Group Resume

[COMPLETE ONE PER TABLE]

Resumes typically describe an individual's accomplishments. Since each of you has an incredible array of talents and experiences, create a single group resume to allow you to become acquainted with your fellow project participants.

- [1] How many years of teaching experience does your group have?

- [2] Estimate the total number of students your group has taught over the years? How many students will your group be teaching this fall?

- [3] What is the total number of years that your group has been employed at UNL?

- [4] In how many different languages can your group teach subject in? What languages?

- [5] What is the worst job anyone in your group has ever had?

- [6] What is the total number of classes your group will be teaching this coming fall semester?

- [7] How many states has your group lived in? How many countries?

- [8] If money were no limitation, where would your group go for a weeklong retreat?
