2016-2017 UNOPA Annual Report
“Finding the MAGIC Within Ourselves”

2016-2017 UNOPA Annual Report: Reports of Elected Officers

President – Patricia Liedle

What an honor it has been to serve as your president for 2016-2017. My year was full of excitement and challenges, but most of all I had the opportunity of getting to know more about the members in UNOPA and how things flow within the University when you are the voice of an organization. I can honestly say it went by extremely fast!

Proceeds from the 50/50 drawings at our general meetings were shared with University of Nebraska Camp Kesem chapter. Camp Kesem (Kesem means “MAGIC”) is a camp hosted by University of Nebraska students each year where children get to come and have fun for one week free of charge. All of these children have been affected by a parent who has or has had cancer. Camp Kesem week gives them a chance to be a “kid” and not have to worry about their parents and how they are feeling. UNOPA raised nearly \$400 which will cover $\frac{3}{4}$ of the fee to send one child to camp for a week. At the September general meeting, we were given a presentation from two members of the Camp Kesem UNL group. UNOPA also collected items to provide at camp for the children attending to help them with crafts and personal hygiene needs as our “Giving Tree” recipient for 2016.

At our December general monthly meeting we were honored to have the “Bathtub Dogs” perform for our entertainment. This a cappella group is made up of University of Nebraska male students, but it is not a recognized UNL student organization.

In March UNOPA had the distinct honor of hosting Chancellor Green to address the UNOPA group as a whole. Many believe this may have been a first for UNOPA to have a Chancellor agree to speak to our association. Chancellor Green is highly respected and he is genuine in how he cares about and treats his employees and students.

One of the biggest events this year was having the opportunity to represent UNOPA in a video segment and participate in the actual installation ceremony of the University of Nebraska’s twentieth Chancellor Ronnie Green, on April 6, 2017.

UNOPA was asked to have a member serve as a representative on the Campus Police Student Advisory committee and also on the Tobacco Free Campus Initiative committee.

President-Elect/Program Director – Barbara Homer

Tricia Liedle and Barbara Homer organized the program. I also worked with the Outreach Committee Director with setting up meetings.

The Bradley Munn Professional Growth Fund Committee monitors the Foundation account, which is dedicated to professional growth. Members may request reimbursement for out-of-pocket expenses for professional growth activities. Reimbursements must be approved by the committee according to printed guidelines. We received one request for reimbursement: Lola Young (\$100) for a NEOPA Fall Workshop.

Donations were made to the NAEOP Foundation Educational Fund and NAEOP Marion T. Wood Student Scholarship Fund in the amount of \$25 each.

NEOPA/NAEOP Liaison

Louise Henderson Nelson Award

This is not being submitted for the 2017 National Conference. There have been several discussions regarding the value and benefits of this submission. NAEOP is currently working on updating the submission for the award.

**2016-2017 UNOPA Annual Report:
Reports of Standing Committees**

Awards Committee – Sara Luther, Director and Alicia Arnold, committee member

Received one nomination for the Floyd S. Oldt Silver Pen Award which was awarded to Gretchen Mills from Social and Behavioral Sciences Research Consortium Department at the University of Nebraska-Lincoln. (November 2016)

Unfortunately, there were no Floyd S. Oldt Outstanding Staff nominees for 2016.

We received three nominees for the Floyd S. Oldt Boss of the Year Award. The recipient was Wendy Smith, Center of Science, Mathematics and Computer Education at the University of Nebraska-Lincoln. (November 2016)

Susan Thomas who works in the Department of Agronomy and Horticulture at the University of Nebraska-Lincoln was the selected recipient of the Rose Frolik Award out of five nominations. Nominations for this award have been steady or increased, as we now email direct supervisors about their eligible co-workers. (April 2017)

Bylaws/Nominating Committee – Cheryl Wemhoff, Director

Committee Members: Marilyn Johnson, Math Dept. City Campus and Kay McClure-Kelly, Horticulture Dept. East Campus

Expenses

None – no ballots were mailed

The committee met several times as they were also the nominating committee for new officers. The general consensus is that if you want more people involved then you get more people on committees and thus a nominating committee needs to be separate from Bylaws.

Bylaws revisions

The following revisions were made to the Bylaws during the 2016-2017 academic years and were approved.

- 1) October 2016 – Standing Rules – changed to state that a standing committee should have at least three members participating on the committee. The Recording Secretary should have completed job descriptions for each standing committee that should be reviewed by the Executive Board each year.
- 2) March 2017 – Career Development – The committee shall not administer the Nebraska Sales Professional Development Scholarship as it was discontinued several years ago.

- 3) July 2017 – Membership Committee – Director and Co-Director. There shall be a Co-Director of the Membership Committee who will move into the Director’s position the following year. This is a two-year commitment: one year as Co-Director, one year as Director.

A copy of the Bylaws is posted on the UNOPA website.

Career Development Committee/Professional Standards Program – Lorraine Moon and Debbie Hendricks, Co-Directors

The Career Development and Professional Standards Program (PSP) Committee held three workshops. On August 11, 2016, Liz Banset from the Office of Research and Economic Development presented a workshop entitled “Active Listening.” This workshop was free to UNOPA members. In February, Julie Masters, Chair of Gerontology, presented a workshop on “The Benefit of a Death Plan.” Those, who had heard Julie speak previously requested this workshop. There was a \$5.00 registration charge to cover the cost of refreshments.

Lisa Morehouse, President-Elect of the National Association of Educational Office Professionals and member of the Lincoln Public Schools Human Resources Department, presented our last workshop on March 29. Her topic was “The Rising of the Phoenix’ which covered people coming together after a disaster and how this applied to both our personal and professional lives and to the organizations to which we belong. Attendees at the workshops received PSP certificates to apply toward certification.

Technology Committee – Mary Klucas, Director

Committee members: Breana Garretson, Jennifer Greenlee, Alycia Harden, and Andrea Peterson.

According to the UNOPA Bylaws, Standing Rules and Duties of Committees, the Technology Committee will update and maintain UNOPA’s webpage. It is strongly recommended that the Committee Director have working knowledge of html, pdf, and ftp. Commitment is for two years.

The UNOPA website was updated as new information became available regarding meetings, speakers, reports and awards. As of this report all minutes to the general membership and the executive committee are current and under “Meetings” on the website. The site is up-to-date with the most current template of the University.

The UNOPA website received second place recognition at the National Association of Educational Office Professionals Annual Conference in July 2016. We submitted an entry again this year for the same competition.

Employee Concerns Committee Reports – Carol Wusk and LeAnn Frobom, Co-Directors

Campus Recreation Advisory Council – Kay McClure-Kelly

The purpose of the Campus Recreation Advisory Council is to provide an opportunity for student, faculty and staff involvement and program control. The Council is charged with the responsibility to: 1) hear cases, judge the validity, and decide on the appropriate action to be taken on all decisions appealed to it from the Directory of Campus Recreation; 2) advise the Campus Recreation staff as to changes in the interpretation of rules and policies governing specific campus recreation programs; 3) assist in developing Campus Recreation's fiscal year budget requests; 4) serve as a sounding board for all Campus Recreation programs and services; 5) advise the Campus Recreation staff of needed additions/improvement to recreational sports facilities; and 6) perform other duties as assigned by the Director of Campus Recreation.

Campus Recreation Advisory Council includes 3 representatives from faculty/staff and 13 student representatives: 1 graduate student, 4 Greek Life, 4 off-campus, and 4 residence hall. The group met one or two times per month during academic year 2016-2017. Representatives were assigned sub-committees to report on various aspects of recreation according to their charge of responsibility.

The sub-committees:

Executive
Marketing & Technology
Member Services
Outdoor Adventures
East Campus Recreation
Sports Clubs and Youth Activities
Strength Training & Conditioning
Wellness Services
Business Operations & Human Resources
Development & Communications
Facilities Planning & Operations
Group Fitness
Injury Prevention and Care
Instructional Outreach & Aquatics
Intramural & Extramural Sports

Members resolved issues that came before the Council during the academic year. Various events were held at campus recreation facilities that CRAC members helped facilitate.

Chancellor's Campus Safety Committee – Lisa King

Major take-aways from the committee:

- Keep classrooms, labs, etc. free of clutter
- Custodians should hang up mops in the closet
- Clear out storerooms on a regular basis

Chemistry labs are being updated so students can keep their belongings with them, rather than all being stored by the entry, increasing the possibility of people tripping.

CUSC is working on a campus-wide emergency alert system, to include visitors to campus as well as announcements made in class.

Employees should follow established safety procedures; most accidents and time off from work occur when people take shortcuts instead of using the proper equipment.

Chancellor's Commission on Environmental Sustainability – Sara Luther
NO Report/Inactive

Chancellor's Commission on the Status of Women – Edie Schleiger

The Chancellor's Commission on the Status of Women began the year having a retreat to get to know all the new members of the Councils and discuss what topics each Council will focus on.

In October, we met with Chancellor Green to discuss how he sees the function of the Commission, whether as an advocacy or an advisory group. We outlined the history of the Commission as well as current issues. Chancellor Green agreed that the Chancellor should be involved in the Commission. He would like the Commission to continue to bring campus issues to him and agreed to bring issues to the CCSW when he needs counsel. He is willing to help identify potential members. He also suggested the CCSW make a short presentation to the University Leadership Team, which meets once a month. This would be a good way to reach many of the directors, department heads, deans, etc. The commission believes that better visibility and clear guidelines will be helpful for recruitment. They would like to focus on Title IX issues.

Later in the year, we discussed filling current vacancies and the spring vacancies now so the councils are full and ready to go in the fall. Each council will decide which applications to recommend to the Chancellor. The Staff Council received 20 applications to fill four seats. We've never had that much interest since I joined the Commission in 2010. In finalizing our selections, we tried to choose members that represented various areas of the campus.

In the spring, the new members joined the full Commission and we broke into small groups to learn about each other and then introduced each other to the larger group. The Chair discussed the purpose of the commission, confidentiality and member responsibilities. Later, we met with Karen Kassebaum, Director of Staff Diversity and Inclusion. They also discussed addressing maternity leave, background checks and equal allocation in all types of leave. Our final full commission meeting focused totally on the equal application of the maternity leave policy. It has been determined that maternity leave policies will be a central issue for the commission next year as it impacts all three constituencies, Faculty, Staff, and Students.

Employee Benefits/U-Wide Employee Fringe Benefits – Diane Wasser

The U-wide benefits committee meets twice a year to discuss changes in the health care benefits, life insurance, and other benefits the University offers their employees. I was unable to attend the fall meeting and the spring meeting was an informal independent meeting with each campus.

Our discussion at that meeting focused on: new offerings such as the 3-D Mammograms that are now part of our preventative care plan, information about a new offering called “telehealth” which was being tested by several of the benefit employees. You can visit the website for more information on “telehealth” at <https://www.nebraska.edu/docs/benefits/BlueCrossTelehealthServices.pdf>.

Employees can expect to see a modest increase in healthcare over the next couple of years as the university employee population ages the health care costs rise giving way to increased premiums. This is unfortunate and the university is trying very hard to keep our premiums affordable

Employee Emergency Loan Fund Advisory Committee – Shelley Everett, Jan Wassenberg and Marcy Tintera

James V. Griesen Exemplary Service to Students Award – Barbara Homer

I was asked to serve on this committee by President Tricia Liedle, CEOE, in her absence. The award acknowledges extraordinary and sustained performance by an individual who goes beyond their assigned responsibilities in serving the UNL students.

Nine very strong candidates were nominated for this year’s award, which made it difficult for the committee to make a decision on awarding to only one candidate. The committee recommended the award be given to two candidates, and as a result, the recipients of the Griesen Award were presented to Jan Deeds, Associate Director, Gender Programs, and Director, Women’s Center; and Kelly Payne, Lecturer, English Department.

Parking Advisory Committee – Marilyn Johnson

NO report for 2016-2017

It was decided that the 2016-2017 Summer Social would be a larger event and is now in the final planning stages.

The 2016-2017 Summer Social was held at the East Campus Bowling Lanes on Wednesday, June 21, 2017, from 3:00 pm to 5:00 pm. Along with bowling, there were games, refreshments, prizes and visiting.

UNOPA Notes Committee – Lindsay Augustyn, Director

There were 10 issues of *UNOPA Notes* distributed to UNOPA members and all are posted on the UNOPA.unl.edu website as well as in the UNOPA section of Digital Commons. We continue to do the online format and it is distributed as an e-newsletter via HTML, using the Announce system, which sends out the University of Nebraska-Lincoln's e-newsletter *UNL Today*. The editors use their My.UNL login and password information to access the *UNOPA Notes* newsroom and submit and edit stories. *UNOPA Notes* was also submitted to the National Association of Educational Office Professionals (NAEOP) for the newsletter competition.

Ways and Means Committee – Marla Nissen, Director

This year I served as the director and sole member of the Ways and Means Committee for UNOPA. The UNOPA Board members volunteered to work and manage one game day at the parking lot handling the pick-up and return of monies to Parking Services.

We had great success with parking lot sales this year. A total of 517 parking spaces for 8 football games were sold. We had a total of 73 workers both current or retired UNOPA members and a few guests who volunteered. Of those numbers, below will show a better breakdown.

4 - Members worked 4 times

4 - Members worked 3 times

10 - Members, 1 spouse and 1 retiree worked 2 times

17 - Members, 3 family and 1 retiree worked 1 time

The game which sold the most parking spaces was Oregon with 104 spaces. When the front lot filled, we filled the back lot. A check from Parking Services for a total of \$3,760.00 has been deposited. We also received a donation of \$5.00 from a patron at one of the games. Thank you to all who participated with this fundraiser!

At the end of the year we had two drawings for \$25.00 gift certificates for those who volunteered with parking lot sales.

A special thank you to Jane Schneider who was a ton of help and support to me in serving on this committee this year. I could have not done it without her!
