Highly emotional and wildly eclectic, *At the End of the Dock* is a nine-movement work for string quintet, jazz quintet, and piano. As a culmination of my studies of composers who have been most inspirational to my work as a student, theorist, and composer, I have written a piece which strives to encapsulate the styles of many into a single harmonious package. Standing as the foundation are three interludes, namely movements three, five, and seven, which reflect upon a childrens' tune heard in the opening movement, "Prologue." These movements, which represent loneliness, tie together the larger and more overtly "jazz" segments, found in movements two, four, six, and eight. The interludes serve as momentary pauses in the narrative, allowing the storyteller to ponder a thought, memory or fantasy, while the intersecting movements drive the narrative forward, forcing the narrator to face reality, question the past, and look towards the future. The final movement, "Epilogue," is a remembrance of the journey which has passed and a breath of hope for the journey which lies ahead.

Program Notes:

At the End of the Dock is an autobiographical memoir as viewed through the lense of my current memories regarding my experiences as an eleven-year-old child to the present day. In nine movements, I explore my unique path through the various stages of grief, from moments of tender curiosity, intense despair, blatant anger, and melancholy longing. At the heart of the music is a childrens' tune, a representation of the earliest, most innocent memories of my upbringing. Movements 3, 5, and 7 are interludes depicting three distinct forms of loneliness: a sense of disconnect and confusion within a busy world, a loneliness felt in missing a memory of a person or place that no longer exists, and the isolation experienced in one's deepest despair. It is through this loneliness and my discoveries surrounding its presence that I was able to find my own light – that which exists *At the End of the Dock*.

The musical score displays two measures of music. Measure 43 is entirely composed of rests. Measure 44 begins with sustained notes from the strings and piano. Following this, there are rhythmic patterns from the woodwind instruments (T. Sx., Flghn., D. S., Gtr., A.B.) and the bassoon (D.B.). The piano (Pno.) also contributes to the harmonic foundation. The strings (Vln. I, Vln. II, Vla., Vc.) play eighth-note patterns, while the bassoon provides a steady bass line. Measure 45 follows, continuing the established patterns.

This musical score page contains ten staves of music. The first five staves (T. Sx., Flghn., D. S., Gtr., A.B.) are mostly silent, with only a few short dashes indicating minimal sound. The piano part (Pno.) is more active, featuring eighth-note patterns on both the treble and bass staves. The strings (Vln. I, Vln. II, Vla., Vc., D.B.) provide harmonic support with eighth-note patterns and grace notes. The overall texture is sparse and atmospheric at this point in the piece.
