NEWS AND NOTES.....		145

Errata note: In *Great Plains Research* Volume 2 issue 2, page 249, the legend for Figure 10 is incomplete. It should read: *Figure 10. An open fencerow with a complement of river grape in foreground and white mulberry in background. These wide verges along ownership boundaries allow equipment to maneuver at field ends.* We apologize for the inconvenience.

*Great Plains Research* is indexed and/or abstracted in *America: History and Life*, *Historical Abstracts*, and *Meteorological and Geophysical Abstracts*.
