LESSON PLAN WORKSHEET

Lesson Activity Name: PowerPoint Presentation

Length of Activity: 30 minutes

Supplies: PowerPoint Presentation

Directions:

Prepare a lesson about the physical geography of Africa and include the interesting facts to make the presentation as engaging as possible.

Conclusion of the activity:

Students were introduced to Africa and got to know each other through interactions.

Parts of activity that worked:

Activity fulfilled the lesson objectives

Parts of activity that did not work:

Some students wanted to do something else besides remaining seated.

LESSON PLAN WORKSHEET

Lesson Activity Name: Passport to Africa

Length of Activity: 30 minutes

Supplies: Paper passports, PowerPoint Presentation, map of Africa, pencils and highlighters, and Africa map stickers from Redbubble

Directions:

Project the map of Africa and the passport template that matches what you want them to learn and have them try drawing all in their passports.

Conclusion of the activity:

Students were able to customize their journal in a way that interest them.

Parts of activity that worked:

They all enjoyed the use of stickers and were excited to have a small journal that looks like a passport.

Parts of activity that did not work:

One student drew people instead of what were projected

LESSON PLAN WORKSHEET

Lesson Activity Name: “NamingNam” game- Landscape in North Africa

Length of Activity: 10 minutes

Supplies: Map of Africa and photos of landscapes (Nile river, Egyptian pyramids, Atlas mountain, Sahara Desert) covered in the recent lesson.

Directions:

Have the students give the name of the landscapes on the pictures and show on the map where the landscape is located.

Conclusion of the activity:

Students were able to remember and memorize some of the landscapes in North Africa and the countries they are found in.

Parts of activity that worked:

Students were excited and competed to prove they still remembered.

Parts of activity that did not work:
