This Article is brought to you for free and open access by the Vertebrate Pest Conference Proceedings collection at DigitalCommons@University of Nebraska - Lincoln. It has been accepted for inclusion in Proceedings of the Seventeenth Vertebrate Pest Conference 1996 by an authorized administrator of DigitalCommons@University of Nebraska - Lincoln.

## CONFERENCE PARTICIPANTS

The number of registered attendees was 340. The participants came from 31 states, the District of Columbia, and from 9 other countries. The wide representation from the United States and countries throughout the world contributed to the success of the Conference by providing a highly knowledgeable and diversified group for the exchange of research progress, new ideas, and information on a wide range of vertebrate pest topics.
