PROFESSIONAL AND ORGANIZATIONAL DEVELOPMENT NETWORK IN HIGHER EDUCATION

July 1984

Dear Colleagues,

This POD Membership Directory - Special Edition is composed of self-descriptions provided by approximately one-third of our members during the spring of 1984. To be included in the Directory, you merely had to return a standard form mailed out in two POD newsletters. That turned out to be difficult for some because my address was inadvertently omitted from the letterhead on the second mailing. Many of you faced up to the challenge and tracked me down.

The index to the Directory lists those members included by region and special interest categories. I hope that the Directory will assist you in locating members in your region or with whom you share special interests.

The names and addresses of other members are included in the Membership List that you received earlier this year. It is my hope that each of you will choose to participate in Special Edition II in 1985 so that we will have a better chance of "networking" with one another next year.

Sincerely,

LuAnn Wilkerson
Executive Director
