# NEBRASKA INNOVATION STUDIO

[innovationstudio.unl.edu](http://innovationstudio.unl.edu)

Nebraska Innovation Studio (NIS) is a member-based makerspace, open to everyone. Members make projects for school, prototype designs, make things to sell, or just have fun. Our motto is innovate, collaborate, fabricate.

Members have access to all the equipment, and there is no fee for equipment use. Training is free and required on most equipment. NIS also offers advanced skill-based workshops

Opened in October 2015, Nebraska Innovation Studio is a non-profit affiliated with the University of Nebraska.
