President Mary Guest welcomed everyone and called the meeting to order at 12:00 noon. Guests and new members were recognized. Elected Officers and Committee Directors were introduced. Members were invited to share their skills by serving on a committee. They were encouraged to grow professionally at UNL by taking the opportunities provided by UNOPA to serve on committees and by obtaining their PSP (Professional Standards Program) certificates.

The minutes from the May 13, 2008 meeting had been posted on the UNOPA website prior to the meeting and were available at the registration table. The minutes were discussed and *approved as written by unanimous consent.*

Treasurer, Grace Li

The combined July, 2008 and August, 2008 UNOPA Treasurer's report was available at the registration table. The Treasurer's report was reviewed. The checking account balance as of July 1, 2008 was \$3,749.05. With revenue of \$2.06 in July and \$339.00 in August and expenditures of \$151.68 in July and \$30.00 in August, the checking account balance as of August 31, 2008 was \$3,908.43. Expenditures applied to the cost center totaled \$324.00 in July and revenue of \$63.00 was applied to the cost center in August, leaving the cost center with a (\$261.00) balance. The combined ending balance as of August 31, 2008 was \$3,647.43. The CD balance as of July 31, 2008 was \$3,393.31 with no change as of August 31, 2008. The Treasurer's Report will be filed for audit.

Awards, Mary Guest on behalf of Beth Zager

The Floyd S. Oldt Boss of the Year Award will be presented in November. The nomination deadline for that award is October 15. The nomination form and directions can be found on the UNOPA website. Members are encouraged to recognize their outstanding bosses for this award. For two years in a row, the National Administrators of the Year have come from UNL: Dean Jack Oliva in 2007 and Dr. Z B Mayo in 2008.

Bradley Munn Professional Growth Fund, Gretchen Walker

The Bradley Munn Professional Growth Fund promotes the professional growth of UNOPA members. Members may request reimbursement for up to \$100 for such expenses as conference or workshop registration fees that are not otherwise covered or travel expenses for out-of-town events. In order to continue to have these funds available, we need to raise money for this account – which is funded entirely through donations. The balance of this account as of July 31, 2008 was \$3,589.35. Members can contribute to this fund through payroll donations or via a one-time donation, whichever they prefer. Donation forms were made available at the meeting. Members may also contact Gretchen for donation forms. In addition, a donation box will be available at future UNOPA General Meetings; members can donate their loose change or any amount in this donation box. The deadline for applying for reimbursement from the Bradley Munn Professional Growth Fund is October 15.

Career Development-Program, Jan Edwards

The fall Career Development workshop, "A Spoke, Not The Wheel," is scheduled for October 28 at 1:00-4:30 pm in the East Campus Union and will consist of a "spoke panel" composed of support staff and a "wheel panel" composed of bosses. Vicki Highstreet will facilitate the discussion. This will be an opportunity for members to "listen to panel members as they share ideas and information that will assist UNOPA members in developing skills as part of a professional team." Flyers and registration forms were available on the registration table, and the registration form will be available on the UNOPA website. This workshop is free to UNOPA members and is \$10 for non-UNOPA members. If members

have questions for the panel, please email them to Marcy Tintera prior to the workshop. In addition, as a fundraiser to help provide these professional development opportunities to members, attendees will be able to purchase the chance to win a basket put together by the committee for \$1 per ticket; the committee will have 10 baskets available.

Career Development – PSP, Debbie Hendricks

The PSP Committee wants to encourage UNOPA members to move forward on obtaining their PSP certificates. To help facilitate this goal, they will offer monthly brown bag workshops. The next brown bag workshop will be September 24 at the East Campus Union. Members can just show up with their PSP materials and can speak with a member who has received their PSP certificate to help with completing this application process.

Ways and Means, Kathy Bennetch

Debbie Hendricks, Parking Lot Co-Chair for the September 13 game, asked for five-six volunteers for the afternoon to help with the parking lot. The lot must be staffed from 6:30 a.m. – 6:00 p.m. that day, and volunteers are particularly needed in the afternoon. Fees from selling parking during home game days are UNOPA's only major fundraiser and all UNOPA members are encouraged to help. Members were reminded that each hour worked is one less pie they would have to sell. It is a good time to network, make new friends and meet with old friends. Members were encouraged to contact Debbie Hendricks if they can help with the parking lot on September 13.

Members may contact Kathy Bennetch regarding signing up for other game dates or for more information on UNOPA's role in staffing the parking lot.

Member Announcements

Betty Jacobs provided information on "Making Strides Against Breast Cancer," a 5K walk scheduled for Sunday, October 19, 2008 at Holmes Park. Brochures were available on the registration table. Twelve participants are needed in order to get special t-shirts made for the group. Betty encouraged members to support this worthwhile cause by registering for this year's walk. She shared that participants, who see the people in various stages of breast cancer who are participating, know that their participation is something about which to be proud. Members who wish to participate may register using the information in the brochures that were provided or by signing up at the registration table on the day of the walk; however, it would be helpful to Betty if you would let her know prior to the event that you are planning to participate. For more information, please contact Betty Jacobs.

Guest Speakers

- Mary Guest introduced Professor Susan Poser, Chief of Staff and Associate to the Chancellor.
 - As the Associate to the Chancellor, Susan Poser works with the leaders of UNOPA and UAAD. She did not need convincing that the work that UNOPA does is crucial. Office personnel keep things running.
 - She realizes the impact of office professionals on two primary focuses of the University
 - Undergraduate education – These are going well and enrollment is up. Office professionals are who these students and their family contact first if they have a question or a concern.
 - Undergraduate research – Office professionals help faculty meet crucial deadlines.
 - The University has produced a family friendly brochure which has been distributed to faculty but is relevant to staff as well. The University is also working on a web site to promote this information as well.
 - She is currently working on resolving the problem of the lack of lactation rooms on campus. This is important to graduate students and staff who do not have a room to use for this purpose.
 - She would like to help UNOPA with recruitment of members and with encouraging their participation in events. She encouraged UNOPA to let her know if we had any questions or needed her to help.
- Mary Guest introduced Keith Fickenscher, Chair of the Veteran’s Memorial Garden Advisory Council. UNOPA’s 50/50 recipient this year is the Veteran’s Memorial Garden.
 - He is a proud U.S. Army veteran.
 - The Garden is located in Antelope Park, adjacent to the Auld Recreation Center.
 - The public is welcome to visit and learn about the sacrifices made by our veterans. There is even a K-9 Corps memorial area.
 - In June 1989, about 80,000 people visited the Garden to view the traveling Vietnam Memorial “Wall”. The Vietnam Veterans Memorial is now located in the same area where the traveling wall had been placed. The Vietnam Veterans Memorial has the engraved names of 405 individuals with Nebraska ties who died or are listed as missing in action for this conflict.
 - Meetings of the council are open to the public and are held in the shelter near the garden.
 - Funding: They use interest from their foundation account and they sell memorial bricks. Volunteers place the bricks for them. You can also have a wedding in the Garden for \$100. Money raised goes toward expenses such as the following:
 - The Liberty Bell structure. They ring the Liberty Bell at the start of each event in the Garden.
 - Brick holders, which do deteriorate and must be replaced periodically.
 - Bricks, which also deteriorate so that you cannot read the names. They are also replaced with no additional request from the purchaser to pay for the replacement.
 - Garden maintenance. Examples of needed maintenance are the Red Cross Memorial which had a laminate which began to peel; they got a new granite memorial, and the arch in the Garden for which they had to purchase materials.
 - Creation of a locator so that visitors can locate the memorial honoring their loved ones.
 - \$500/year is needed to keep all the lights on in the Garden in order to deter vandalism.

- They would like to install security cameras – possibly a web cam – to help with security.
- The need:
 - a new sound system to help with events in the Garden
 - a new master landscape plan so they can add about 155 bricks per year
 - volunteers to help with planting and weeding in the floral star, planting flags, event planning, and brick installation.
- Brick order forms are available on the Lincoln Parks and Recreation website.
- Upcoming Events:
 - June Celebration; new bricks and memorials are dedicated
 - Council Meetings are posted
 - Patriot Day Program
 - Veteran’s Day Program
- The Veterans Memorial Garden seeks to restore pride, faith and love in their country by U.S. families. It offers quality, family-friendly activities. Families and the community are encouraged to visit the Veteran’s Memorial Garden.

Hospitality, Diane Wasser

The Hospitality Committee will not be giving away traditional door prizes at every meeting as has been done in the past. At some meetings, names will be drawn for a free UNOPA lunch certificate to be used at future General meetings during the academic year. Three names were drawn for free future UNOPA lunches; the recipients were Cindy Knight, Lola Young and Connie Johnson. The 50/50 drawing raised \$75 of which half went to the Veterans Memorial Garden and the remaining \$37.50 went to Mary Klucas who held the prize winning ticket.

Program, Peg Johnson

Peg introduced Lola Young, NEOPA/NAEOP Liaison., who spoke about the benefits of membership in both NEOPA (Nebraska Educational Office Professionals Association) and NAEOP (National Association of Educational Office Professionals).

- NEOPA offers the *NEON* Newsletter three times per year.
- NAEOP offers:
 - *NES Connector* Newsletter four times per year.
 - *Keeping Affiliates Active*, an e-newsletter, four times per year.
 - Group term life insurance at no cost for six months for qualifying new members.
 - Group insurance discounts.
 - Rental car discounts.
 - Identity Theft Protection.
 - Professional Standards Program (PSP) which recognizes members based on what they are doing and what they are involved in (i.e. classes, committees, involvement, and meeting attendance).
 - An opportunity to help each other, such as the Emergency Relief Fund originally established to help colleagues affected by Hurricane Katrina.
- Travel opportunities are available with all three groups (NEOPA, NAEOP, UNOPA):
 - The NEOPA Fall Workshop at Wayne State College will be October 17, 2008.

 - Other states also host conferences, including one in Branson, Missouri. Members who are interested should contact Lola for more information.

- UNOPA will host the NEOPA Spring 2009 Conference on April 17 at Southeast Community College. Members were asked to volunteer to help with this conference.
- Fellowship and networking with other office professionals from other schools. This is a good way to get new ideas as well as to share your ideas with others.
- All three groups offer ListServe Access to facilitate communication between members.
- The Secretary for NAEOP sends out a question each month such as “Our university is exploring database software. If you use this software or similar software, please advise us as to what you do or do not like about the system you use.” or “What book did you recently read?” This gives members an opportunity to learn more about their colleagues and encouragement to try new things such as using a new software or reading a book they might not have otherwise considered. This can also be a good discussion starter opportunity as you can then discuss common projects or books, etc.
- NAEOP provides resources available to assist members, including: time management, goal setting, human relations, etc.
- All three organizations provide a “voice with clout,” being endorsed by several other professional affiliations.
- All three organizations offer Awards to members, including
