UNOPA's Professional
Development Series**

When we find ourselves moving in a new direction, we often look for someone whom we can turn to for advice and encouragement and through their assistance, our fears are overcome and we are able to stay on course. Through UNOPA's series of "Keys to Professionalism", everyone will have the opportunity to increase their own passions and potential. Presentations will be made throughout 2006-07.

Gail is a Certified Employee Assistance Professional and qualified DOT Substance Abuse Professional. She is a member of the American Society for Training and Development (ASTD). Come meet Gail and learn about the services the EAP provide to all employees of UNL.
