Vice Chancellor Research

On behalf of Richard Maresh, I am inviting you to attend the next committee meeting to be held on January 12, 1993 from 10:00 a.m. to noon in Room 224 in L.W. Chase Hall on the East Campus of the University of Nebraska, Lincoln. We are hopeful that Fred Chase will be able to join us for the meeting. I believe he has written to most of you concerning his interest in this committee's activities.

I have also invited Kevin Meyer of the University of Nebraska Foundation to attend our meeting. I have asked him to discuss the opportunities to use the Foundation to garner contributions and support for the museum.

Attached is an agenda for the meetings. I trust that each person responsible for an agenda idea will be present to make a report or will locate someone to make the report. Please come prepared to add items to the agenda. I look forward to seeing you all on January 12.
