The POD Network

Reading Packets

2003-04

For Use with

- consultations
- workshops
- seminars
- classes

The Professional and Organizational Development Network in Higher Education is pleased to offer you these reading packets on current, relevant topics in higher education teaching and learning. The packets are composed of past *Essays on Teaching Excellence,* a POD Network publication series begun in 1989.

Written by expert scholar-practitioners, these thoughtful and succinct essays consist of two pages each. They will be useful as cohesive readings for your faculty development workshops, seminars, individual consultations, and classes on college teaching.

Purchase allows unlimited reproduction and use within the purchasing institution. Camera-ready master copies are provided, or you may order web-ready html files.

Packets must be ordered as a whole; we regret we are unable to provide individual essays.

Packet #1:   Alternatives to Traditional Teaching Methods and Learning Strategies
1) *Academic Service-Learning: Myths, Challenges, and Recommendations,* Jeffrey Howard
2) *Learning Outside the Box: Making Connections Between Co-curricular Activities and the Curriculum,* Myra Wilhite and Liz Banset
