next 60 days we hope to have final information to you about our first annual meeting to be held in Chicago on July 17-20, 1972. Please reserve these dates now, because we believe it is particularly important that we have a large attendance at this first meeting to insure the future success of the association.

Luther R. Robb, Chairman
The Pennsylvania State University
