2011-2012 Communication Technology Committee Final Report

Deborah (Deb) Rosenau; Director, participant
Karen Jackson; participant

For the second year in a row working with me in the UNOPA Communication Technology Committee, I wish to thank Karen as a committee participant. Her prior year's knowledge kept the UNOPA main webpage up-to-date with relevant business news, meetings and announcements.

On a regular basis, UNOPA notes, General and Executive Board meeting minutes were posted. No major enhancements were made to this year's web pages with the exception of the predominant updates to UNOPA bylaws. On April 30, the last voting session for the 2011-12 year, the Executive Board incorporated several updates to bylaws. This included a title change to the website sub-header: 'Bylaws and Standing Rules' which was voted to be 'Bylaws, Standing Rules and Duties of Committees'. All changes were made to respective sites in mid May 2012.

Regretfully, the 'Photo Gallery' web page never got off the ground this year. UNOPA did not have a designated photographer per se, and the photos which were taken at events were not brought to my attention for publishing. One goal during the 2012-2013 year, is to redevelop the 'Photo Gallery' using member's shared photos.

Once again, our website was entered into the annual NAEOP competition in March. Winner will be announced at the NAEOP Annual Conference in Costa Mesa, California, July 9-13, 2012.

Respectfully submitted,

Deb Rosenau
