Dear UNOPA Members:

At our March meeting Sandy Lineberry informed the membership about the efforts to establish a Professional Standards Program (PSP) Endowment Fund. The purpose of this fund is to provide modest stipends for UNOPA members who have earned their PSP Certificates.

I am pleased to report that the PSP Endowment Fund has indeed been established and we are now beginning the fund-raising campaign! I would like to issue a challenge to all UNOPA members. I challenge you to contribute \$5.00 (or more) to the PSP Endowment Fund. I will match the total dollars contributed for this campaign up to \$1,000. Together we can contribute \$2,000 for this worthy cause!!

UNOPA's mission has always been to promote Professional Growth and now we are working toward providing an incentive for members to pursue the PSP recognition. This particular fund-raising campaign will begin today and continue through the summer months. My goal is to be able to come to UNOPA's September meeting with a \$1,000 check to match your contributions.

I sincerely hope you will meet my challenge. Together we can promote professional development and help others recognize the outstanding efforts of our PSP Certificate recipients. Together we can make a difference!!

Sincerely,

Jeanne Andelt, Chair
PSP Ad Hoc Committee
