Gamma Sigma Delta

The Honor Society of Agriculture

Nebraska Chapter Newsletter

Issue #57

Summer 2019

President's Message

As most of you know, 2018 was the centennial year of the Nebraska Chapter of the Honor Society of Agriculture, Gamma Sigma Delta. As our organization begins its next 100 years, I hope you take the opportunity to think about what has been accomplished since 1918 and how agriculture has become the most successful applied science ever.

However, as we begin our next 100 years many challenges remain; challenges that will require complex, new ways of thinking. It was our great pleasure to learn from Dr. Elizabeth VanWormer as our guest speaker at our 2019 annual meeting as she introduced One Health, a new paradigm for agriculture. Liz spoke on *One Health in Nebraska and Beyond* and she is IANR's One Health coordinator. If you missed her talk or want to learn more about this new paradigm for agriculture visit Nebraskaonehealth.unl.edu.

In the upcoming year, we will be asking for your help in recognizing students, staff, and faculty to celebrate their accomplishments. To ensure accountability to the membership we will conduct a financial audit of the chapter. We have heard from our student members that they are eager to have a larger, more meaningful role in Gamma Sigma Delta. Please share your novel ideas with us.

Members Count and make a difference. Please join us in recruiting new members. Another way to make a difference and to recognize our excellent student work is to make a contribution to the Nebraska Chapter Gamma Sigma Delta Graduate Student Award fund. Our goal is to raise \$25,000 to endow it permanently. Your contributions will assist us in reaching this goal. The current balance in the fund is \$20,851.25. You will find a form to donate by check later in this newsletter or it is easy to donate online at:

<https://nufoundation.org/search?fundSearch=true&q=10996>

Gamma Sigma Delta is a voluntary organization and relies on many people for success and many thanks are due. When you have the opportunity, thank the CASNR, Extension, and ARD Deans for their generous support of our chapter that assists our focus on recognizing student and faculty accomplishment in IANR. The chapter's executive committee of Dennis Brink, Dana Boden, Robert Wright, Steve Waller, John Westra, and Dan Husmann have been strong supporters for a long time and have done so much for us. And a special thank you to our newest member to the Executive Committee, President-Elect Paul Hay.

**Gary Brewer, President,
Nebraska Chapter Honor Society of Agriculture, Gamma Sigma Delta**

Welcome New Members

We are pleased to announce that two of our undergraduate initiates this year, Kaitlin Taylor and Micah Most, are recipients of \$500 scholarships from Gamma Sigma Delta International for outstanding academics and service!

Recipients of Gamma Sigma Delta Awards

Award of Merit

Award of Merit for Outstanding Achievement recipient, Terence Hejny Nebraska LEAD Program with presenters, Mike Boehm, Harlan Vice Chancellor for the Institute of Agriculture and Natural Resources and Allen Blezek, Professor Emeritus, Agricultural Leadership, Education & Communication

Award of Merit

Award of Merit for Outstanding Achievement recipient Marjorie J. Kostelnik – Senior Associate to the President, University of Nebraska with presenters Mike Boehm, Harlan Vice Chancellor for the Institute of Agriculture and Natural Resources and Steve Waller Director Center for Grassland Studies

Excellence in Research Award

Excellence in Research recipient Rodney Moxley Veterinary Medicine & Biomedical Sciences with presenters: Archie Clutter, Dean and Director, Agricultural Research Division & Clayton Kelling Assoc. Dean College of Agricultural Sciences and Natural Resources & Director School of Veterinary Medicine & Biomedical Sciences

Excellence in Teaching Award

Excellence in Teaching recipient Jennifer Wood Animal Science with presenters Tiffany Heng-Moss Dean, College of Agricultural Sciences and Natural Resources and Renee McFee Assistant Professor ISU/UNL Coop Vet Med Education Program

Excellence in Extension Award

Excellence in Extension recipient Amit Jhala Agronomy & Horticulture with presenters: Chuck Hibberd Dean and Director, Nebraska Extension and Shripat Kamble Emeritus Professor Entomology

Outstanding Student Recognition

Outstanding Graduate Student

Outstanding Graduate Student, Meetpal Kukal (Biological Systems Engineering) with Suat Irmak, Harold W. Eberhard Distinguished Professor Biological Systems Engineering and Archie Clutter, Dean and Director, Agricultural Research Division

Outstanding Graduate Student Finalists

Finalists for Outstanding Graduate Student Recipients

Ethan Barnes (Agronomy & Horticulture); Jordan Reinders (Entomology)
Luis Eduardo Sabillón Galeas; Rafael Segura Munoz; and Junsi Yang (Food
Science and Technology) with Archie Clutter, Dean and Director,
Agricultural Research Division

Arthur von Bergen Memorial Award Recipient

Arthur von Bergen, alumnus of the University of Nebraska class of 1926, distinguished himself in the University as a leader and a scholar devoted to the field of agriculture and in giving service to his fellow man. The Arthur Von Bergen Memorial Award presented in recognition of a graduating senior in the College of Agricultural Sciences and Natural Resources (formerly College of Agriculture) who has maintained a high academic record and is active in worthwhile student activities.

Arthur von Bergen Memorial Award Recipients: Shannyn Bird Biochemistry and Molli Hagge Agribusiness with Tiffany Heng-Moss, Dean, College of Agricultural Sciences and Natural Resources

Outstanding Undergraduate Student

Finalists for Outstanding Undergraduate Student
Brianna Krokaugger (Microbiology); Heather Stamm (Nutrition & Health Sciences) With Outstanding Undergraduate Student – Erika Swenson (Fisheries and Wildlife)

Outstanding Undergraduate Senior & Finalists for Outstanding Undergraduate Senior

Finalists for Outstanding Undergraduate Senior: Molli Hagge (Agribusiness); Trevin Ball (Nutrition and Health Sciences); Shannyn Bird (Biochemistry); Micah Most (Animal Science) with Outstanding Undergraduate Senior Kaitlin Taylor (Agricultural Education)

Annual Meeting and Seminar

Nebraska Chapter Gamma Sigma Delta

Annual Meeting 2019

Thursday, April 11, 2019

The Nebraska Chapter Seminar and Annual Meeting was held in the Nebraska East Union. It began with an informative presentation by Dr. Elizabeth VanWormer, University of Nebraska-Lincoln's One Health Coordinator, "One Health in Nebraska and Beyond."

The Annual Meeting was then called to order at 4 p.m. by Chapter President Gary Brewer. President Brewer announced new Chapter President-Elect Paul Hay. President Brewer also thanked the IANR Dean's Offices for their financial support of the January Initiation and Awards Reception.

Paul Hay moved and Dann Husmann seconded approval of the previous minutes as presented. Motion approved by voice vote.

Robert Wright presented the Treasurer's report on behalf of Secretary- Treasurer Dennis Brink. It was noted the financial support of the January reception helped. The Foundation account now has close to \$20K. Husmann moved and John Westra seconded approval of the Treasurer's report. Motion approved by voice vote.

Wright then reported membership now includes approximately 50 initiates. There are many inactive members. Attendees were encouraged to remind colleagues to renew membership.

President Brewer noted an audit will be conducted and the conclusion of the audit included in the newsletter.

There was some discussion regarding engaging student members after initiation. Topic suggestions for speakers was solicited.

There being no further business, the meeting adjourned at 4:30 p.m.

Submitted by Dana W. R. Boden, Chapter Historian

In Memoriam

David Lee Keith

David Lee Keith, retired Professor & Extension Entomologist at the University of Nebraska-Lincoln, dedicated husband, father, and friend, passed away at age 78 in Lincoln, Nebraska on February 4, 2019.

A native of Amboy, MN, Keith was born Dec. 7, 1940 in Mankato, MN to Wendell and Verdeen Keith. He received a B. S. in Biology with a minor in Chemistry from Gustavus Adolphus College in St. Peter, Minnesota in 1962. He completed an M. S. degree in Entomology from University of Minnesota in 1965.

He began his employment with UNL in 1965 as a teaching and research assistant. In 1967 he was promoted to Instructor. During this time he pursued a Ph. D. in Entomology which he completed in 1971. Dave was appointed an Assistant Professor of Entomology in 1971. He was promoted to Associate professor in 1974 and to Professor in 1980.

During his time at UNL, Dave Keith conducted extension programs on a variety of pest problems, including agronomic and horticultural crop insects, public health, urban and stored product pests, and rangeland grasshoppers. He was known statewide from his weekly appearances on the "Backyard Farmer" live gardening show produced by Nebraska Extension and televised on Nebraska Educational Television.

Dave took sabbatical leave during 1985-1986 to serve as a consultant to the USAID Mid-America International Agricultural Consortium Dryland Agriculture Research Project in Settat, Morocco, and later served as Team Leader for this project from 1987-1991. While in Morocco he conducted research on Hessian fly biology, economic thresholds and varietal resistance in cereal crops.

When he returned to UNL he refocused his efforts to meet department needs in Urban Entomology and distance education. He led the development of the first Nebraska Urban Pest Management Conference in 1992, which addressed the needs of urban pest management professionals working in structural pest control, public health and stored product pest control. This popular annual program continues today. He taught residential and online courses in Field Crop Entomology, Horticultural Entomology and Urban and Industrial Entomology.

Dave was active in Gamma Sigma Delta and was initiated into the Nebraska Chapter in 1967. He was the Membership Coordinator for the Nebraska Chapter for many years. He was also a member of several other professional and honorary societies, including: Epsilon Sigma Phi, Phi Beta Delta, Sigma Xi, the Nebraska Cooperative Extension Association and the Entomological Society of America. He was active and served in several leadership roles, including President of the Partners of the Americas, Nebraska/Piaui Partnership, President of Phi Beta Delta (Alpha Phi Chapter), the Society of International Scholars.

A few of his significant awards include Distinguished Service Award (1984) Nebraska Cooperative Extension Association; Outstanding Service Award (1983) Partners of the Americas; Award of Merit (1983) Nebraska Honey Producers; Epsilon Sigma Phi State Distinguished Service Award (1997); and Extension Award of Merit, Nebraska Chapter of Gamma Sigma Delta (1998). His online course, Urban and Industrial Entomology, won a Telly Award in 1998.

He retired from UNL in 2004.

Survivors include his wife of 58 years, Brenda, daughters Becky (Dr. Mark) Coffelt, Jennifer Keith, Melissa (Shawn) Michaud, Rachele Keith; granddaughters Hallie (Tyler) Eby, Polly and Piper Michaud, and sister Sandra Keith.

In Memoriam

David S. Wysong

David S. Wysong, 84, of Lincoln, passed away October 27, 2018. David was born on April 20, 1934, to Noel B. and Dorothy E. (Michener) Wysong in Kentucky and raised in Park Ridge, Ill. David had a good childhood, teaming up with his older sister Martha to relentlessly tease his younger siblings Miriam and Bryan. Between 1953-1956, David served in the Army Signal Corps (as a cryptographer) in Korea. After a three year courtship, David married Sally Goodfriend in 1958.

David earned his bachelor's and master's degrees at Colorado State University and his doctorate in Plant Pathology at the University of Illinois, Champaign-Urbana. He was inducted into the Nebraska Chapter of GSD in November of 1969. David enjoyed a fulfilling career as a professor of Plant Pathology at the University of Nebraska-Lincoln, serving the state of Nebraska through extension research on plant diseases. Taking up flying, David discovered the beauty of Nebraska from the air. He enjoyed his work with farmers, foresters, extension agents, aerial applicators and many others. David was also a panelist for 31 years on Backyard Farmer, the longest running, local educational television show in the United States. David retired in 1995 as professor emeritus.

David and Sally had five children, Wendy Wysong (Tracy Rickett), Michael Wysong (Marcela), Jody Donovan (Nate), Elizabeth Wysong Hoffart (Matt), and Megan Wysong (Michael Holmes). Sally died in 2000, after a five year battle with ovarian cancer.

He might have been the friendly volunteer who gave you a cookie when you donated blood at the Blood Bank or brought supplies to a family member in hospice or showed you to your seat at St. Mark's UMC, or at the Lied Center. David met Marilyn Allen during a medical mission trip to Mexico in 2002 and they've been together ever since. David and Marilyn have enjoyed dancing, traveling, and spending time together. He has frequently commented that he is so fortunate to have loved two women who have loved him back just as deeply. David is survived by his brother; Bryan Wysong (Terry), sister; Miriam Meyer (Jerry), his five children, 14 grandchildren, two great-grandchildren, numerous nieces and nephews, and his beloved Marilyn Allen.

In Memoriam

Lowell E. Moser

Lowell E. Moser, 79, of Lincoln, died on April 27, 2019 after a long battle with cancer. He was born March 19, 1940, near Akron, OH, to Jess E. and Velma (Lowry) Moser. In 1946, the family moved to Seville, Ohio, and he grew up on a small dairy farm. Lowell graduated from Westfield High School in LeRoy, (now Westfield Center) OH, in 1958. After attending Ohio University for one year, he transferred and received his B.S. from The Ohio State University in 1962. Lowell was initiated into Gamma Sigma Delta by The Ohio State University chapter January 1961. He earned his M.S. degree in Range Management from Kansas State University in 1964, and a Ph.D. in Forage and Turf Physiology from The Ohio State University in 1967. After three years as an assistant professor at OSU, Lowell accepted a position in Forage/Range teaching and research at the University of Nebraska-Lincoln. From 1970, to his retirement in 2005, he was a Professor of Agronomy at UNL. He took a sabbatical leave at the University of Missouri-Columbia in 1979. He taught courses in Forage and Range Management and Forage Physiology and his research was focused on grass physiology and growth. Lowell advised numerous B.S., M.S., and Ph.D. students, and many student groups. He was active in the leadership of numerous Department, College, and UNL committees.

Dr. Moser received numerous awards including a UNL/Amoco Distinguished Teaching Award in 1974, several UNL Advising Awards, the Gamma Sigma Delta International Service to Agriculture in 2001, and the CSSA/Monsanto Distinguished Career Award in 2008. He was awarded the Sunkist Fiesta Bowl Professorship in 1994, which he held for the rest of his career. Dr. Moser was named Fellow of the American Society of Agronomy (ASA), Crop Science Society of America (CSSA), American Association for the Advancement of Science (AAAS), and the North American Colleges and Teachers of Agriculture (NACTA). He received the Outstanding Service to Agriculture from Kansas State University in 1995. Dr. Moser was elected to many leadership positions including president of his professional organizations, ASA, CSSA, and the Honor Society of Agriculture-Gamma Sigma Delta. After retirement, he served on the Board and as President of the UNL Emeriti Association. He chaired the ASA Centennial Celebration Committee and also the Department of Agronomy and Horticulture Centennial Committee. He was a member of the Society for Range Management, Alpha Zeta, FarmHouse, and the St. Mark's United Methodist Church. He also was interested in genealogy, traveling, reading, and gardening.

He leaves his wife of 54 years, Lovell Hunziger Moser, daughter and husband Carrie and Phil Heermann, granddaughters Melanie and Molly; son and wife, William and Christine Moser, grandson Zachary and granddaughter Emily. He was preceded in death by his parents, Velma and Jess Moser.

In Memoriam

Jack Schinstock

“Jack L. Schinstock, 71, of Lincoln died on July 10, 2019. He was born in Dodge City, Kansas to Edward and Marion (Mallow) Schinstock. He was raised on a small wheat and dairy farm in Eastern Ford County Kansas and graduated from Ford High School in 1966. Following graduation from the State University of New York College at Brockport in 1970, Jack spent three years as a Peace Corps volunteer serving in El Salvador, Central America at the National School of Agriculture. He received a Master of Agriculture (1974) from the University of Florida and a Doctor of Education (1977) from Virginia Tech. In 1985 Jack married Janeth (Jan) Radenslaben of Lincoln, Nebraska.

Jack served the University of Nebraska-Lincoln as a faculty member and administrator in the College of Agricultural Sciences and Natural Resources for more than 37 years, fully retiring in December, 2013. He was a half-time associate dean for student affairs in the college for 22 years and taught applied agricultural systems technology courses in the Department of Biological Systems Engineering during his entire tenure at the University. It is said that he created a legacy of empowering students to achieve more than they envisioned.

He enjoyed reading, history, restoring his 100+ year old home, working outdoors, and traveling around his adopted state. Volunteer service at the Lincoln Children's ZOO, Matt Talbot Kitchen, Lincoln Food Bank, Lincoln Parks and Recreation, Lincoln Convention and Visitors Bureau, and EduCare through the Kiwanis organization consumed most of his time outside of his professional career. He was also a member of the Fitzgerald Council of the Knights of Columbus and St. Teresa's Catholic Church.

Jack is preceded in death by his wife, his parents, a brother, Bruce, and a sister, Mary Jo Tasset. He is survived by daughter Allison McGinn and husband Tom, son Michael and wife Tina and grandsons Jude and Levi. Other survivors include: sisters Toni Ann (Gerald) Trebilcock, Arvada, Colorado; Vicki (Richard) Brownrigg, Creede, Colorado; Denise (Steve) Riegel and Peggy Taylor, Dodge City, Kansas, and brothers John (Brenda), Yates Center, Kansas and Kenny (Karla) Dodge City, Kansas; brother-in-law Duane Tasset of Dodge City, Kansas; brother-in-law/sister-in-law Raleigh and Ruth Radenslaben of Lincoln and many nieces and nephews.” <https://www.bmlfh.com/obituary/jack-schinstock>

Furthermore, Jack was initiated into Gamma Sigma Delta by the Virginia Tech Chapter April 4, 1977. He was very active in the Nebraska Chapter of Gamma Sigma Delta. For many years, Jack was the go to person for recognition of undergraduate students by Gamma Sigma Delta serving on initiation and scholarship committees. He served as Gamma Sigma Delta Treasurer (1988-1989), Secretary (1989-1990), Vice-President (1990-1991) and President (1991-1992).

**Gamma Sigma Delta
Outstanding Graduate Student Award Fund**

Your Nebraska Chapter of Gamma Sigma Delta has established a fund at the University of Nebraska Foundation to allow us to expand our recognition of high standards of scholarship to the graduate student ranks. The Gamma Sigma Delta Outstanding Graduate Student Award Fund was initiated with a \$750 grant from the international Gamma Sigma Delta organization. The fund is an expendable fund at this time; however, our goal is to raise \$25,000 to endow it permanently. Your contributions will assist us in reaching this goal. The current balance in the fund is \$20,851.25.

A Gamma Sigma Delta Outstanding Graduate Student Award Selection Committee will organize the application and selection process. Graduate students in Agriculture, Human Sciences, and related sciences who have demonstrated outstanding accomplishment in their teaching, research, or extension endeavors, and great promise for future academic contributions in their field of expertise are eligible.

For more information, call 800-432-3216 or visit the website at www.nufoundation.org

GAMMA SIGMA DELTA

2019 ANNUAL DUES NOTICE FOR NEBRASKA CHAPTER

June 1, 2019

TO: Gamma Sigma Delta Members

SUBJECT: Renewal of Active Membership / Dues for 2019

If you have not already done so, please renew your membership in Gamma Sigma Delta. Please recall that GSD membership is based on the calendar year and runs from January 1 – December 31. **In keeping with tradition, I am sending just this single notification for paying your 2019 dues.** We are counting on your continuing support of our honorary society. Please be sure to print off and complete the appropriate form and respond today.

Dues are \$20 per year. Please make your check (\$20 for 2019, or \$20 per year for multiple years) payable to **Gamma Sigma Delta** (please don't mail cash) and send it, along with your completed membership form, to me at one of the addresses indicated on the form.

Nebraska Chapter of Gamma Sigma Delta members who have paid their dues are listed on the next page year. Those of you who have paid dues in advance please check to see if my extension date is correct for your prepaid dues. If you were an active member in 2018 and your name is not on this list, your membership has expired.

If you wish to be placed on the GSD inactive list, do not send dues but check the appropriate box on the form and return it to me. If I do not hear from you by July 1, 2019, I will remove your name from our active membership. You can always return to active membership just by sending me your annual dues. Also, if you know of GSD members who have moved to Nebraska, please send me their name(s) and address(es) or have them contact me so they can become active here. We wish to welcome all of you who have recently transferred into our Nebraska Chapter.

Best regards,

Robert J. Wright

Robert J. Wright
Membership Coordinator

Active Members Nebraska Chapter Gamma Sigma Delta

Note Award of Merit recipients and retired members wishing to remain on mailing list do not pay dues. If you have retired and wish to stay on our mailing list please contact Dennis Brink (dbrink1@unl.edu).
