# A Bibliography of Editions Prepared by ADE Members

Karen Mylan, Linnéa Caproni,  
Harriet Simon, Richard Leffler

The following is a listing of the many editions and volumes that have been published by members of the ADE. Each edition contains at least one editor, and usually more, who is or has been a member of the Association. It is a remarkable record of scholarly productivity in a wide range of disciplines. These many volumes, microfilms, microfiches, and electronic editions have added greatly to the resources available to scholars and laymen alike. It should also be noted that this list is incomplete. There are many other editions that have escaped the attention of those who prepared this list.
